

A Nearly Normal Family Novel

Robert E. Fleming

A Nearly Normal Family M. T. Edvardsson, 2019-06-25 Now a Netflix Limited Series ...A compulsively readable tour de force. —The Wall Street Journal New York Times Book Review recommends M.T. Edvardsson's A Nearly Normal Family and lauds it as a "page-turner" that forces the reader to confront "the compromises we make with ourselves to be the people we believe our beloveds expect." (NYTimes Book Review Summer Reading Issue) M.T. Edvardsson's A Nearly Normal Family is a gripping legal thriller that forces the reader to consider: How far would you go to protect the ones you love? In this twisted narrative of love and murder, a horrific crime makes a seemingly normal family question everything they thought they knew about their life—and one another. Eighteen-year-old Stella Sandell stands accused of the brutal murder of a man almost fifteen years her senior. She is an ordinary teenager from an upstanding local family. What reason could she have to know a shady businessman, let alone to kill him? Stella's father, a pastor, and mother, a criminal defense attorney, find their moral compasses tested as they defend their daughter, while struggling to understand why she is a suspect. Told in an unusual three-part structure, A Nearly Normal Family asks the questions: How well do you know your own children? How far would you go to protect them?

You Be Mother Meg Mason, 2017-09-01 What do you do, when you find the perfect family, and it's not yours? A charming, funny and irresistible novel about families, friendship and tiny little white lies. The only thing Abi ever wanted was a proper family. So when she falls pregnant by an Australian exchange student in London, she cannot pack up her old life in Croydon fast enough, to start all over in Sydney and make her own family. It is not until she arrives, with three-week-old Jude in tow, that Abi realises Stu is not quite ready to be a father after all. And he is the only person she knows in this hot, dazzling, confusing city, where the job of making friends is turning out to be harder than she thought. That is, until she meets Phyllida, her wealthy, charming, imperious older neighbour, and they become almost like mother and daughter. If only Abi had not told Phil that teeny tiny small lie, the very first day they met... Imagine the warmth of Monica McInerney, the excruciating awkwardness of Offspring and the wit of Liane Moriarty, all rolled into one delightful, warm, funny and totally endearing novel about families – the ones we have, and the ones we want – and the stories we tell ourselves about them. 'Rare and delightful ... a beautifully crafted novel about female relationships. I couldn't put this book down.' Clare Press, Fashion Editor-at-large, Marie Claire 'You Be Mother is the kind of book you pick up...and never want to put down ... you will

fall in love with this book.' Lauren Sams, author of *She's Having Her Baby*
