**It's All One Case** Paul Nelson,Kevin Avery,2016-09-13 This is a prose series of unpublished interviews with, and a visual retrospective of, the seminal mid- to late-20th century literary crime writer. In 1976, critic Paul Nelson spent several weeks interviewing legendary detective writer Ross Macdonald, who elevated the form to a new literary level. "We talked about everything imaginable," Nelson wrote—including Macdonald's often meager beginnings; his dual citizenship; writers, painters, music, and movies he admired; *The Great Gatsby*, his favorite book; how he used symbolism to change detective writing; and more. This book, published in a handsome, oversized format, collects these unpublished interviews and is a visual history of Macdonald's professional career. It is illustrated with rare and select items from one of the world's largest private archives of Macdonald ephemera; reproduces, in full color, the covers of the various editions of Macdonald's more than two dozen books; collects facsimile reproductions of select pages from his manuscripts, as well as magazine spreads; and presents rare photos, many never before seen.
