Topics range from the general (how databases fit into real life and your business needs; comparisons with other database development tools; a broad discussion of integration with existing systems and software) through the building-blocks of FileMaker solutions, and on up to state-of-the-art advice on concepts of optimization, modularization, innovative and sophisticated user-interface design, dynamic elements, logic, cutting-edge calculations, publishing your database to the Web, and integrating tightly with SQL databases via ESS. The book also includes the special developer tools available in FileMaker Pro Advanced, and covers topics too oft skipped over in other books on the market -- backup how-to's and strategies, must-read information about good database husbandry and file recovery, and so on. Much of the information in the book is documented nowhere else. This is the one must-have FileMaker book! Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

Paul's Letters to Timothy and the Church Today David Wilson, 2007 Paul's letters to Timothy, written so long ago, may seem out of touch with Christianity today. After all, things have changed since the first-century church, or have they? The truth of the matter is that the counsel and warnings Paul gave Timothy are present truth for our own time. Warnings given by Paul match the conditions found in the religious world today. His counsel regarding personal commitment and fidelity still remain the path of the true child of God. Paul's counsel to Timothy and the churches in the first century of the church, if followed, would still work to set things in order. In short, Paul's letters to Timothy are God's letters to you and me and the church today. I pray this book will be a means by which God speaks to encourage, counsel, warn, and rebuke, where necessary.

Cradled in Hope Ashley Opliger,2025-07-22 A mother's heart is shattered and forever changed when she loses a precious baby. Overwhelmed by sadness, she feels abandoned by God, questions his goodness, and wonders how she will move forward in life while in such deep pain. Ashley Opliger, founder of Bridget's Cradles, wrestled with these same things when her daughter, Bridget, was born into heaven at twenty-four weeks. Amid her anguish, she found faith in God to not only heal her heart, but to change her life--and the lives of others. Here she creates a safe place for grieving moms to cry, ask why, and bring their sadness, anger, bitterness, loneliness, shame, and hopelessness to one who can hold it all--Jesus. She gently guides heartbroken moms on a journey to trust him to heal their hearts, restore their joy, and use their grief for good. But most importantly, she reminds them that no matter where they are on their grief journey, God promises to give them a hope-filled future, both on earth and in heaven with their babies for all of eternity.

impacting local communities. Vulnerable people are exploited through labour, sex and forced criminality. Churches and communities are increasingly encountering these victims and survivors, and consequently need to develop more effective engagement. The book will highlight that churches and communities are in a unique position to partner towards slavery-free communities. Beginning with the narratives of survivors who experienced three different forms of MSHT, including labour exploitation, sexual exploitation and domestic exploitation, the book then shows how practitioners and theologians respond to these narratives through exploring theologies of suffering, ecology, missiology, restorative justice, trinitarian theology and liberation theology. Offering faith responses from organisations such as The Salvation Army, The Clewer Initiative, BMS World Mission and Rene Cassinhe the volume also includes a final resource section with prayers and liturgy for survivors and victims as well as for church and community responses. The book includes a forward by the Rt Hon Theresa May MP and an opening prayer by the Most Revd Justin Welby
