

All The Yellow Suns

Xiang Xie

All the Yellow Suns Malavika Kannan, 2023-07-11 When a queer Indian American teenager is swept into a life of art, romance, and resistance, she must make up her own mind when it comes to identity, activism, and love in this story perfect for fans of Aristotle and Dante Discover the Secrets of the Universe. Sixteen-year-old Maya Krishnan is fiercely protective of her friends, immigrant community, and single mother, but she knows better than to rock the boat in her conservative Florida suburb. Her classmate Juneau Zale is the polar opposite: she's a wealthy white heartbreaker who won't think twice before capsizing that boat. When Juneau invites Maya to join the Pugilists—a secret society of artists, vandals, and mischief-makers who fight for justice at their school—Maya descends into the world of change-making and resistance. Soon, she and Juneau forge a friendship that inspires Maya to confront the challenges in her own life. But as their relationship grows romantic, painful, and twisted, Maya begins to suspect that there's a whole different person beneath Juneau's painted-on facade. Now Maya must learn to speak her truth in this mysterious, mixed-up world—even if it results in heartbreak. Between emotional threads of first love and identity, comes a powerful exploration of the crusade for social change within a divided community.
