

# You Never Forget Your First

**David A. Yalof**

You Never Forget Your First Alexis Coe, 2020 His Mother's Son -- Pleases My Taste -- The World on Fire -- Blow out my brains -- The Widow Custis -- I Cannot Speak Plainer -- What Manner of Man I Am -- The Shackles of Slavery -- Hardball with the Howe Brothers -- The Court of Public Opinion -- George Washington, Agent -- Eight Years Away -- From Whence No Traveller Returns -- Unretirement -- The Presidency; or, The Place of His Execution -- Infant Nation -- Political Suicide -- Farewell to Cunning, Ambitious, and Unprincipled Men -- Final Retirement -- 'Tis Well.

**You Never Forget Your First** Josh Lewin, 2014-05-27 Having already penned *Getting in the Game*, his inside scoop on the mayhem within baseball's winter meetings, Josh Lewin once again gives baseball fans a window into the big leagues. By interviewing big league ballplayers about their first day in the majors, Lewin creates fascinating mini-biographies of the players, highlighting the personalities hidden behind the on-field accomplishments. He lets the players recount their own memories of how they made it to the big leagues. In *You Never Forget Your First*, Lewin shares the stories of players great and less so. Tony Gwynn recalls singling in his first at bat and finding Pete Rose waiting for him at first base with a wink and a warning: Don't break my record all at once, kid. Bob Brenly heard of his call-up on the car radio while on a family trip to the Grand Canyon. He then stood helplessly in the middle of the Arizona desert after his transmission gave out, trying to convince passersby he was a ballplayer heading to the big leagues and needed a lift to the airport. Duane Kuiper witnessed a fight both on the field and in his own clubhouse his first day in Cleveland. Greg Maddux recalls being stuck at the Chicago River drawbridge, convinced he'd never make it to Wrigley Field in time for his debut. Lewin interviews modern star players such as A-Rod, Barry Bonds, and Manny Ramirez, as well as Hall of Famers such as Jim Palmer, Don Sutton, and George Brett. More than 100 popular baseball players are profiled, complete with the box scores of their big league debuts.

George Washington and the Two-Term Precedent David A. Yalof, 2023-08-11 One of the earliest and most consequential presidential decisions in American history was George Washington's choice to step down after two terms in office, despite the fact that he would almost certainly have won a third term had he chosen to run. The example he intended to set—and the circumstances he faced at the time—tell a more complicated story of the true motives behind his decision to retire and the impact his decision had on his successors and the nation. In *George Washington and the Two-Term Precedent*, David A. Yalof examines how this decision set a pattern that would be followed by presidents for more than a century until FDR began

serving a third term in 1941. While often portrayed simply as a noble decision by Washington to restrain the power of the executive office, Washington's decision was in fact motivated by self-interest and a desire to cement a legacy of honor and integrity. Yalof shows that he was never motivated by the desire to reign in the executive with an unwritten two-term limit. If anything, Washington hoped to strengthen the executive branch by demonstrating that the institution of the presidency could be trusted with the power and independence than it had so far received. His voluntary relinquishment of the presidency after two terms in office achieved these goals. Yalof focuses on the two-term precedent and how it came into being not by legal prescription but by the tacit influence of Washington's refusal to run for a third term and what it suggests about American conceptions of executive power. *George Washington and the Two-Term Precedent* offers a sober reminder that the country's most famous and original hero chose to walk away from power, and it was that decision that cemented his greatness in American history.

**No, I Don't Get Danger Money** Lisette Reymer, 2025-07-01 A no-holds-barred account of what it was really like to cover some of the most dangerous and extraordinary moments in recent history 'If being a war correspondent can be addictive, this book might just leave you hooked. From brushes with landmines to Ukrainian hotdogs, Lisette's celebrated storytelling vividly brings to life the powerful stories behind her reports.' - Mike McRoberts 'I woke up every day expecting to fall asleep in a different country. A blur of breaking news, airports, body armour, border crossings and bomb shelters. And wads of foreign cash. We were charging on adrenaline and there was no place we wouldn't have gone. Okay, except Russia. But only because the President's not my biggest fan. I didn't get paid danger money. I would have done it all for free.' A world away from the Waikato farm she grew up on, Lisette Reymer suddenly found herself reporting from one of the most dangerous places on earth. And she kept going back. Driven by a desire to tell people's stories, wherever they are; the right stories, not the easy ones - Lisette's time as Europe Correspondent coincided with some of the biggest global headlines in decades. From

inside Ukraine to the Queen's death, the war between Israel and Gaza, Donald Trump's indictment, the King's coronation, the region's deadliest natural disaster in a century, the Tokyo Olympics, the hunger crisis in Ethiopia and a revolving door of UK prime ministers; she has seen and done more in three years than many journalists do in a lifetime. This is a funny, brutally honest account of what it was really like to cover some of the most perilous and extraordinary moments in recent history. Take your seat. It's in the front row.
