**The Musical Theater of Stephen Schwartz** Paul R. Laird, 2014-04-10 As the composer/lyricist for *Godspell*, *Pippin*, *Wicked*, and other musicals, Stephen Schwartz has enjoyed one of the most significant careers in American musical theater for more than four decades. Schwartz has also achieved success on the big screen, contributing to such films as *Enchanted*, *The Prince of Egypt*, and *Pocahontas*. For his work, he has received six Tony nominations, three Grammys, and three Academy Awards. *The Musical Theater of Stephen Schwartz: From Godspell to Wicked and Beyond* is a detailed examination of Schwartz's various projects throughout his career. Musicologist Paul R. Laird discusses at length Schwartz's major shows and also considers his other ventures, such as the music and lyrics for animated features from Disney and Dreamworks. The book focuses on two major aspects of Schwartz's creations: the process of collaboration resulting in a project's completion and a descriptive analysis of his music and lyrics. Laird also describes each show's critical reception and its place in the larger history of musical theater. Based on extensive interviews with Schwartz and a number of his major collaborators, this book provides a rare look into the creation of the composer and lyricist's shows and films. *The Musical Theater of Stephen Schwartz* is intended for fans as well as students and professional researchers in music, theater, and the musical theater.

*The Routledge Companion to the Contemporary Musical* Jessica Sternfeld, Elizabeth L. Wollman, 2019-08-16 The Routledge Companion to the Contemporary Musical is dedicated to the musical's evolving relationship to American culture in the late twentieth and early twenty-first centuries. In the past decade-and-a-half, international scholars from an ever-widening number of disciplines and specializations have been actively contributing to the interdisciplinary field of musical theater studies. Musicals have served not only to mirror the sociopolitical, economic, and cultural tenor of the times, but

have helped shape and influence it, in America and across the globe: a genre that may seem, at first glance, light-hearted and escapist serves also as a bold commentary on society. Forty-four essays examine the contemporary musical as an ever-shifting product of an ever-changing culture. This volume sheds new light on the American musical as a thriving, contemporary performing arts genre, one that could have died out in the post-Tin Pan Alley era but instead has managed to remain culturally viable and influential, in part by newly embracing a series of complex contradictions. At present, the American musical is a live, localized, old-fashioned genre that has simultaneously developed into an increasingly globalized, tech-savvy, intensely mediated mass entertainment form. Similarly, as it has become increasingly international in its scope and appeal, the stage musical has also become more firmly rooted to Broadway—the idea, if not the place—and thus branded as a quintessentially American entertainment.

**From Aphra Behn to Fun Home** Carey Purcell, 2019-12-04 Theatre has long been considered a feminine interest for which women consistently purchase the majority of tickets, while the shows they are seeing typically are written and brought to the stage by men. Furthermore, the stories these productions tell are often about men, and the complex leading roles in these shows are written for and performed by male actors. Despite this imbalance, the feminist voice presses to be heard and has done so with more success than ever before. In *From Aphra Behn to Fun Home: A Cultural History of Feminist Theatre*, Carey Purcell traces the evolution of these important artists and productions over several centuries. After examining the roots of feminist theatre in early Greek plays and looking at occasional works produced before the twentieth century, Purcell then identifies the key players and productions that have emerged over the last several decades. This book covers the heyday of the second wave feminist movement—which saw the growth of female-centric theatre groups—and highlights the work of playwrights such as Caryl Churchill, Pam Gems, and Wendy Wasserstein. Other prominent artists discussed here include playwrights Paula Vogel Lynn and Tony-award winning directors Garry Hynes and Julie Taymor. The volume also examines diversity in contemporary feminist theatre—with discussions of such playwrights as Young Jean Lee and Lynn Nottage—and a look toward the future. Purcell explores the very nature of feminist theater—does it qualify if a play is written by a woman or does it just need to feature strong female characters?—as well as how notable activist work for feminism has played a pivotal role in theatre. An engaging survey of female artists on stage and behind the scenes, *From Aphra Behn to Fun Home* will be of interest to theatregoers and anyone interested in the invaluable contributions of women in the performing arts.
