

Delito De Propia Mano

Luis Jiménez de Asúa

Delitos propios de los funcionarios públicos Marco Antonio Terragni, 2003

Etapas de Ejecucion Del Delito Autoria Y Participacion Mario Garrido Montt,

El denominado "delito de propia mano" Javier Sánchez-Vera Gómez-Trelles, Enrique Bacigalupo Zapater, 2004

Delincuencia en materia de tráfico y seguridad vial Lorenzo Morillas Cueva, 2007-05-29 El libro es fruto del trabajo realizado durante varios años por un grupo de investigadores. Delitos contra la seguridad del tráfico: análisis dogmático, criminológico y político criminal. El libro está dividido en capítulos que corresponden a unidades temáticas: introducción y parte general, delitos imprudentes de homicidio o lesiones relacionados con la seguridad vial, omisión del deber de socorro, delitos contra la seguridad del tráfico, valoración político-criminal, contenidos criminológicos, responsabilidad civil, procedimiento.

El tipo de injusto del delito de abandono del lugar del accidente Ma Belén Sánchez Domingo, 2024-12-31 Esta obra aborda el análisis del delito de abandono del lugar del accidente del artículo 382 bis CP, delito introducido por la LO 2/2019, de 1 marzo. La regulación de este delito en el actual Código penal no está exenta de polémica, en especial por la similitud que ofrece con el delito de omisión del deber de socorro del artículo 195.3 CP. La presente obra ahonda en esta cuestión, con la finalidad de establecer criterios de distinción entre ambos delitos. Asimismo, quedan reflejados los problemas dogmáticos que plantea el delito de abandono del lugar del accidente, al ser muchos los aspectos controvertidos al respecto. Motivo por el cual se lleva a cabo un minucioso y pormenorizado análisis de su contenido, exponiendo los motivos que han llevado al legislador a su tipificación. Todo ello desde una posición crítica, llegando a la conclusión de la innecesariedad de dicho precepto en el Código penal.

Imputables e inimputables Sergio Vela Treviño, 2021-02-17 “Vela Treviño es la voz más autorizada en México en lo concerniente a la imputabilidad e inimputabilidad”. Rubén Quintino Zepeda “Sergio Vela Treviño dejó escrito y completamente terminado, antes de partir, su último libro: Imputables e inimputables. Su contenido sigue teniendo actualidad. Sobre todo, para quienes se inclinan por las ideas penales, afianzadas en un causalismo valorativo”. Rodolfo Félix Cárdenas “Con admirable capacidad crítica, el autor se propuso analizar, con detenimiento, cada uno de los diversos elementos del delito”. Sergio Vela Martínez

Desarrollos actuales de las ciencias criminales en Alemania Kai Ambos, Laura María Böhm, John Zuluaga, 2016 En este libro presentamos los textos cuya autoría pertenece a quienes han ofrecido módulos temáticos o clases magistrales en la Segunda y en la Tercera Escuela de Verano desarrollada por el Centro de Estudios de Derecho Penal y Procesal Penal Latinoamericano (CEDPAL) de la Georg-August-Universität Göttingen. Los aportes se han agrupado de acuerdo a dos únicas categorías: En la primera parte, titulada Ciencias criminales en y desde Alemania, se ubican textos escritos desde la teoría, normativa y jurisprudencia alemanas, dedicados específicamente a problemáticas de este contexto. En la segunda parte, denominada Ciencias criminales: diálogos entre Alemania y el resto del mundo, se agrupan aquellos trabajos en los que las ciencias criminales si bien son trabajadas desde el contexto alemán tienen por objeto las interrelaciones culturales e internacionales y el diálogo entre distintas tradiciones jurídico-penales. Finalmente, se destacan dos breves homenajes dedicados a los Profesores Winfried Hassemer y Horst Schüler-Springorum. Tanto la compilación presentada, como la estructura a partir de la cual se desarrolla la misma, reflejan de forma certera el espíritu de la Escuela de Verano, pensada tanto para difundir el estado actual de las ciencias criminales alemanas, como para construir un puente de intercambio y apertura académica con juristas hispano- y lusoparlantes. En este libro presentamos los textos cuya autoría pertenece a quienes han ofrecido módulos temáticos o clases magistrales en la Segunda y en la Tercera Escuela de Verano desarrollada por el Centro de Estudios de Derecho Penal y Procesal Penal Latinoamericano (CEDPAL) de la Georg-August-Universität Göttingen. Los aportes se han agrupado de acuerdo a dos únicas categorías: En la primera parte, titulada Ciencias criminales en y desde Alemania, se ubican textos escritos desde la teoría, normativa y jurisprudencia alemanas, dedicados específicamente a problemáticas de este contexto. En la segunda parte, denominada Ciencias criminales: diálogos entre Alemania y el resto del mundo, se agrupan aquellos trabajos en los que las ciencias criminales si bien son trabajadas desde el contexto alemán tienen por objeto las interrelaciones culturales e internacionales y el diálogo entre distintas tradiciones jurídico-penales. Finalmente, se destacan dos br ...

El delito de conducción de vehículos a motor o ciclomotores sin licencia administrativa cometido por menores de edad. David Lorenzo Morillas Fernández, 2018-05-21 La presente obra recoge los resultados obtenidos por el Proyecto de Investigación [Nuevas propuestas político-criminales para el delito de conducción sin licencia administrativa de vehículos a motor o ciclomotores cometidos por menores de edad], financiado por la Dirección General de Tráfico (Ministerio del Interior). Las líneas de investigación desarrolladas y presentadas pueden delimitarse en tres ámbitos: A) Un exhaustivo y detallado análisis del artículo 384 del Código Penal, trasladándolo al ámbito de los menores de edad, siendo objeto de un particular análisis dogmático y jurisprudencial la evolución del delito; la identificación del bien jurídico protegido; la doble incriminación de la conducta, vía penal o administrativa; las distintas modalidades comisivas y su concurrencia práctica; el grado de culpabilidad necesario; la responsabilidad penal de otras personas participantes en el hecho criminal; medidas

imponibles; concurso de delitos vs concurso de infracciones; reincidencia; simulación del delito como forma de encubrimiento; el vehículo a motor como instrumento del delito y el procedimiento de menores.B) Estudio empírico realizado sobre una muestra de 100 resoluciones judiciales dictadas en los juzgados de Menores de Almería, Granada, Jaén y Murcia en el año 2017 por delito de conducción sin licencia administrativa de vehículos a motor o ciclomotores cometido por menores. Entre otras variables analizadas destacan: edad, sexo, nacionalidad, nivel educativo, trabajo, presencia de enfermedad mental, modalidad comisiva particular, consumo de alcohol/drogas, características del vehículo empleado, titularidad, procedimiento de la detección del delito, medida aplicable al menor, antecedentes penales ().C) Estudio de Derecho Comparado. Se han analizado las legislaciones italiana, francesa y británica con el propósito de conocer otros modelos incriminatorios y poder exportar nuevas propuesta político-criminales a nuestro ordenamiento jurídico.

El denominado "delito de propia mano" Javier Sánchez-Vera Gómez-Trelles,2004

Responsabilidad penal y negocios estándar Mónica de la Cuerda Martín,2023-05-01 El núcleo central de trabajo que aquí se presenta se corresponde con la teoría de los actos neutrales y su traslación al campo del Derecho penal económico, específicamente, a dos de los delitos que, dotados de sesgo económico, son más paradigmáticos, esto es, el fraude fiscal (art. 305 CP) y el blanqueo de capitales (art. 301 CP), analizando sus características a través de la intervención en éstos de dos operadores jurídicos de suma importancia como son el asesor fiscal y el abogado. Con ello se pretende ofrecer una respuesta lo más clara y concisa posible a la siguiente pregunta: ¿pueden estos profesionales realizar comportamientos de contribución delictiva al delito de un tercero que se sitúen dentro de la esfera del riesgo permitido, esto es, que sean neutrales realizando así un negocio estándar? El abordaje de este interrogante requiere de un análisis que vaya desde las premisas más básicas y específicas de nuestro modelo de intervención delictiva, hasta los elementos más propios y estructurales de la atribución de la responsabilidad penal en ambos tipos penales. Pasando por un fuerte cuestionamiento de qué son, cuál es su alcance y cómo se fundamentan, en sí mismos, los comportamientos neutrales. Así, se propone la elaboración de un juicio de neutralidad que pretende alzarse como una reformulación de la teoría de la imputación objetiva desde una perspectiva intersubjetiva. Esta teoría marco se construirá sobre el reconocimiento de una dualidad de componentes (objetivo y subjetivo), y su finalidad última será de carácter bidireccional, identificándose así con un posicionamiento que permita tanto justificar la exención de responsabilidad penal de los operadores jurídicos, como su castigo. Con ello se pretenderá otorgar una mayor argumentación y coherencia a la valoración de la neutralidad del comportamiento y, en última instancia, al límite mínimo de la intervención punible, siempre desde el prisma de la responsabilidad penal individual. Delito De Propia Mano Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Delito

De Propia Mano PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire

library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Delito De Propia Mano PDF books and manuals is convenient and cost-effective, it is vital to respect

copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Delito De Propia Mano free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Delito De Propia Mano Books

1. Where can I buy Delito De Propia Mano books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
