Feminine Beauty Daisy Love, 2017-06-12 For women who want to live a more purposeful, miraculous and fulfilling life. Especially for younger women, to reach beyond personal goals, to realize the power of our inner beauty, and to overcome the limits society places on us. Beauty is always about confidence and feeling comfortable in your own skin. A Woman who is confident, feminine, has a good sense of style, takes care of herself physically and has a sense of humor is beautiful. A genuine smile is always beautiful because it means that the person is sincere. Smile and be beautiful.

A Journey of Hope Mary Connolly, 2024-02-12 The silence was shattered by a deep, thunderous man's voice. It sounded like it came from a place of great power. Commanding yet reassuring, it said, This is a message from God. You are my chosen one. You are going to do something extraordinary with your life. After hearing this voice, Bridget suffered a series of life-altering events that left her unable to perform simple, rote tasks, caused her to avoid all contact with everyone but her immediate family, and led to her being admitted to a psychiatric unit for two nights. Follow along to see how she embarks on her journey of healing, from seeing a psychiatrist and a therapist to finding the right balance of medication needed to get her back to where she was before hearing the voice. This book explains what bipolar disorder is, outlines medications that work to combat it, describes Bridget's journey with God, and talks about how the stigma of mental illness has been somewhat alleviated but that there is still work to be done. Bridget hopes the book brings comfort to people with mental illness and helps them feel less lonely. The book, hopefully, will provide peace and inspiration to others who are going along the same journey--a journey of hope.

A Twisted Style Maja Tabea Jerrentrup, 2021-05-14 In western cultures, some people have chosen a dreadlock hairstyle, despite many in mainstream society looking at it in a negative light. This book deals with contradictions surrounding the hairstyle such as often representing a protest against the prevailing right-wing political systems, yet also emphasizing the white person's power to appropriate any style. Based on interviews and close observations in social media, the book offers insights into the culture(s) surrounding dreadlocks and ultimately interprets the phenomenon as a postmodern form of individuality.

AfroSwedish Places of Belonging Nana Osei-Kofi, 2024-06-15 This is a work of cultural studies rooted in critical feminist thought that grapples with AfroSwedishness in relation to processes and experiences of racialization, imagination of self, and notions of belonging, agency, and kinship. Nana Osei-Kofi focuses on the function of diverse forms of critical cultural expressions, paying particular attention to their liberatory public pedagogical potential. Drawing from biographical narratives, documentary film, digital Black feminism, and queer organizing, Osei-Kofi offers insights into the embodied, affective, and experiential processes through which the formation of an emergent AfroSwedish coalitional identity is made possible. Through self-reflexive, structural, and community-based forms of exploration that resist binary oppositions, *AfroSwedish Places of Belonging* asks what the nomenclature of AfroSwede, AfroSwedish, and AfroSwedishness brings into being, what it makes possible, and what this means for Swedish society from both a historical and a contemporary perspective. This work brings together two identity categories that have historically been constructed as not only mutually exclusive but oppositional to detail the emergence of AfroSwedishness as a counterhegemonic and coalitional act. AfroSwedishness, Osei-Kofi argues, must be understood as a coalitional identity, one made legible through kinship-based community.

Local/Global Shakespeare and Advertising Márta Minier, Maria Elisa Montironi, Cristina Paravano, 2024-06-21 *Local/Global Shakespeare and Advertising* examines the local/ global and rhizomatic phenomenon of Shakespeare as advertised and Shakespeare as advertising. Starting from the importance and the awareness of advertising practices in the early modern period, the volume follows the evolution of the use of Shakespeare as a promotional catalyst up to the twenty-first

century. The volume considers the pervasiveness of Shakespeare's marketability in Anglophone and non-Anglophone cultures and its special engagement with creative and commercial industries. With its inter-and transdisciplinary perspective and its international scope, this book brings new insights into Shakespeare's selling power, Shakespeare as the object of advertising and Shakespeare as part of the advertising vehicle, in relation to a range of crucial cultural, ideological and political issues.

The Thiselton Companion to Christian Theology Anthony C. Thiselton,2015-02-06 Covering everything from Abba to Zwingli, The Thiselton Companion to Christian Theology offers a comprehensive account of a wide sweep of topics and thinkers in Christian theology. Written entirely by eminent scholar Anthony Thiselton, the book features a coherence lacking in most multiauthored volumes. Drawing on his encyclopedic knowledge, gained from fifty-plus years of study and teaching, Thiselton provides some six hundred articles on various aspects of theology throughout the centuries. The entries comprise both short descriptive surveys and longer essays of original assessment on central theological topics -- such as atonement, Christology, God, and Holy Spirit -- and on such theologians as Aquinas, Augustine, Barth, Calvin, Kng, Luther, Moltmann, and Pannenberg. The book also includes a helpful time chart dating all of the theologians discussed and highlighting key events in Christian history; select reading suggestions conclude each of the longer entries. Equally valuable for research and teaching, The Thiselton Companion to Christian Theology will be a go-to reference for pastors, students, teachers, and theologians everywhere.
