

A Rose For Emily Short Story

Laurie G. Kirszner

A Rose for Emily William Faulkner, 2000

A Rose For Emily William Faulkner, 2013-03-19 Miss Emily Grierson is a newly departed spinster who led a mysterious life in relative isolation. Although regarded as a touch eccentric, it is only after her death, when a decidedly shocking discovery is found in her house, that the people of Jefferson, Yoknapatawapha County realize just how strange Emily's truly life was. Although primarily known for his novels, William Faulkner wrote in a variety of formats, including plays, poetry, essays, screenplays, and short stories, many of which are highly acclaimed and anthologized. Like his novels, many of Faulkner's short stories are set in fictional Yoknapatawapha County, a setting inspired by Lafayette County, where Faulkner spent most of his life. His first short story collection, *These 13* (1931), includes many of his most frequently anthologized stories, including *A Rose for Emily*, *Red Leaves* and *That Evening Sun*. HarperCollins brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperCollins short-stories collection to build your digital library.

A Rose for Emily Joseph Robinette, William Faulkner, 1983

A Rose for Emily William Faulkner, 1970

A Rose for Emily Faulkner William, 2022-02-08 The short tale *A Rose for Emily* was first published on April 30, 1930, by American author William Faulkner. This narrative is set in Faulkner's fictional city of Jefferson, Mississippi, in his fictional county of Yoknapatawpha County. It was the first time Faulkner's short tale had been published in a national magazine. Emily Grierson, an eccentric spinster, is the subject of *A Rose for Emily*. The peculiar circumstances of Emily's existence are described by a nameless narrator, as are her strange interactions with her father and her lover, Yankee road worker Homer Barron.

A Rose for Emily by William Faulkner William Faulkner, 1930-04 *A Rose for Emily* is a short story by American author William Faulkner, first published on April 30, 1930, in an issue of *The Forum*. The story takes place in Faulkner's fictional Jefferson, Mississippi, in the equally fictional county of Yoknapatawpha. It was Faulkner's first short story published in a national magazine. The story opens with a brief first-person account of the funeral of Emily Grierson, an elderly Southern woman whose funeral is the obligation of the town. It then proceeds in a non-linear fashion to the narrator's recollections of

Emily's archaic, and increasingly strange behavior throughout the years. Emily is a member of a family of the antebellum Southern aristocracy. After the Civil War, the family falls into hard times. She and her father were the last two survivors of that branch of the family. Emily's father refused to allow her to marry. Her father dies when Emily is about the age of 30, which takes her by surprise. For several days, she refuses to give up his corpse, insisting he is not dead. The townspeople write it off as her grieving process. They pity Emily for losing her father but also for his not having allowed her to marry. Emily depended heavily on her father, believing he would never leave her; he was all she had. After her father's death, the only person seen moving about Emily's home is Tobe, a black man serving as Emily's butler. He is frequently seen entering and exiting the house for groceries. Although the reclusive Emily did not have a strong relationship with the town she did give art lessons to young children until she was 40. She did so as she was running out of money. With the acceptance of her father's death Emily somewhat revives, even changing the style of her hair, and becomes friendly with Homer Barron, a laborer from the North who comes to town shortly after Mr. Grierson's death. The connection surprises some of the community while others are glad she is taking an interest. However, it is stated that Homer liked men, and it was known that he drank with younger men at the Elk's Club - that he was not a marrying man, which draws attention to Homer's sexuality but an exact conclusion cannot be drawn. Emily buys arsenic from the town's druggist but refuses to give a reason so he assumes it is to kill rats. Some townspeople are convinced that she will use it to poison herself. Emily's distant cousins are called into town by the minister's wife to supervise Miss Emily and Homer Barron. Emily is seen in town buying wedding presents for Homer, including a monogrammed toilet set. Homer leaves town for some time reputedly to give Emily a chance to get rid of her cousins, and returns three days later after the cousins have left. After he is observed entering Miss Emily's home one evening, Homer is never seen again, leading the townsfolk to believe he ran off.

William Faulkner Henry Claridge, 1999 This collection concentrates on earlier, less accessible material on Faulkner that will complement rather than duplicate existing library collections. Vol I: General Perspectives; Memories, Recollections and Interviews; Contemporary Political Opinion Vol II: Assessments on Individual Works: from Early Writings to As I Lay Dying Vol III: Assessments on Individual Works: from Sanctuary to Go Down Moses and Other Stories Vol IV: Assessments on Individual Works: from the Short Stories to The Reivers; Faulkner and the South; Faulkner and Race; Faulkner and the French.

The Aspect of Time in William Faulkner's Short Story A ROSE FOR EMILY Kerstin Gehmlich, 2007-01-27 Seminar paper from the year 2003 in the subject American Studies - Literature, grade: 1,0, University of Hamburg (Fachbereich Sprach-, Literatur- und Medienwissenschaft - Institut für Anglistik und Amerikanistik), course: Seminar II: Ethnicity in the Short Stories of William Faulkner, language: English, abstract: "The fact that I have moved my characters around in time successfully, at least in my own estimation, proves to me my theory that time is a fluid condition which has no existence except in the momentary avatars of individual people." William Faulkner. William Faulkner's "A Rose for Emily" is a very complex

and coherent short story. The story is set after Civil War in the southern town Jefferson, a town clinging to the Old South's values but adapting the eventual changes that the Reconstruction Era brings with it. The heroine Miss Emily Grierson is the last member of the old aristocratic Grierson family. When searching for "the" theme of the story, one is confronted with many possible solutions: the conflict between North and South, the conflict between the individual and the community, between men and women. No matter though, what the results are, one aspect cannot be ignored: it is the aspect of time, the conflict between the past and the present. There are many possibilities to approach this aspect. The tragedy that Faulkner describes involves the key issue of the passing of time and the related changes. I will show how the author makes it visible by exploring the significance of decay as a sign for passing time. Time itself suggests the presence of a past and a present. On this issue Faulkner presents two conflicting views within the story, which I will examine with a special interest on the view that Miss Emily inherits. In this paper I will also try to clarify the importance of the difference of the story line of events and the actual chronological order of the scenes of Miss Emily's life. Before examining the story, I will give an overview of the life and work of William Faulkner, followed by a note on influences on his fiction and the significance of his short stories.

A Reader's Guide to William Faulkner Edmond L. Volpe, 2004-06-01 This Reader's Guide is a companion to Edmond L. Volpe's Reader's Guide to William Faulkner: The Novels, the most complete guide to the novels of Faulkner and hailed by critics as a book to be read, studied, and returned to often.' The new Guide—the first comprehensive book of its kind—offers analyses of all Faulkner's short stories, published and unpublished, that were not incorporated into novels or turned into chapters of a novel. Each of the seventy-one stories receives separate and detailed appraisal. This exacting approach helps establish the relationship of the stories to the novels and underscores Faulkner's formidable skill as a writer of short fiction. Although Faulkner often spoke disparagingly of the short story form and claimed that he wrote stories for money—which he did—Edmond L. Volpe's study reveals that Faulkner could not resist the application of his incomparable creative imagination or his mastery of narrative structure and technique to this genre.

A Rose for Emily and Other Stories William Faulkner, 2012-04-18 Here is a classic collection from one of America's greatest authors. Though these short stories have universal appeal, they are intensely local in setting. With the exception of "Turn About," which derives from the time of the First World War, all these tales unfold in a small town in Mississippi, William Faulkner's birthplace and lifelong home. Some stories—such as "A Rose for Emily," "The Hound," and "That Evening Sun"—are famous, displaying an uncanny blend of the homely and the horrifying. But others, though less well known, are equally colorful and characteristic. The gently nostalgic "Delta Autumn" provides a striking contrast to "Dry September" and "Barn Burning," which are intensely dramatic. As the editor, Saxe Commins, states in his illuminating Foreword: "These eight stories reflect the deep love and loathing, the tenderness and contempt, the identification and repudiation William Faulkner has felt for the traditions and the way of life of his own portion of the world."

Fiction Laurie G. Kirsznier, 1993-09-23 Includes the fiction section from *Literature: Reading, Reacting, Writing* 2/e with three student papers and works by women, minority, non-Western and contemporary authors.

A Companion to the American Short Story Alfred Bendixen, James Nagel, 2020-08-24 A COMPANION TO THE AMERICAN SHORT STORY A Companion to the American Short Story traces the development of this versatile literary genre over the past two centuries. Written by leading critics in the field, and edited by two major scholars, it explores a wide range of writers, from Edgar Allen Poe and Edith Wharton, at the end of the nineteenth century to important modern writers such as Ernest Hemingway, William Faulkner, F. Scott Fitzgerald, and Richard Wright. Contributions with a broader focus address groups of multiethnic, Asian, and Jewish writers. Each chapter places the short story into context, focusing on the interaction of cultural forces and aesthetic principles. The Companion takes account of cutting edge approaches to literary studies and contributes to the ongoing redefinition of the American canon, embracing genres such as ghost and detective fiction, cycles of interrelated short fiction, and comic, social and political stories. The volume also reflects the diverse communities that have adopted this literary form and made it their own, featuring entries on a variety of feminist and multicultural traditions. This volume presents an important new consideration of the role of the short story in the literary history of American literature.

Critical Companion to William Faulkner A. Nicholas Fargnoli, Michael Golay, 2009 As I Lay Dying; Light in August; The Sound and the Fury; Absalom, Absalom!; The Bear; and many others.

The Chronology of William Faulkner's "A Rose for Emily" Davina Ruthmann, 2007-05-21 Seminar paper from the year 2005 in the subject American Studies - Literature, grade: 1,0, University of Wuppertal, course: Grundlagenseminar Amerikanische Literatur, language: English, abstract: "At the heart of the modernist aesthetic lay the conviction that the previously sustaining structures of human life, whether social, political, religious, or artistic, had been either destroyed or shown up as falsehoods or fantasies" (Norton 1814). Thus literary features such as sequence or unity turned out to be only "expressions of a desire for coherence". This "false order" had to be renovated to express the new interpretation of the world as a broken image. As a consequence, modernist literature abandons former traditional ideals. Instead of the tyranny of chronology, it is the construction out of fragments that now becomes a key formal characteristic. Without showing any linear sequence of events, Faulkner's narrative technique in "A Rose for Emily" mirrors exactly this modernistic ideal. By avoiding the chronological order of events, Faulkner gives the reader a puzzle consisting of fragments. Nevertheless, he gives hints that make it possible to put these fragments together and thus reconstruct the chronology of the life of Miss Emily Grierson. In order to find out "what dates are carved on [her] tombstone" (Moore 196) the reader has to become active which is a common attribute in modernist texts. "A chronology of 'A Rose for Emily'", as stated by McGlynn, "is useful for at least two reasons: it makes the plot more easily comprehensible, and it helps clarify the function of time in the story" (461).

The Short Story in English Neil Kalman Besner, David Staines, 1991 This anthology for university courses (general literature and also the short story) presents the short-story form through its classic texts in the English language. An unusual feature of the selection is that almost all of the thirty writers included are represented by two stories, which will permit in-depth comparisons of stories and stylistic analysis. Half the stories are by men, half by women, and one-third of the writers are Canadian.
