

# The Missing Margaret Peterson Haddix

S.J. Wills

The Missing Collection by Margaret Peterson Haddix Margaret Peterson Haddix, 2011-08-23 Thirteen-year-old Jonah has always known that he was adopted, and he's never thought it was a big deal. Then he and a neighbor, Chip, who finds out he's also adopted, begin receiving mysterious letters, saying things such as: You are one of the missing, and, Beware! They're coming back to get you. Jonah, Chip, and Jonah's little sister Katherine are plunged into a mystery that involves the FBI, a vast smuggling operation, an airplane that appeared out of nowhere—and people who seem to disappear and reappear at will...and make a staggering discovery: Jonah and Chip, and some other kids are actually the missing children from history, stolen for profit by time travelers. Now, they are caught in a battle between two opposing forces that want very different things for them--and their choices will determine the course of their own lives, and the lives of their friends. Get the first four riveting books in Margaret Peterson Haddix's New York Times bestselling series *The Missing*, now available at one great price!

*Rescued* Margaret Peterson Haddix, 2014-08-05 Return to the world of *The Missing* with an original e-short story! Katherine and Jonah have just saved the Grand Duchesses Anastasia and Maria, as well as their brother the tsarevitch Alexei Romanov. Although the Romanovs are devastated that they lost the rest of their family, they are happy that they still have each other and are safe. But they weren't the only ones saved: Leonid, Alexei's faithful servant and friend, was also whisked away to the time hollow. Will he be able to accept his fate?

**Revealed** Margaret Peterson Haddix, 2014-09-02 After returning the missing children from history to their original time periods, thirteen-year-old Jonah must save time itself when aviator Charles Lindbergh mysteriously appears and kidnaps Jonah's sister.

**Found** Margaret Peterson Haddix, 2008-04-22 Thirteen-year-old Jonah has always known that he was adopted, and he's never thought it was any big deal. Then he and a new friend, Chip, who's also adopted, begin receiving mysterious letters. The first one says, You are one of the missing. The second one says, Beware! They're coming back to get you. Jonah, Chip, and Jonah's sister, Katherine, are plunged into a mystery that involves the FBI, a vast smuggling operation, an airplane that appeared out of nowhere -- and people who seem to appear and disappear at will. The kids discover they are caught in a battle between two opposing forces that want very different things for Jonah and Chip's lives. Do Jonah and Chip have any

choice in the matter? And what should they choose when both alternatives are horrifying? With *Found*, Margaret Peterson Haddix begins a new series that promises to be every bit as suspenseful as her *Shadow Children* series -- which has sold more than 41/2 million copies -- and proves her, once again, to be a master of the page-turner.

***Risked*** Margaret Peterson Haddix, 2013-09-03 Jonah and Katherine journey to 1918 with the Romanov children in the sixth book of the New York Times bestselling *The Missing* series, which Kirkus Reviews calls “plenty of fun and great for history teachers as well.” It’s a paradox: When Jonah and Katherine find themselves on a mission to return Alexei and Anastasia Romanov to history and then save them from the Russian Revolution, they are at a loss. Because in their own time, the bones of Alexei and Anastasia have been positively identified through DNA testing. What hope do they have of saving Alexis and Anastasia’s lives when the twenty-first century has proof of their deaths?

***Found*** Margaret Peterson Haddix, 2008-04-22 When thirteen-year-olds Jonah and Chip, who are both adopted, learn they were discovered on a plane that appeared out of nowhere, full of babies with no adults on board, they realize that they have uncovered a mystery involving time travel and two opposing forces, each trying to repair the fabric of time.

***The Missing Collection*** Margaret Peterson Haddix, 2030-12-30 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

***Redeemed*** Margaret Peterson Haddix, 2015-09-08 Jonah’s new twin must time travel and face off against his siblings’ worst enemy in order to save the future—and his family—in the eighth and final book of the New York Times bestselling *The Missing* series, which Kirkus Reviews calls “plenty of fun and great for history teachers as well.” After traveling through history multiple times and finding out his original identity, Jonah thought he’d fixed everything. But some of his actions left unexpected consequences. His parents—and many other adults—are still stuck as teenagers. And now Jonah has a new sibling, an identical twin brother named Jordan. As odd as all this is for Jonah, it’s beyond confusing for Jordan. How does everyone in his family have memories of Jonah when he doesn’t? How can his annoying kid sister Katherine speak so expertly about time travel—and have people from the future treating her with respect? A few rash moves by Jordan send them all into the future—and into danger. What if he’s also the only one who can get them back to safety, once and for all?

***Sought*** Margaret Peterson Haddix, 2013-08-06 Return to the world of *The Missing* with this e-only short story! Thirteen-year-old Daniella McCarthy begins receiving a series of unusual phone calls right before her family moves from Michigan to Ohio. How is it that total strangers seem to know more about her background than she does? And could it be possible that these strangers also know something about her future?

***Torn*** Margaret Peterson Haddix, 2011-08-23 Time travelers Jonah and Katherine arrive in 1611 to rescue missing child John Hudson, son of the explorer Henry Hudson, but just as the mutiny on the *Discovery* is supposed to start, Jonah and Katherine’s knowledge of history is tested once again, and they fear that more is at stake than just one boy’s life. Author’s

note includes facts about Henry Hudson's explorations.

**Margaret Peterson Haddix** Mary-Lane Kamberg,2013-12-15 Examines the life and accomplishments of the bestselling author of two young adult series, *The Missing* and *The Shadow Children*. --Publisher's description.

Sent Margaret Peterson Haddix,2009-08-25 Determined not to lose their friends, Jonah and his sister, Katherine, grab Chip's arms just as he's being sent away

Sabotaged Margaret Peterson Haddix,2010-08-24 After helping Chip and Alex survive 15th-century London, Jonah and Katherine are summoned to help another missing child, Andrea, face her fate. Andrea is really Virginia Dare, from the Lost Colony of Roanoke. Jonah and Katherine are confident in their ability to help Andrea fix history, but when their journey goes dangerously awry, they realize that they may be in over their heads: They've landed in the wrong time period. Andrea doesn't seem that interested in leaving the past. And even worse, it appears that someone has deliberately sabotaged their mission....

Caught Margaret Peterson Haddix,2013-04-30 When Jonah and Katherine travel to early 1900s Switzerland and Serbia to return Albert Einstein's daughter, Lieserl, to history, her mother Mileva grasps entirely too much about time travel and has no intention of letting her daughter go.

Dummy Isbn the Missing Margaret Peterson Haddix,2009-01-08

**The Tale of Gwyn** Cynthia Voigt,2015-05-26 Originally published under the title *Jackaroo*. New York: Atheneum, 1985.

**Leaving Fishers** Margaret Peterson Haddix,2012-04-03 After joining her new friends in the religious group called Fishers of Men, Dorry finds herself immersed in a cult from which she must struggle to extricate herself.

**The Cavendish Home for Boys and Girls** Claire Legrand,2012-08-28 At the Cavendish Home for Boys and Girls, you will definitely learn your lesson. An atmospheric, heartfelt, and delightfully spooky novel for fans of *Coraline*, *Splendors and Glooms*, and *The Mysterious Benedict Society*. Victoria hates nonsense. There is no need for it when your life is perfect. The only smudge on her pristine life is her best friend Lawrence. He is a disaster—lazy and dreamy, shirt always untucked, obsessed with his silly piano. Victoria often wonders why she ever bothered being his friend. (Lawrence does, too.) But then Lawrence goes missing. And he's not the only one. Victoria soon discovers that *The Cavendish Home for Boys and Girls* is not what it appears to be. Kids go in but come out...different. Or they don't come out at all. If anyone can sort this out, it's Victoria—even if it means getting a little messy.

**Bite Risk** S.J. Wills,2023-08-29 *The Last Kids on Earth* gets a lupine twist by way of Margaret Peterson Haddix in this eerie middle grade adventure set in a small town where all the adults are werewolves but the kids begin to suspect something else sinister is putting them at even greater risk. When everyone's a werewolf, it's hard to spot the monster... Thirteen-year-old Sel lives in the remote, isolated town of Tremorglade, where nothing interesting ever seems to happen. Well, unless you count the one night a month when the full moon rises and kids like him must lock up their parents while they

transform into werewolves (though Tremorgladers prefer to call them Rippers). But that's the whole world's new normal since the Disruption changed everything well before Sel was born. But when strange things begin happening in Tremorglade, like drones emitting sickening sounds and people behaving oddly, Sel and his friends begin asking questions about what's really going on in their small town. And suspiciously soon after they do, Rippers begin escaping on confinement nights, people start disappearing, and the kids suspect they're being followed. Maybe there's a reason no one ever seems to leave Tremorglade...and it's up to Sel and his friends to figure out the truth someone doesn't want them to know before another full moon puts them all at a bite risk.

Neil Flambe and the Crusader's Curse Kevin Sylvester, 2014-10-28 Includes an excerpt from Neil Flambe and the Tokyo treasure.
