To Woman in Love Barry Long, 1995 Barry Long received many letters from women all around the world who had been touched or inspired by his teachings on love and sex. This intimate correspondence is featured in the book 'To Woman In Love'. Here you will find the spiritual advice he gave to individual women about their relationships with parents and children, and especially with the men in their lives. The heart of the book is Barry Long's challenge to women to always put love first - above everything else. We read their moving exchanges with the teacher, as they struggle with the guidance they are given, and then overcome their fear and self-doubt.

The Way In Barry Long, 2000 The Way In is an anthology of statements about the spiritual life, each one challenging preconceptions and responding to the hunger for real answers. It gives sound advice about false trails on the spiritual path and practical teachings for the Ways of Truth, Love, Stillness and Prayer. The section on the 'Way of Stillness' contains the text of the Audio Book 'Start Meditating Now'. 'The Way of Love' supports the teachings in Barry Long's best-seller 'Making Love : Sexual Love the Divine Way'. It is the best survey in one volume of all the practical aspects of Barry Long's teachings and recommended as an inspiration to anyone, whatever their spiritual background.

From Here to Reality Barry Long, 2015 These are the final writings of a spiritual master, his last endeavour to outline all he had to say about love, life, truth, death and God. Barry Long made a significant original contribution to the evolution of consciousness on earth. He was arguably the most radical teacher of the 20th Century. This book represents the culmination of his work. It's a testament to his revolutionary teachings. Barry Long knew he was dying. He set about writing down his last words on the main themes of his spiritual teaching. He wanted to leave behind a full account of what he considered to be his original contribution to the evolving consciousness on Earth. No one before him had been able to strip away spiritual traditions to reveal the universal truth with such boldness and practicality; with such contemporary relevance. No other teachers of his generation were quite so willing to take on the unhappiness of the human condition by dealing with personal intimate questions about relationships, and particularly sexual relations all without losing sight of the divine. No other enlightened teacher or master had seen into the cosmic scheme of things and at the same time been able to bring universal principles down to earth with such power and immediacy. Between the covers of this book you will find all he wanted us to hear about the human condition, the errors we make in ignorance of the truth of life; about love and its

transcendent power to change us; about the dismantling of the selfish body of unhappiness we carry around with us; about the cosmic scheme of all our lives, the purpose of death, the purpose of love, the purpose of life itself.

Meditation Barry Long,1995 A straightforward practical course of instruction in ten lessons. It takes you in easy stages from the basics to the point where you'll be able to practice on your own, knowing exactly what you are doing and why. The approach is relevant and contemporary.

Only Fear Dies Barry Long,1994 Eight essays presented in this text explain how and why unhappiness operates in us and the world at large, and says what we can do to lead a life of greater freedom.

My Life of Love and Truth Barry Long,2013 This posthumous autobiography tells the story of Barry Long's life from his early years in Australia to a career as a successful newspaper editor and then how successive spiritual crises and realizations made him into a spiritual master who changed the lives of thousands of people around the world. It is a candid and sometimes painfully honest account of transformation by love and the transcendental. Liberation or spiritual freedom is not gained by trying to be like everyone else. Liberation is to have the will, the power, the simplicity to be what you are from moment to moment, without pretence and without considering what you or others think you should be or should not be. Naked of being anything, you must stand, and stand alone.

Raising Children in Love, Justice and Truth Barry Long,1998 Can we just trust to love and hope that our children will turn out well? In this book, Barry Long argues that love alone is not enough and shows what it means to also bring spiritual truth and justice to family life. Based on conversations with parents, this is a compendium of advice and wisdom.

The Origins of Man and the Universe Barry Long,1984-01-01

Knowing Yourself Barry Long,1996 The way of self-knowledge is the discovery of what is not true or real. This book is a map of the false in us and a guide to the uncharted space where truth, beauty or God become the experience of life.

Making Love Barry Long,1998 Is your love-life heaven or hell? Where is God in the act of love? Divine love is not an elusive dream. With this program of tantric teaching, you can practice freedom from sexual unhappiness and obtain mutual joy in sexual union. Barry Long's western tantra is a step-by-step revelation to woman of what she knows love to be -- but so rarely and fleetingly embodies. It is a reeducation of male sexuality to make man more worthy of woman's love. Dealing frankly with common sexual problems, the author offers a practical, down-to-earth guide to the transcendent mystery of sexual union.
