Stanley Tookie Williams

Blue Rage, Black Redemption Stanley Tookie Williams, 2007-11-13 A gripping tale of personal revolution by a man who went from Crips cofounder to Nobel Peace Prize nominee, author, and anti-gang activist. When his LA neighborhood was threatened by gangbangers, Stanley Tookie Williams and a friend formed the Crips, but what began as protection became worse than the original gangs. From deadly street fights with their rivals to drive-by shootings and stealing cars, the Crips' influence—and Tookie's reputation—began to spread across LA. Soon he was regularly under police surveillance, and, as a result, was arrested often, though always released because the charges did not stick. But in 1981, Tookie was convicted of murdering four people and was sent to death row at San Quentin in Marin County, California. Tookie maintained his innocence and began to work in earnest to prevent others from following his path. Whether he was creating nationwide peace protocols, discouraging adolescents from joining gangs, or writing books, Tookie worked tirelessly for the rest of his life to end gang violence. Even after his death, his legacy continues, supported by such individuals as Archbishop Desmond Tutu, Snoop Dogg, Jesse Jackson, and many more. This posthumous edition of *Blue Rage, Black Redemption* features a foreword by Tavis Smiley and an epilogue by Barbara Becnel, which details not only the influence of Tookie's activism but also her eyewitness account of his December 2005 execution, and the inquest that followed. By turns frightening and enlightening, *Blue Rage, Black Redemption* is a testament to the strength of the human spirit and an invaluable lesson in how rage can be turned into redemption.

Life In Prison Stanley "Tookie" Williams, Barbara Cottman Becnel, 2001-02 Williams, the cofounder of the Crips gang and a nominee for both the Nobel Peace Prize and the Nobel Prize in Literature, became an anti-gang crusader before he was executed in December 2005. In this work he debunked urban myths about prison life and challenged young people to choose the right path. Selected for the Young Adult Library Services Association's Popular Paperbacks for Young Adults list.

African Americans and Criminal Justice Delores D. Jones-Brown,Beverly D. Frazier,Marvie Brooks,2014-07-15 Does justice exist for Blacks in America? This comprehensive compilation of essays documents the historical and contemporary impact of the law and criminal justice system on people of African ancestry in the United States. African Americans and Criminal Justice: An Encyclopedia comprises descriptive essays documenting the ways in which people of African descent have been victimized by oppressive laws enacted by local, state, and federal authorities in the United States. The entries also describe how Blacks became disproportionately represented in national crime statistics, largely through their efforts to resist legalized oppression in early American history, and present biographies of famous and infamous Black criminal suspects and victims throughout early American history and in contemporary times. Providing coverage of law and criminal justice practices from the precolonial period, including the introduction of African slaves, up to practices in modern-day America, this encyclopedia presents a frank and comprehensive view of how Americans of African descent have come to be viewed as synonymous with criminality. This book represents an essential learning resource for all American citizens, regardless of race or age.

Booktalking Nonfiction Jennifer Bromann-Bender,2013-12-20 Booktalking Nonfiction: 200 Sure-Fire Winners for Middle and High School Readers will provide an introduction to selecting and writing booktalks for nonfiction books with a focus on unique informational texts and biographies and autobiographies. A booktalk is a summary of a book presented in a way that would interest someone in reading the book described. Why non-fiction? Because the Common Core Standards Initiative, which most states have adopted, requires that 70% of the materials students read be from the category of informational texts it is especially important to focus on nonfiction when sharing books with students. Here's everything you need to do just that. Chapters cover selecting, writing, preparing, and presenting booktalks, special tips for high-interest, low-level books, and using non-fiction in the library and the classroom. Two hundred ready-to-present booktalks arranged by genre are also included. Genres include animals, famous people, sports, crime and serial killers, movies and television,

religion, war, history, and the supernatural.

Encyclopedia of Gangs Louis Kontos, David C. Brotherton, 2007-11-30 In light of Los Angeles' gang state of emergency, ethnic and minority gangs are arguably more high profile now than at any other time in our history. News media typically focus on the crime and violence associated with gangs, but not much else. This encyclopedia seeks to illuminate the world of gangs, including gang formations, routine gang activities, aberrations and current developments. One hundred essay entries related to gangs in the United States and worldwide provide a diffuse overview of the gang phenomenon. Each entry defines and explains the term, provides an historical overview, and explains its significance today. As the following entries demonstrate, gangs are part of the fabric of American society. They are not only in our communities but also our schools and other social institutions. Understanding the world of gangs is therefore needed to understand American society. Entries include: Bikers, Bloods, Cholas, Crips, gang mythology, gang warfare, graffiti, Hell's Angels, Hong Kong Triads, Latin Kings, law enforcement, occultic gangs, mafia, media, prison gangs, rites, Skinheads, Streetgang Terrorism Omnibus Prevention Act, tattoos, trafficking, Wanna-bes, West Side Story, Witness Protection programs, and youth gangs.

Gangs and Your Neighborhood Stanley Tookie Williams, 2008 Argues against joining gangs because such groups hurt people and neighborhoods.

Gender, Crime, and Justice Erin Katherine Krafft, Jo-Ann Della Giustina, Susan T. Krumholz, 2021-12-09 Gender, Crime, and Justice is a unique core textbook that introduces key concepts through case studies. Each chapter opens with a compelling case study that illustrates key concepts, followed by a narrative chapter that builds on the case study to introduce essential elements. Each chapter features pedagogical elements—learning objectives, key terms, review and study questions, and suggestions for further learning and exploration. In addition to the unique case study approach, this book is distinctive in its inclusion of LGBTQ experiences in crime, victimization, processing, and punishment. Gender, Crime, and Justice also addresses masculinity and the role it plays in defining offenders and victims, as well as challenges posed by the gender gap in offending.
