

Carta A Garcia

Juan José Lahuerta

Una Carta a García Elbert Hubbard, 2022-04-17 Esta obra también se la conoce como Un mensaje a García, Carta a García, La carta a García. En él, en primer término, relata brevemente la anécdota del soldado estadounidense Rowan, que es llamado para entregar de parte del presidente de Estados Unidos, un mensaje al jefe de los rebeldes, oculto en la sierra cubana, en el curso de la Guerra hispano-estadounidense a fines del siglo XIX. Hubbard resalta el hecho de que Rowan recibe el mensaje y se limita a entregarlo a pesar de que nadie le proporcionó información ni medios para encontrar a García, para lo cual Rowan recorre a pie la isla de Cuba de costa a costa. Ante esto, Hubbard propone por medio de otros varios ejemplos, que la aplicación para cumplir inmediatamente con la tarea encomendada, sin reticencias y sin vacilaciones, es el principal valor para conseguir el éxito, sobre todo en el trabajo, aún más que el talento o la erudición. Concluye sosteniendo que el mundo necesita «muchos Rowan» y que existen pendientes por entregar muchos «mensajes a García», en aplicación de la máxima «hacer bien lo que se tiene que hacer». De acuerdo con el lingüista Charles Earle Funk, «carta a García» ha sido usada en la cultura popular como una expresión que incita a realizar tareas difíciles. En general, es un escrito que destaca la importancia capital del compromiso y de la voluntad de ejecutar las tareas que uno asume en el trabajo y en la vida. Sin embargo, también existen personas que piensan que sobrevalora el poder de la autoridad y asume la sabiduría de aquellos que están arriba en la pirámide social. Sin embargo, investigaciones históricas precisan que, aunque inspirado por el hecho real, la mayor parte del relato es una recreación hiperbolizada de lo que realmente sucedió. Rowan en ningún momento tuvo que recorrer la isla a pie como se dice, sino que fue recibido en la ensenada de Mora por varias decenas de luchadores independentistas cubanos conocedores de las costas de la provincia oriental y de los territorios liberados. En sentido general, este ensayo se califica como un intento de minimizar la participación cubana en la llamada Guerra Hispano Cubana Norteamericana y al mismo tiempo presentar a los estadounidenses como libertadores de una isla que para ese entonces ya se encontraba prácticamente en poder de las fuerzas independentistas.

A Message to Garcia Elbert Hubbard, 2008-12-26 This tale of a soldier's self-reliance during the Spanish American War is history's greatest motivational lesson, now collected with Elbert Hubbard's most treasured inspirational works. *A Message to Garcia* touched so profound a chord in readers that, after its publication in 1899, it became one of the most widely read works in human history. *A Message to Garcia* tells the story of an American soldier charged with delivering a critical message

to a leader of Cuban rebel forces during the Spanish American War. In Hubbard's account, he delivered the urgent missive with no questions asked, no complaining, and no hedging. The enduring and almost unbelievably simple message of the essay is this: When asked to perform a task, don't ask How...? or Why...? or Wouldn't it be better if, /I . . . ? Just do it—and you will become more valued and respected than you ever imagined possible.

A Message to Garcia Elbert Hubbard, 2011-01-01 Reading and discussing Hubbard's small classic, *A Message to Garcia* should be a pre-requisite for anyone about to work anywhere for a boss. Much is written about leaders, and this book helps to fill the huge gap in what is written for and about followers. The few minutes it takes to read this book could change the rest of your life. I first read it back in 1985 and I re-read it frequently. Hubbard's inspiration for his preachment was an obscure but important event in the 1898 Spanish-American War. President McKinley needed someone to quickly deliver a message to an insurgent general somewhere in the jungles of Cuba. An army officer was recommended and McKinley personally handed the message to this officer with the mission to deliver the message to Garcia. This officer's unhesitating acceptance of his mission with no superfluous questions and his subsequent completion of the mission is Hubbard's definition of an invaluable subordinate. Hubbard's lessons of initiative (doing the right thing without being told) and loyalty to yourself, your boss, and your organization (doing the right thing when told only once) are timeless and well told. Hubbard spoke to all leaders and subordinates when he wrote, It is not book-learning young men need, nor instruction about this and that, but a stiffening of the vertebrae which will cause them to be loyal to a trust, to act promptly, concentrate their energies: do the thing - 'Carry a message to Garcia.'
