Urban Apologetics: Cults and Cultural Ideologies Eric Mason, 2023-06-20 We know that Urban isn't just a place but a culture now. Followers of Jesus face many challenges to their faith, among them the rising influence of contemporary cults, alternative theologies, and ethical issues that challenge traditionally held beliefs and practices. *Urban Apologetics: Cults and Cultural Ideologies*, is a follow-up to the bestselling *Urban Apologetics*, and it provides a guide to addressing these challenges with grace and wisdom. In addition, throughout the book are short essays by leaders in the church sharing their convictions on successful ministry and reflection on today's challenges in light of the past. This all-new volume addresses several of today's most-talked-about issues, including: Jehovah Witnesses The Prosperity Gospel Black Liberation theology LGBTQ+ Issues Critical Race Theory (CRT) White Nationalism Faith Deconstruction Edited by Dr. Eric Mason and featuring a top-notch lineup of contributors such as Anthony Bradley, Brandon Washington, and Thabiti Anyabwile, *Urban Apologetics: Cults and Cultural Ideologies* equips pastors, churches, and everyday believers to engage the most common ethical, biblical, and theological challenges faced by Christians and the church today.

THE SPOKEN WORD Zuriel Ann Murphy, Many struggle to live a victorious life as a result of their ignorance of the potency, which the Spoken Word carries. Challenges are made to be faced, but it is only revelation and incessant confession of God's Word that is capable of making any man triumphant. *The Spoken Word* is 365 days devotional, exploring all areas of life, and revealing the power of God to heal, transform, enrich and bless. This devotional is released by God in this season to satisfy the hunger of men, heal the broken hearted, liberate the captives, and empower the weak. Who would ever believe that the wisest man - Solomon, was born out of the erroneous affair of David and Bathsheba? In this case, the author recounts, "From the shells of total shame, and from the marrows of the utmost disgrace, God can still birth fame" When you think all is over, and when you have given up to an ill fate; God will start something fabulously new in your life.

The Word-faith Controversy Robert M. Bowman, 2001 A balanced, biblical examination of the word of faith movement that helps readers sort through the controversies and recognize sound scriptural teachings.

God's Creative Power Gift Collection Charles Capps, 2020-09-15 Your words create your future. The entire universe was created by God's spoken Word, and He has given similar creative power to the words you speak. The Bible is clear: your words carry power in both the natural and spiritual worlds. By speaking what God says about you, your faith-filled words can

change the circumstances in your life...

Stay Black and Die I. Augustus Durham,2023-11-17 In *Stay Black and Die*, I. Augustus Durham examines melancholy and genius in black culture, letters, and media from the nineteenth century to the contemporary moment. Drawing on psychoanalysis, affect theory, and black studies, Durham explores the black mother as both a lost object and a found subject often obscured when constituting a cultural legacy of genius across history. He analyzes the works of Frederick Douglass, Ralph Ellison, Marvin Gaye, Octavia E. Butler, and Kendrick Lamar to show how black cultural practices and aesthetics abstract and reveal the lost mother through performance. Whether attributing Douglass's intellect to his matrilineage, reading Gaye's falsetto singing voice as a move to interpolate black female vocality, or examining the women in Ellison's life who encouraged his aesthetic interests, Durham demonstrates that melancholy becomes the catalyst for genius and genius in turn is a signifier of the maternal. Using psychoanalysis to develop a theory of racial melancholy while "playing" with affect theory to investigate racial aesthetics, Durham theorizes the role of the feminine, especially the black maternal, in the production of black masculinist genius.
