Delilah Green Doesn't Care Ashley Herring Blake, 2022-02-22 A clever and steamy queer romantic comedy about taking chances and accepting love—with all its complications—from the author of *Astrid Parker Doesn't Fail*. Delilah Green swore she would never go back to Bright Falls—nothing is there for her but memories of a lonely childhood where she was little more than a burden to her cold and distant stepfamily. Her life is in New York, with her photography career finally gaining steam and her bed never empty. Sure, it's a different woman every night, but that's just fine with her. When Delilah's estranged stepsister, Astrid, pressures her into photographing her wedding with a guilt trip and a five-figure check, Delilah finds herself back in the godforsaken town that she used to call home. She plans to breeze in and out, but then she sees Claire Sutherland, one of Astrid's stuck-up besties, and decides that maybe there's some fun (and a little retribution) to be had in Bright Falls, after all. Having raised her eleven-year-old daughter mostly on her own while dealing with her unreliable ex and running a bookstore, Claire Sutherland depends upon a life without surprises. And Delilah Green is an unwelcome surprise...at first. Though they've known each other for years, they don't really know each other—so Claire is unsettled when Delilah figures out exactly what buttons to push. When they're forced together during a gauntlet of wedding preparations—including a plot to save Astrid from her horrible fiancé—Claire isn't sure she has the strength to resist Delilah's charms. Even worse, she's starting to think she doesn't want to...

Bright Falls Series, 3 Books Collection Set, Delilah Green Doesn't Care, Astrid Parker Doesn't Fail, Iris Kelly Doesn't Date, by Ashley Herring Blake Ashley Herring Blake, 2023-10-24

Astrid Parker Doesn't Fail Ashley Herring Blake, 2022-11-22 An interior designer who is never without the perfect plan learns to renovate her love life without one in this new romantic comedy by Ashley Herring Blake, author of *Delilah Green Doesn't Care*. For Astrid Parker, failure is unacceptable. Ever since she broke up with her fiancé a year ago, she's been focused on her career—her friends might say she's obsessed, but she knows she's just driven. When Pru Everwood asks her to be the designer for the Everwood Inn's renovation, which will be featured on a popular HGTV show, *Innside America*, Astrid is thrilled. Not only will the project distract her from her failed engagement and help her struggling business, but her perpetually displeased mother might finally give her a nod of approval. However, Astrid never planned on Jordan Everwood, Pru's granddaughter and the lead carpenter for the renovation, who despises every modern design decision Astrid makes. Jordan is determined to preserve the history of her family's inn, particularly as the rest of her life is in shambles. When that determination turns into some light sabotage to ruffle Astrid's perfect little feathers, the showrunners ask them to play up the tension. But somewhere along the way, their dislike for each other evolves into something quite different, and Astrid must decide what success truly means. Is she going to pursue the life that she's expected to lead or the one that she wants?

Iris Kelly Doesn't Date Ashley Herring Blake, 2023-10-24 A fake relationship after a horrible one-night stand is anything but an act in this witty and heartfelt new romantic comedy by Ashley Herring Blake. Everyone around Iris Kelly is in love. Her best friends are all coupled up, her siblings have partners that are perfect for them, and her parents are still blissfully married. And she's happy for all of them, truly. Iris doesn't want any of that—dating, love, romance. She'll stick to her commitment-free hookups, thanks very much, except no one in her life will just let her be. Everyone wants to see her settled down, but she holds firmly to her no dating rule. There's only one problem—Iris is a romance author facing an imminent deadline for her second book, and she's completely out of ideas. Perfectly happy to ignore her problems as per usual, Iris goes to a bar in Portland and meets a sexy stranger, Stefania, and a night of dancing and making out turns into the worst one-night stand Iris has had in her life. To get her mind off everything, Iris tries out for the lead role in a local play, a queer retelling of *Much Ado About Nothing*, but comes face-to-face with Stefania, whose real name turns out to be Stevie. Desperate to save face in front of her friends, Stevie asks Iris to play along as her girlfriend. Iris is shocked, but when she realizes the arrangement might provide her with some much-needed romantic content for her book, she agrees. As the two

women play the part of a happy couple, lines start to blur, and they're left wondering who will make the real first move....

Delilah Green Doesn't Care Ashley Herring Blake, 2022 En romantisk komedie om at tage chancer og acceptere kærligheden - med alle dens komplikationer. Delilah Green svor, at hun aldrig ville vende tilbage til Bright Falls - byen vækker kun minder om hendes ensomme barndom. Delilahs liv er i New York, hvor fotokarrieren endelig går godt, og hendes seng aldrig er tom. Selvfølgelig er det en ny kvinde hver aften, men det er helt fint med hende. Da Delilahs fremmedgjorte stedsøster, Astrid, presser Delilah til at fotografere sit bryllup, befinder hun sig tilbage i den gudsforladte by, som hun plejede at kalde hjem. Planen er at få jobbet hurtigt overstået, men så ser hun Claire Sutherland, en af Astrids bedste veninder, og beslutter sig for, at der måske trods alt er noget sjov (og lidt gengældelse) at få i Bright Falls

Dream On, Ramona Riley Ashley Herring Blake, 2025-05-13 A small-town waitress and a Hollywood star's worlds collide in this new romance by Ashley Herring Blake, USA Today bestselling author of *Iris Kelly Doesn't Date*. Once upon a time, Ramona Riley was a student at a prestigious art school, with dreams of landing in Hollywood as a costume designer to the stars. But after her father's car accident, she had to quit and return to her small New Hampshire town, Clover Lake, to help take care of her younger sister. Twelve years later, Ramona is still working at the town's café, all but given up on her dream. But when a big-budget romantic comedy comes to Clover Lake to film, she wonders if this could be her chance. There's only one problem—Dylan Monroe, her first kiss and Hollywood's favorite wild child—is the star. Dylan Monroe has always lived an unconventional life, having famous rock icons for parents. But she wants to prove that she's not some chaotic, talentless nepo baby, that she has actual skills, that she's just a normal person. To do that, Dylan takes on a project at a charming lake town—she even works at the town's café (very quaint), shadowing a local waitress there (very cute), and asks her to take Dylan around to do Normal People Things. But Dylan soon realizes it's not just some small-town waitress she's getting to know—Ramona Riley is someone she's met before, someone who remembers her even more vividly. Before long, however, reality hits them, and both women must decide if the spark between them can fan the flames of their individual dreams, or if it will extinguish their light.

Girl Next Door Rachel Meredith, 2025-09-09 "Girl Next Door is everything I love. Complex characters, a prickly love interest, secrets, yearning, questionable decisions, and that glorious HEA. A tender, funny, sexy novel." — Ashley Herring Blake, author of *Delilah Green Doesn't Care* In this charming debut rom-com, a young freelancer returns to her suburban hometown to uncover why her childhood next door neighbor's bestselling book appears to be an epic love story about the two of them. When MC Calloway's best friend Joe, an editor at the notorious gossip website *Jawbreaker*, calls her in for an emergency meeting, MC is unprepared for how frantic he is. But when he shows her a copy of *Girl Next Door*, the steamy, bestselling rom-com taking the literary world by storm, written under a pen name, points to one of the women on the front

cover, and says, “that's you,” its MC who begins to panic. Joe is convinced that the author is Nora Pike, MC's prickly, childhood next-door neighbor, and their former high school classmate – and MC knows he's right, since the book describes actual events that happened their senior year, down to the tiniest details. But in the book, the characters based on MC and Nora are desperately in love, rather than the awkward acquaintances MC remembers being in real life. Joe begs MC to go home undercover and get the scoop on Nora. That's the last thing MC wants to do, especially for an assignment that seems morally dubious at best, but she reluctantly agrees, knowing Joe is desperate to break a big story. Crashing in her childhood home with her older brother Conrad (now married to MC's secret high school crush, Gabby), MC begins untangling truth from fiction, trying to get close to Nora, who is just as hot and prickly as ever – and now suspicious of MC to boot. But the more involved she gets with Nora, the more it becomes clear they're both hiding secrets . . . and MC realizes she might be in over her head. Perfect for readers of *Delilah Green Doesn't Care* and *Book Lovers*, *Girl Next Door* is a delicious debut brimming with romance, humor, and heart.

Elle adore sa vie à New-York, où sa carrière prend son envol et où elle enchaîne les conquêtes sans engagement. Cependant, lorsque sa demi-soeur lui demande de photographier son mariage, Delilah est obligée de revenir dans sa ville natale. A peine arrivée, Delilah recroise Claire et même si elles se connaissent depuis leur jeunesse, elles ont toujours eu beaucoup de préjugés l'une envers l'autre, tant leurs différences semblent marquées. Claire mène une vie bien ordonnée, jonglant entre sa fille, son ex-petit ami insupportable et sa librairie, sans place pour l'imprévu. Toutefois, face à l'audace et au charme de Delilah, les certitudes de la jeune femme vacillent peu à peu. Lui résister semble soudain compliqué... Et au fond, elle n'est plus sûre d'en avoir envie.

I'll Get Back to You Becca Grischow, 2024-09-17 "Full of humor and tenderness...a cozy, sexy romance. –Ashley Herring Blake, author of *Delilah Green Doesn't Care* A charming home run of a queer holiday romance where two former classmates' plan to fake-date their way to freedom goes immediately awry—but, perhaps, exactly the way they need it to Murphy was supposed to be settling into her junior year at the University of Illinois with her best friend, Kat. Instead, she's stuck in a hellish suburban holding pattern: living with her parents, failing the same class that kept her from graduating the first time around, and making minimum wage at the same coffee shop she's worked at since she was sixteen. It doesn't help that the dating pool for a twenty-one-year-old lesbian in the tiny town of Geneva, Illinois, is anemic at best. When her and Kat's long-awaited reunion is plagued by stuttering conversation and uninvited guests, Murphy's resentment threatens to boil over. That is, until a miracle appears in the form of Ellie Meyers, a former classmate who is way cuter and not nearly as straight as Murphy remembers. Their heavy flirting holds the promise of something more... until Murphy learns that Ellie's mom is the very professor preparing to flunk Murphy for a second semester in a row. Talk about killing the vibe. Romance might be off the table, but Ellie could be Murphy's key to getting into Professor Meyers' good graces and finally getting out of Geneva. And Murphy—well-versed in defying parental expectations—might be Ellie's chance to get her mother onboard with her own dreams. Together, they hatch a plot: fake a relationship for a holiday weekend at the Meyers' house. If everything goes according to plan, Ellie will be living her dream halfway across the country, and Murphy will finally be able to graduate community college and start her life in earnest. So, the fact that Murphy can't stop thinking about Ellie's lips on hers isn't relevant. It's just a part played well. Right? A story about opening your heart to possibility, *I'll Get Back To You* is a giddy love letter to anyone in need of a bit of bravery to step up to the plate—and to the unending process of finding yourself.
