Everything You Always Wanted to Know About God (but were afraid to ask) Eric Metaxas, 2009-01-21 Who doesn't have questions about God? But where in the world can you go to get answers? Eric Metaxas has been there, so he gets it. Which is why he's written this shockingly down-to-earth book on the big questions everyone asks (but not always out loud). Totally conversational and sometimes flat-out hilarious, this book asks: * How can a good God create a world that has evil and suffering? * Is God anti-sex? * Doesn't science make God obsolete? * What's the real story on miracles? * If God is everywhere, why go to church? * Don't we already have God within us? * Isn't God too busy running the universe to care about the details of my day? These questions (and many more) get no-nonsense answers that don't hide behind dull theological language. So get the lowdown (and more than a few laughs) on what are probably the most important questions anyone has.

Everything You Always Wanted to Know About God Eric Metaxas, 2010-01-14 We all have questions about Jesus, but very few of us get the answers we're looking for—if the answers even exist! Do they? Where (in heaven's name) do you go to find out? New York Times bestselling author Eric Metaxas understands how hard it can be to get hard truths, and that's why he is writing this hilarious, entertaining guide to the most influential single Person to have ever lived on the face of the earth. Like his previous books in this style, *Everything You Always Wanted to Know About God* is a book that takes questions about the Son of God seriously enough to get silly- where appropriate. Metaxas covers questions about Jesus' life -Did He live at all?-, His death -If He truly was the Son of God, why did He have to die?-, His resurrection -Did Jesus really come back after death?-, and much more. Apologetics has never been so much fun!

God Made You Special / VeggieTales Eric Metaxas, 2011-09-13 Bob's red and round, and he bounces 'cause he has no feet. Madame Blueberry lives in a tree. What makes her special? She's as blue as can be. What about those French Peas? They speak with "zee accent." Tots will discover that it's okay to be different, because God made you special and he loves you very much. Through fun rhymes and humor, and some help from those lovable Veggies, little ones will realize that God makes everyone special!

Miracles Eric Metaxas, 2014-10-28 The #1 bestselling author of Bonhoeffer and Martin Luther explores miracles in an inspiring response to the "New Atheists" Not since C. S. Lewis in 1947 has an author of Eric Metaxas's stature undertaken a

major exploration of the phenomenon of miracles. In this groundbreaking work, Metaxas examines the compatibility between faith and science and provides well-documented anecdotal evidence of actual miracles. With compelling—sometimes electrifying—evidence that there is something real to be reckoned with, Metaxas offers a timely, civil, and thoughtful answer to recent books by Richard Dawkins, Christopher Hitchens, and Sam Harris. Already a New York Times bestseller, *Miracles* will be welcomed by both believers and skeptics—who will find their minds opening to the possibilities.

If You Can Keep It Eric Metaxas, 2016-06-14 #1 New York Times bestselling author Eric Metaxas delivers an extraordinary book that is part history and part rousing call to arms, steeped in a critical analysis of our founding fathers' original intentions for America. In 1787, when the Constitution was drafted, a woman asked Ben Franklin what the founders had given the American people. A republic, he shot back, if you can keep it. More than two centuries later, Metaxas examines what that means and how we are doing on that score. *If You Can Keep It* is at once a thrilling review of America's uniqueness—including our role as a nation of nations—and a chilling reminder that America's greatness cannot continue unless we embrace our own crucial role in living out what the founders entrusted to us. Metaxas explains that America is not a nation bounded by ethnic identity or geography, but rather by a radical and unprecedented idea, based on liberty and freedom for all. He cautions us that it's nearly past time we reconnect to that idea, or we may lose the very foundation of what made us exceptional in the first place.

Everything Else You Always Wanted to Know About God (But Were Afraid to Ask) Eric Metaxas, 2007-05-15 In his earlier book, Eric Metaxas tackled the questions people had always wanted to ask about God. His book was well-received, but Metaxas soon realized there was a long list of questions that still needed to be addressed. In *Everything Else You Always Wanted to Know about God...*, the author answers the rest—and some of the very best—of the questions that surface when God is the topic of conversation. Metaxas' s welcoming tone and his skillful use of humor lower readers' defenses. He presents biblical truth in the form of engaging answers that can't help but connect, whether the reader is an inquisitive skeptic, an open-minded agnostic, or even a new believer looking to get grounded in the basics of the Christian faith. No matter who is asking the questions, this sequel delivers the goods with disarming candor and biblical authority.

Squanto and the Miracle of Thanksgiving Eric Metaxas, 2012-08-27 Discover the amazing true story of how one Native American's suffering, generosity, and friendship led to the first Thanksgiving with the Pilgrims, by New York Times bestselling author Eric Metaxas. In 1608, traders came to Massachusetts, captured a Patuxet boy named Squanto, and sold him into slavery. He was later cared for by Christians, taught faith in God, and learned to speak English. Ten years after his capture, he returned to America and learned an epidemic had wiped out his entire village. Yet God had plans for Squanto. When the Pilgrims arrived at Plymouth Rock, Squanto had the ability to communicate with the new settlers. Imagine their surprise to find an indigenous man who spoke the same language as they did living in the exact place where they landed in a

strange new world. Because of Squanto's help translating, the Pilgrims and the Native Americans lived together in friendship and celebrated the first Thanksgiving. This beautifully illustrated picture book for children 6 to 10 tells the biography of Squanto, his journey to Europe and back, and his life-saving friendship to the new settlers at Plymouth; shows that God can bring good things out of bad circumstances; is the perfect blend of information and adventure; and is a great addition to a Thanksgiving celebration, Sunday School class, family story time, homeschool unit, or fall bedtime routine. Learn about the people at the first Thanksgiving and how God can work miracles around the world.

Life, God, and Other Small Topics Eric Metaxas,2012-09-25 Following the extraordinary success of the New York Times bestseller *Bonhoeffer*, Metaxas' latest book offers inspirational and intellectually rigorous thoughts about the great questions surrounding us all today.

Bonhoeffer Eric Metaxas,2011-08-29 Who better to face the greatest evil of the 20th century than a humble man of faith? As Adolf Hitler and the Nazis seduced a nation, bullied a continent, and attempted to exterminate the Jews of Europe, a small number of dissidents and saboteurs worked to dismantle the Third Reich from the inside. One of these was Dietrich Bonhoeffer, a pastor and author. In this New York Times bestselling biography, Eric Metaxas takes both strands of Bonhoeffer's life--the theologian and the spy--and draws them together to tell a searing story of incredible moral courage in the face of monstrous evil. In *Bonhoeffer*, Metaxas presents the fullest account of Bonhoeffer's life, including his: heart-wrenching decision to leave the safe haven of America to return to Hitler's Germany involvement in the famous Valkyrie plot and in Operation 7, the effort to smuggle Jews into neutral Switzerland lifelong dedication to sharing the tenets of his faith This edition, revised and with a new introduction from the author, shares the deeply moving story through previously unavailable documents, including personal letters, detailed journal entries, and firsthand personal accounts to reveal never-before-seen dimensions of Bonhoeffer's life and work. Praise for *Bonhoeffer*: Metaxas has created a biography of uncommon power--intelligent, moving, well researched, vividly written, and rich in implication for our own lives. Or to put it another way: Buy this book. Read it. Then buy another copy and give it to a person you love. It's that good. --Archbishop Charles Chaput, author, *First Things* Metaxas tells Bonhoeffer's story with passion and theological sophistication. —Wall Street Journal Metaxas presents Bonhoeffer as a clear-headed, deeply convicted Christian who submitted to no one and nothing

except God and his Word. --Christianity Today Metaxas has written a book that adds a new dimension to World War II, a new understanding of how evil can seize the soul of a nation and a man of faith can confront it. --Thomas Fleming, author, *The New Dealers' War*

Seven Women Eric Metaxas, 2016-04-12 A beautiful gift edition of this instant classic exclusively for graduates, with a special letter from Eric Metaxas to those entering the next phase of life's journey. What makes a great woman great? In *Seven Women*, New York Times bestselling author Eric Metaxas provides an answer by telling the captivating stories of seven women who changed the course of history and impacted the world in astonishing ways. Teenaged Joan of Arc heard God's command and led the French army to a mighty victory over the British. Susanna Wesley, the mother of nineteen children, gave the world its most significant evangelist and its greatest hymn-writer, her sons John and Charles. Corrie ten Boom risked her life to hide Dutch Jews from the Nazis in World War II and somehow survived the horrors of a concentration camp, but her greatest feat was her forgiveness of her tormentors years later. And Rosa Parks's God-given sense of justice and unshakable dignity helped launch the twentieth century's greatest social movement. *Seven Women* reveals how the extraordinary women profiled here achieved their greatness, inspiring readers to lives propelled by a call beyond themselves.

No Pressure, Mr. President! Eric Metaxas, 2012 Presents an annotated transcript of the author's speech at the sixtieth annual National Prayer Breakfast in which he rails against phony religiosity and urges readers to follow in the footsteps of those who practice a living faith in God.

Letter to the American Church Study Guide Eric Metaxas, 2023-03-23 The *Letter to the American Church Study Guide* serves as a companion workbook to the bestselling book by Eric Metaxas. In his thought-provoking work, Metaxas draws striking parallels between the failure of the German Church in the 1930s to oppose tyranny and injustice, urging the American Church to take action. However, answering this call to action may require venturing into unfamiliar terrain. To assist readers in taking their first steps, this study guide offers daily reflection questions and weekly discussion groups, facilitating engagement with the material. Each chapter summary provides a condensed overview, enhanced by a convenient word bank featuring key terms and concepts. Moreover, the guide concludes with a guided prayer for each chapter, inviting readers to humbly seek the Holy Spirit's guidance.

Seven Men Eric Metaxas, 2016-04-12 In *Seven Men*, New York Times bestselling author Eric Metaxas presents seven exquisitely crafted short portraits of widely known—but not well understood—Christian men, each of whom uniquely

showcases a commitment to live by certain virtues in the truth of the gospel. Written in a beautiful and engaging style, *Seven Men* addresses what it means (or should mean) to be a man today, at a time when media and popular culture present images of masculinity that are not the picture presented in Scripture and historic civil life. This book answers questions like: What does it take to be a true exemplar as a father, brother, husband, leader, coach, counselor, change agent, and wise man? What does it mean to stand for honesty, courage, and charity? And how can you stand especially at times when the culture and the world run counter to those values? Each of the seven biographies represents the life of a man who experienced the struggles and challenges to be strong in the face of forces and circumstances that would have destroyed the resolve of lesser men. Each of the seven men profiled—George Washington, William Wilberforce, Eric Liddell, Dietrich Bonhoeffer, Jackie Robinson, John Paul II, and Charles Colson—call the reader to a more elevated walk and lifestyle, one that embodies the gospel in the world around us.

Fish Out of Water Eric Metaxas, 2021-02-02 What Happens When One of America's Most Admired Biographers Writes His Own Biography? For Eric Metaxas, the answer is *Fish Out of Water: A Search for the Meaning of Life*—a poetic and sometimes hilarious memoir of his early years, in which the Queens-born son of Greek and German immigrants struggles to make sense of a world in which he never quite seems to fit. Renowned for his biographies of William Wilberforce, Dietrich Bonhoeffer, and Martin Luther, Metaxas is the author of five New York Times bestsellers, the witty host of the acclaimed *Socrates in the City* conversation series, and a nationally syndicated radio personality. But here he reveals a personal story few have heard, taking us from his mostly happy childhood—and riotous triumphs at Yale—to the nightmare of drifting toward a dark abyss of meaninglessness from which he barely escapes. Along the way he introduces us to an unforgettable troupe of picaresque characters who join this quintessentially first-generation American boy in what is both bildungsroman and odyssey—and which underscores just how funny, serious, happy, sad, and ultimately meaningful life can be.

Seven More Men Eric Metaxas, 2020-04-14 In this sequel to the enormously successful *Seven Men*, #1 New York Times bestselling author Eric Metaxas offers more captivating stories of some of the most inspiring men in history. Join Metaxas as he shares about the lives of seven more men who faced insurmountable struggles and challenges with victorious resolve. Heroes and role models have always been essential for inspiring our lives and shaping the world. But in the last few decades, the need for men of valor and integrity is more vital than ever. Metaxas restores a sense of the heroic in the compelling profiles of seven extraordinary men: Martin Luther, George Whitefield, General William Booth, George Washington Carver, Sergeant Alvin York, Alexander Solzhenitsyn, Billy Graham. Becoming acquainted with these seven heroes cannot fail to make your life immeasurably richer. Each man demonstrates particular qualities: the courage to surrender themselves to a higher purpose and the willingness to give away something dear to them for the good of others. With vitality and warmth, Metaxas draws electrifying insights for our daily lives from the inexhaustible richness of history. Inevitably inspiring, this anthology

reminds us that certain qualities are worthy of emulation--now more than ever. Praise for *Seven More Men*: God often uses nobodies from nowhere with nothing to offer but hearts fully surrendered to him and uses them to change the world. Metaxas once again magically and masterfully illustrates God's guiding hand in the lives of seemingly ordinary men to produce great men who use their gifts and opportunities to bring glory to God and to serve others. This book will deeply inspire you to diligently serve God with all your heart, no matter your life's current circumstances, knowing that he knows the plans he has for you. --Kirk Cameron, actor and producer

Great biographers do more than relay the facts of history; they acquaint us with its authors and inspire us to emulate them. In *Seven More Men*, Eric Metaxas uses seven short biographies and five hundred years as thread and canvas to produce a magnificent tapestry to not only inform your mind but inspire your heart. These unvarnished stories of faithful endurance, unwavering hope, and costly love are a must-read for our generation. --Christopher Yuan, speaker, Bible professor, and coauthor of *Out of a Far Country*

Seven Women International Edition Eric Metaxas, 2015-08 Collects biographical studies of seven important women in history whose successes sprang from their pursuit of God's calling, and who exemplify Christian womanhood.

Jack and the Beanstalk Eric Metaxas, Michael Palin, 1991 The beloved English folktale of adventurous Jack and the magical beanstalk is very nearly as merry and as old as England itself.

Bonhoeffer Abridged Eric Metaxas, 2014-10-07 From the New York Times best-selling author, Eric Metaxas, an abridged version of the groundbreaking biography of Dietrich Bonhoeffer, one of the greatest heroes of the twentieth century, a man who stood up to Hitler. A definitive, deeply moving narrative, *Bonhoeffer* is a story of moral courage in the face of monstrous evil. As Adolf Hitler and the Nazis seduced a nation, bullied a continent, and attempted to exterminate the Jews of Europe, a young pastor named Dietrich Bonhoeffer became one of the first to speak out against Hitler. In this compelling book, you will learn about: Bonhoeffer's life as a double agent who joined the plot to assassinate the Führer, His story of courage and determination to do the will of God Facts about Adolf Hitler and their plan to exterminate the Jewish population Bonhoeffer was hanged in the Flossenbürg concentration camp at age thirty-nine. Since his death, Bonhoeffer has grown to be one of the most fascinating, complex figures of the twentieth century. Bonhoeffer brings you face-to-face with a man determined to do the will of God radically, courageously, and joyfully—even to the point of death. It is the story of a life framed by a passion for truth and a commitment to justice on behalf of those who face implacable evil.
