Gangsta Vivian Blue, 2016-04-05 Every girl dreams of their life being exciting, except Caroline Angelica Shabazz, who's just getting used to living a normal life, due to her father's illegal activities. Now all grown up, Caroline comes home one day to a familiar feeling that she thought was over; a quiet house, a large manila envelope on the coffee table with her new identity, and a note telling her that she had to get out of the house before the FBI kicked in the door looking for her father. Caroline flees to California, but what she doesn't know, and will soon learn, is that her fate was sealed before her birth, and it was decided for her to wed Juan Carlos, a Colombian drug lord, as payment for a debt or else her family will die. But then Caroline becomes caught up in a dangerous love affair, with a man by the name of Hector, after Juan Carlos forbid her from seeing him. When things turn deadly, Caroline does what she knows best, run. Will Juan Carlos track Caroline down in St. Louis and drag her back to California to be his bride? Or, will she remain hidden in the hood under an assumed identity and continue to live as Kayla?

The Silent Child Jeanne Magagna, 2018-05-08 This book arose out of the need to work with emotionally regressed non-talking children who entered hospital in full retreat from the external world. It helps parents and professionals compassionately comprehend the child's difficulties in depending on someone to receive communication.

The Challenge Harold Begbie, 1911

Day and Night Stories Algernon Blackwood, 1917 Je suis la première au rendez-vous. Je vous attends. As he got out of the train at the little wayside station he remembered the conversation as if it had been yesterday, instead of fifteen years ago-and

his heart went thumping against his ribs so violently that he almost heard it. The original thrill came over him again with all its infinite yearning. He felt it as he had felt it then—not with that tragic lessening the interval had brought to each repetition of its memory. Here, in the familiar scenery of its birth, he realised with mingled pain and wonder that the subsequent years had not destroyed, but only dimmed it. The forgotten rapture flamed back with all the fierce beauty of its genesis, desire at white heat. And the shock of the abrupt discovery shattered time. Fifteen years became a negligible moment; the crowded experiences that had intervened seemed but a dream. The farewell scene, the conversation on the steamer's deck, were clear as of the day before. He saw the hand holding her big hat that fluttered in the wind, saw the flowers on the dress where the long coat was blown open a moment, recalled the face of a hurrying steward who had jostled them; he even heard the voices—his own and hers: [2] Yes, she said simply; I promise you. You have my word. I'll wait—Till I come back to find you,

The Beautiful Ones Silvia Moreno-Garcia,2021-04-27 From the New York Times bestselling author of Mexican Gothic comes a sweeping romance with a dash of magic. They are the Beautiful Ones, Loisail's most notable socialites, and this spring is Nina's chance to join their ranks, courtesy of her well-connected cousin and his calculating wife. But the Grand Season has just begun, and already Nina's debut has gone disastrously awry. She has always struggled to control her telekinesis—neighbors call her the Witch of Oldhouse—and the haphazard manifestations of her powers make her the subject of malicious gossip. When entertainer Hector Auvray arrives to town, Nina is dazzled. A telekinetic like her, he has traveled the world performing his talents for admiring audiences. He sees Nina not as a witch, but ripe with potential to master her power under his tutelage. With Hector's help, Nina's talent blossoms, as does her love for him. But great romances are for fairytales, and Hector is hiding a truth from Nina — and himself—that threatens to end their courtship before it truly begins. Silvia Moreno-Garcia's *The Beautiful Ones* is a charming tale of love and betrayal, and the struggle between conformity and passion, set in a world where scandal is a razor-sharp weapon. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Undaunted Tanya Biank,2014-02-04 As she did so provocatively with military spouses in *Army Wives*, Tanya Biank gives us the inside story of women in today's military—their professional and personal challenges from the combat zone to the

home front... Since 9/11, more than 240,000 women have fought in Iraq and Afghanistan—more than 140 have died there, and they currently make up fourteen percent of the total active-duty forces. Despite advances, today's servicewomen are constantly pressed to prove themselves, to overcome challenges men never face, and to put the military mission ahead of all other aspects of their lives, particularly marriage and motherhood. In this groundbreaking, insider's look at the women defending our nation, Tanya Biank brings to light the real issues—of femininity, belonging to an old boys' club, veiled discrimination, dating, marriage problems, separation from children, questions about life goals, career trajectories, and self-worth—that servicewomen are facing by focusing on four individual stories. Brigadier General Angela Salinas, the Marine Corps' first Hispanic female general, faces the challenge of commanding an all-male institution. Second Lieutenant Bergan Flanagan finds herself on the frontlines in Afghanistan, serving in the same military police company as her husband. As a marine drill instructor, Sergeant Amy Stokley demands the very best from the recruits at Parris Island. And Major Candice O'Brien deals with deployment to Afghanistan, with two young children and a strained marriage back home. Undaunted is the story of these courageous trailblazers—their struggles, sacrifices, and triumphs in the name of serving the country they love.

SOMANO MANO Education and Nature Folktales 1 Vickie Soman, 2007-12 Holy cow, this is a scary-looking fish he yelled. It is a northern snakehead. Instantly, we all stepped backward in shock. I felt like jumping in the water to get away from my unwanted catch. Crys Kaikara, a bright, young girl from a large, loving, and multicultural family, loves education and nature. Though she excels at almost everything, fishing is her first love. Her passion brings fame when she catches a slimy snakehead in the Potomac River. As she learns about the frightening-looking fish and how it found its way into the river, the catch sets a hook in her active, inquisitive mind. Often mistaken for a boy because of her unmatched talents, Crys uses her love of water and environmental protection to accomplish a secret mission. With the help of her teachers, family, and friends, Crys carefully plans her strategy. See what happens to the Chesapeake Bay and its main tributary, the Potomac River, as Crys unveils her scheme on a grand scale. From the The Potomac River Angel mystery series for teens, Soman Mano Education & Nature Folktales 1 addresses topics such as education, gender, heritage, and the environment in a sensitive, yet humorous way. Readers will delight in the storytelling, knowledge, and adventure skillfully intertwined in this first tale of the series.

New Stories from the South 2003 Shannon Ravenel,2003-07-01 Many famous writers later (James Lee Burke, Barbara Kingsolver, Larry Brown, Tony Earley, William Gay), Ravenel still combs through over one hundred journals and magazines, regional and national, large and small, in search of the most talented authors coming out of the South. She still tracks down the newest voices before their breakouts, collecting the best renditions of the short-story genre. New Stories from the South has become sine qua non in creative-writing classes, in Southern-literature classes, for any serious writer following the competition, and above all, for any lover of Southern literature. The stories in the eighteenth volume of NEW STORIES FROM THE SOUTH carry on that tradition. Among the eighteen writers making their mark in this year's volume are Michael Knight, Donald Hays, John Dufresne, ZZ Packer, and Chris Offutt. This year's preface is by the preeminent Southern humorist and NPR regular Roy Blount, Jr. Each story is followed by the author's note about its origin. Readers will also find an updated list of magazines consulted by the editor, and a complete list of all the stories selected each year since the series' inception.
