Simón Bolívar en el tiempo de crecer Roberto Lovera De-Sola, 2016-11-01 Alejándose de las grandes hazañas del prócer inmortal, Roberto Lovera De-Sola nos acerca al Bolívar niño, adolescente y adulto joven, época vital que modeló al futuro héroe como designio de sus propias circunstancias. A través de una profusa y bien seleccionada documentación, en la que destaca un importante contenido epistolar, el autor nos brinda el retrato de un Libertador poco trajinado por la historiografía habitual: desde el niño huérfano, sin figuras paternas bien definidas, pasando por el adolescente rebelde y el temprano dolor de su viudez, hasta el rapto decisivo y definitorio de su juramento en el Monte Sacro. Entretienen al lector,

además, las abundantes incidencias de los principales actores que rodearon al Padre de la Patria en sus primeros 25 años de fragua, indispensables todos para entender sus pulsiones. Simón Bolívar en el tiempo de crecer transita la senda del venezolano más universal durante su período de conocimiento, descubrimiento, ensayo, contacto con la gente y con las cosas, con los pueblos y culturas de otros países y con las grandes corrientes de pensamiento de su época. Son los años intensos, cargados de trascendencias íntimas, en los que se forjó el ideólogo, político y guerrero que luego habría de fulgurar en la historia.

Catálogo de errores y calumnias en la historia de Bolívar Vicente Lecuna,1956

Simón Bolívar John Lynch,2006-06-15 The “impeccably researched, uncommonly honest, and . . . very well written” biography of the nineteenth century Venezuelan military and political leader (Alvaro Vargas Llosa, New Republic). Simón Bolívar was a revolutionary who freed six South American countries from Spanish Imperial rule, an intellectual who argued the principles of national liberation, and a statesman who led the governments of Venezuela, Gran Colombia, Bolivia, and Peru. His life, passions, and battles were woven into Spanish American culture almost as soon as they happened. In the first major English-language biography of “The Liberator” in half a century, John Lynch draws on extensive research to understand Bolívar’s life in the context of his own society and times, and to explore his remarkable and enduring legacy. Simón Bolívar illuminates the man’s inner world, the dynamics of his leadership, his power to command, and his modes of ruling the diverse peoples of Spanish America. The key to his greatness, Lynch concludes, was his ability to inspire people to follow him beyond their immediate interests, in some cases through years of unrelenting struggle. Encompassing Bolívar’s entire life and his many accomplishments, this is the definitive account of a towering figure in the history of the Western hemisphere. “[A] masterly new biography.” —Noam Lupu, San Francisco Chronicle
