*No Single Trajectory*, 2024-07-15 This book presents papers by eleven European scholars that explore the ambivalent representations of an American West that follows “no single trajectory, creating instead a series of lines and rhythms, always moving, crossing, and folding” (Neil Campbell). The papers explore the use of the American West as an ideal or a realistic setting in different cultural productions, ranging from music (“Sing-along Melodies of the West”) to film (“Western Images in Motion”) or comics (“Graphic Representations of the American West”), and including popular cultural fields like podcasts, fashion, and gastronomy (“Performing the West”).

Revive: The Series A. M. Wilson, 2017-05-27 When my boyfriend threw me down a flight of stairs, I knew there was only one place left to go—far, far away. I packed up my car and left everything I’d known for the nearly twenty-two years I’ve been alive. One hundred and fifty miles of highway separated me from the life I grew up with and the one I needed to find. The same day I secured a job in my new city, I met Elias. He was an enigma. A mystery. One that I wanted to uncover. One I didn’t know if I could trust. He pulled me in with adventure and the melodies of his guitar, but his secrets held me at a distance. He couldn’t tell me about what he did for a living, or why he took phone calls in a different room. Then my ex returned. Travis wove a sordid tale of danger; that he was only there to keep me safe from Elias. I never expected truth to be nestled in his lies. For the first time, grab the Revive Series in one boxed set. Redesigning Fate and the sequel Resurrecting Her PLUS the novella, His Deliverance. A very enjoyable ride of suspense that will have you flipping the pages from beginning to end. Twist by twist, turn by turn, Redesigning Fate is a brilliantly written tale full not only of intrigue, but also the challenges of letting go of the past and the uncertainty of experiencing a new love, all beautifully woven together to create the perfect story. - USA Today Bestselling Author L.B. Simmons I’m a massive lover of epilogues, & this one was phenomenal. - Sarah, Goodreads This book was full of happy times, action, drama, and absolutely heart-wrenching but I definitely recommend it. -Gail, Goodreads If you have not decided to take a chance on this series, then you are missing out. A.M. Wilson definitely knows how to give the readers a little bit of everything throughout the book. I cannot recommend this series enough! - She's a Lip Biter Blog Once again AM Wilson delivers an epic story. The continuation from Redesigning Fate

into Resurrecting her was unbelievable. This book had me on my toes from start to finish and I honestly could not put the book down. -Suzanne, Goodreads Topics Include: romantic suspense, dark themed romance books, anti-hero, alpha hero, dominant alpha male, dominant alpha male hero, protection, possessive, contemporary romance, broken heroine, kidnapping romance, vigilante justice, undercover, stalking ex boyfriend
