Caught in the Crossfire Alan Gibbons, 2010-12-23 Set in a Northern town, where right-wingers are determined to stir up hatred and racial prejudice, CAUGHT IN THE CROSSFIRE is about six teenagers whose lives are woven together by a series of shocking and tragic events. A British Muslim brother and sister, two Irish brothers who take different sides, and two lads out looking for trouble: all of them get caught in the crossfire. Inspired by the Oldham riots and the events of September 11th, this is a book that needed to be written. It is a chilling account of what is happening in Britain today, but as always Alan Gibbons writes with humour and understanding and is utterly on the wavelength of his many readers.

A Lotus of Emptiness Osho, 2021-07-06 Osho is one of the most original minds in this second half of the twentieth century. Reading him is sheer pleasure. Osho is undoubtedly a master of words and knows how to use them... He should be read. Many passages from his books are quotable I wish I had written them myself. - M.V. Kamath

Kiss & Collide Amanda Weaver, 2025-08-05 Love is a rush . . . can this enemies-to-lovers couple match-up handle the ride? Fall into the sexy and fun world of Formula One in book two of the spicy new adult series Racing Hearts. He breaks all her rules . . . Fast-talking, red-lipstick-wearing Violet Harper isn't looking for love, or anything that takes her out of the driver's seat. She has an all-star career in PR, hook-ups all over the world, and the last thing she needs is to catch feelings for a man. But all her rules are thrown into question after an intensely hot one-night stand with the freewheeling Formula One driver Chase Navarro. After taking a new job with an underdog racing team, Violet discovers that Chase is their newest driver. Violet swears she won't lose her heart to someone so charming and irritatingly sweet, but he does have the perfect face to promote their team . . . She drives him wild . . . All Chase wants is to drive racecars as fast and hard as he can. But he can't stop fantasizing about the night he spent with Violet, and that's a distraction he doesn't need. But as Chase dreams of racing onto his first podium, Violet forces him in front of the camera, determined to make him the new star of Formula One. Which means a lot more late nights with the gorgeous and infuriating Violet. As the two team up, old flirtations flare, and their chemistry collides. With both their careers on the line, will Violet pull the brakes on their attraction or finally let love go full throttle? ANCIENT DIVINE LIGHT Tamer Kutdoğa, 2023-03-31 A human converging to ALLAH becomes virtuous (ETHIC) the

virtuous human becomes equitable (JUSTICE), and equitable people ensure PEACE in the World. People who make peace converge to ALLAH again. If this chain breaks, the world will come to an end. Because, before the Astral and Atomic scale in the Universe, Allah cc. after the contrasts it creates then there is harmony, agreement and PEACE between these contrasts and people cannot act against it. Peace reflects beauty to the eyes, music to the ears, health to the body and happiness to all people in the world. Different information gathered throughout history in the Cortex, the upper membrane of the human brain, which is not found in animals, has been a source of stress and conflict throughout history. Now, let's reconcile these differences with the double triangular pyramid geometry given here and turn our Earth into Heaven. Then to us moral people, Allah's no one should doubt that he will grant Paradise in the Hereafter.

Work-based Practice in the Early Years Samantha McMahon, Mary Dyer, 2017-09-26 Bringing together the essential theory, research and policy with examples from practice, *Work-based Practice in the Early Years: A Guide for Students* provides a complete guide to successful work placements for early years students. It makes links to the Occupational Standards for the Early Years Educator and the Teacher Standards for early years, and integrates examples of effective, universal and inclusive practice throughout. Following an overview of the research and policy context which has shaped the sector since the 1990s, this new text is designed to prepare and support you, the student, as you embark on your placement, which is an integral part of your early years degree. It covers the key information you need about safeguarding and the curriculum frameworks, EYFS and the National Curriculum KS1, alongside chapters on reflective practice and research to support your developing professional and practical skills. Written with the student in mind, this book draws on first-hand student experiences and introduces the idea of working towards being a leader of practice and the wider role in working with parents and families. This comprehensive guide also considers the views of placement providers, examining the roles and responsibilities of both the student and provider, and offering insight into their expectations and what factors make a work placement successful. Including reflective activities, students' views and evidence from student portfolios, this is an essential text for all early years' students undertaking their work placement.

Modern Islamic Literature: from 1800 to the Present James Kritzeck, 1970 Assembled here for the first time are selections from the best and most important Moslem writers of modern times. Although regarded as masters of literary style in their own countries, many of them are virtually unknown to readers of English. Some are being introduced to western audiences in their very first translations; others are represented by excerpts from influential works that have generally escaped the attention of critics outside the Islamic world.--From book jacket.
