

Die Arbeitslosen Von Marienthal

Marie Jahoda,Hans Zeisel

Die Arbeitslosen von Marienthal ,2008

Lesetagebuch zu "Die Arbeitslosen von Marienthal" ,2024-08-20 Studienarbeit aus dem Jahr 2023 im Fachbereich Kulturwissenschaften - Allgemeines und Begriffe, Note: 1,0, Technische Universität Chemnitz (Philosophische Fakultät), Veranstaltung: Lektürekurs, Sprache: Deutsch, Abstract: Diese Arbeit beschäftigt sich mit der Studie Die Arbeitslosen von Marienthal von Marie Jahoda, Hans Zeisel und Paul Lazarsfeld. Die Arbeit in Form eines Lesetagebuchs fasst die wichtigsten Argumente und Thesen der Studie zusammen und gibt damit einen Überblick. Außerdem wird die Studie in den wissenschaftlichen Kontext eingebettet und kritisch betrachtet. Bei der Studie handelt es sich um eine empirische Untersuchung, welche 1933 veröffentlicht wurde, über ein überwiegend erwerbsloses Dorf namens Marienthal. Das Dorf war stark von der Wirtschaftskrise 1931-1932 geprägt, was zu einer hohen Arbeitslosigkeit führte. Das Ziel der Studie war es, ein Bild von der psychologischen und sozialen Situation zu gewinnen.

Die Arbeitslosen von Marienthal Marie Jahoda,Hans Zeisl,Österreichische Wirtschaftspsychologische Forschungsstelle,1933

Marienthal Marie Jahoda,Hans Zeisel, The study on which Marienthal is based was conducted in 1930 in Austria, at the time of a depression that was worse than anything experienced in the United States. But the substantive problem is still very much with us, although our focus is now poverty rather than unemployment. In Austria, the institutional response to mass unemployment was the dole. Unlike the work relief programs of the New Deal, the dole system left workers destitute and idle. The essential finding of this research is that when people are deprived of work, there is a breakdown in the personality structure of a group. Marienthal represents a colossal breakthrough in social research. It provides a combination of quantification and interpretive analysis of qualitative material - an approach that remains in the forefront of present-day research design. The work combines statistical data at hand, case studies, information on historical background of those being studied, and questionnaires combined with solicited reports that enhance a sense of daily life without intrusion by investigators. The work provides a unique insight into how creative innovations can assist in overcoming collective deprivations.

Rezension zur empirischen Studie "Die Arbeitslosen von Marienthal" ,2024-08-21 Rezension / Literaturbericht aus

dem Jahr 2023 im Fachbereich Kulturwissenschaften - Allgemeines und Begriffe, Note: 1,0, Technische Universität Chemnitz (Philosophische Fakultät), Veranstaltung: Lektürekurs, Sprache: Deutsch, Abstract: Diese Rezension bietet eine umfassende Analyse von *Die Arbeitslosen von Marienthal*, einer klassischen soziologischen Studie von Marie Jahoda, Paul Lazarsfeld und Hans Zeisel. Die Rezension beleuchtet die historischen und politischen Hintergründe der Studie, die im Kontext der Weltwirtschaftskrise in den 1930er-Jahren durchgeführt wurde. Besondere Aufmerksamkeit wird auf die methodische Herangehensweise der Forscher und ihre innovative Kombination von quantitativen und qualitativen Methoden gelegt. Die Rezension diskutiert sowohl die Stärken der Studie, wie ihre Pionierarbeit in der sozialwissenschaftlichen Methodik, als auch deren Schwächen, insbesondere in Bezug auf die Analyse von Geschlechterverhältnissen und die tiefergehende Interpretation qualitativer Daten. Abschließend wird die Relevanz der Studie für die moderne Forschung gewürdigt und ihre Bedeutung als ein bedeutendes Werk der soziologischen Literatur hervorgehoben.

Die Arbeitslosen von Marienthal Marie Jahoda, Paul F. Lazarsfeld, Hans Zeisel, 1975

"Die" Arbeitslosen von Marienthal Marie Jahoda, 2002

Die Arbeitslosen von Marienthal Marie Jahoda, 1996

Marienthal Reinhard Müller, 2008 Als die traditionsreiche Textilfabrik Marienthal 1929/30 geschlossen wurde, führte dies zu einer sozialen Katastrophe für die angeschlossene Arbeiterkolonie: Rund 80 Prozent der Bevölkerung litten unmittelbar unter den Folgen von Arbeitslosigkeit und waren auf soziale Unterstützung angewiesen. Die Reaktion der Betroffenen auf diese durch Armut, Arbeits- und Perspektivenlosigkeit geprägte Situation und deren Folgen für den Einzelnen wie die Gemeinschaft waren Thema der zum Klassiker der empirischen Sozialforschung avancierten Studie *Die Arbeitslosen von Marienthal* und bilden auch Impuls und Ausgangspunkt für das vorliegende Buch. Reinhard Müller beschäftigt sich im historischen Teil mit der Genese des Bauerndorfes, der Entwicklung der im frühen 19. Jahrhundert entstandenen Industriegemeinde, mit der Entfaltung einer frühen Pendlergemeinde nach der Fabrikschließung bis hin zur Wiederentdeckung Marienthals seit den 1970er-Jahren. Im Zentrum steht die ausführliche Darstellung des kulturellen, politischen und sozialen Lebens in Marienthal. Zugleich analysiert Reinhard Müller die Entstehung, Durchführung und Rezeption der Marienthal-Studie. Umfassende Biografien der Beteiligten und Interviews mit Zeitzeuginnen erlauben ein tieferes Verständnis der sozialhistorischen Hintergründe.

"Die Arbeitslosen von Marienthal" und die Folgen von Langzeitarbeitslosigkeit für eine Gesellschaft Felix

Ehrich, 2019-03-27 Studienarbeit aus dem Jahr 2018 im Fachbereich Sozialwissenschaften allgemein, Note: 1,7, Universität Erfurt (Staatswissenschaftliche Fakultät), Veranstaltung: Staatswissenschaftliche Klassiker der Hochmoderne, Sprache: Deutsch, Abstract: Mit vertiefendem Blick in die Statistik der Bundesagentur für Arbeit vom Mai 2018 über die Entwicklung der Langzeitarbeitslosigkeit in Deutschland, lässt sich ein zahlenmäßiger Rückgang ebendieser seit 2007 erkennen. Im Jahr

2017 konnte ein neuer Tiefstwert von 901.000 Langzeitarbeitslosen vermeldet werden. Dementgegen ist der zunehmende Anteil an Menschen mit einer längeren Dauer der Langzeitarbeitslosigkeit problematisch darzustellen. Waren 2011 noch 298.000 Menschen länger als drei Jahre arbeitslos, sind es im Jahr 2017 schon über 317.000 Personen. Rund 9% aller Langzeitarbeitslosen sind länger als vier Jahre unbeschäftigt, wobei ein Austritt mit anhaltender Dauer der Arbeitslosigkeit immer seltener beobachtet werden kann und sich diese Beobachtung in den letzten Jahren verstärkt hat. Im Jahr 2011 waren die Menschen, welche Grundsicherung bezogen haben, im Durchschnitt 555 Tage ohne eine Arbeitsstelle. Im Jahr 2016 verlängerte sich die durchschnittliche Dauer auf 629 Tage. In der Arbeit soll das Phänomen der zunehmenden Dauer von Langzeitarbeitslosigkeit, durch die Betrachtung der Folgen dieser, näher untersucht werden. Dabei soll die Frage geklärt werden, ob (Massen-) Arbeitslosigkeit in einer Gesellschaft zu deren Zerfall bzw. der Auflösung der sozialen Strukturen im allgemeinen führen kann. Zu diesem Zweck wird, anhand der sozialwissenschaftlichen Pionierstudie von Marie Jahoda, Paul Felix Lazarsfeld und Hans Zeisel über „Die Arbeitslosen in Marienthal“ versucht die Folgen von Arbeitslosigkeit, für das Individuum und die Gesellschaft allgemein, zu beschreiben sowie zu analysieren. Zunächst werden der Aufbau, die Durchführung und die Ergebnisse der Studie dargestellt. Anschließend wird eine Analyse der Aktualität der Studie vorgenommen.

Zu: Die Arbeitslosen von Marienthal Svea Dahlström, 2004-06-05 Studienarbeit aus dem Jahr 2003 im Fachbereich Soziale Arbeit / Sozialarbeit, Note: 1, Frankfurt University of Applied Sciences, ehem. Fachhochschule Frankfurt am Main, Sprache: Deutsch, Abstract: Vor dem Hintergrund der beginnenden Weltwirtschaftskrise entstand in den Jahren 1931- 1933 eine der bedeutendsten und aufschlussreichsten Studien der empirischen Sozialforschung , die bis zum heutigen Tage nichts an Aktualität eingebüßt hat. 1933 erstmals in einem Leipziger Verlag publiziert, wurde sie später zu einer Fundgrube für methodisch Interessierte und gegenüber anderen Arbeiten zu einem Klassiker empirischer Sozialforschung geadelt (von Alemann, 1984, S. 308).Der ursprünglich nur 78 Seiten umfassende Untersuchungsbericht war eine Arbeit mit tatsächlichem Pioniercharakter. Für diese Art der Untersuchungen gab es keine direkten Vorbilder, an denen sich die Forscher hätten orientieren können. So mussten die Autoren das meiste der Methodik für ihre Studie selbst entwickeln. So lautet die verbreitete Schlussfolgerung, dass die sozialwissenschaftliche Arbeitslosenforschung mit der Marienthalstudie beginnt. Die Studie soll Aufschluss geben über die veränderten Lebensverhältnisse der Menschen eines Dorfes, dass gemeinsam durch die Schließung ihrer Haupteinkunftsquelle - der Fabrikarbeitslos wird. Das Ziel des Forschungsteams war es exaktes Zahlenmaterial mit Erlebnissen, Erzählungen, Beobachtungen und Stimmungen zu einem aufschlussreichen Resümee zusammen zu fassen. Kleinste Einzelheiten des Lebens der Marienthaler mussten erfasst und dann objektiv geordnet werden, so dass alle Details in eine Reihe von Haupttatsachen gegliedert werden konnten. Einige objektiven Daten fand das Team zu Beginn der Studie schon z.B. im Konsumverein, auf der Gemeinde, ect. vor. Andere benötigte Daten beschaffte sich das Team

in Form von Essverzeichnissen, Katasterblättern, Zeitverwendungsbogen und vielem anderen selbst.

'Die Arbeitslosen von Marienthal' aus familiensoziologischer Sicht Jan Trützschler, 2005-05-25 Studienarbeit aus dem Jahr 2004 im Fachbereich Pädagogik - Pädagogische Soziologie, Note: 2, Martin-Luther-Universität Halle-Wittenberg (Institut für Pädagogik), Veranstaltung: Einführung in die Familiensoziologie, Sprache: Deutsch, Abstract: Der Ort Marienthal in Österreich entstand im Zuge der Industriellen Revolution als Arbeitersiedlung für eine neu gegründete Spinnerei.¹ Mit der Schließung der Fabrik während der Weltwirtschaftskrise verlieren die Bewohner zugleich ihre Lebensgrundlage. Als Marie Jahoda, Paul Lazarsfeld und Hans Zeisel den Ort 1933 zum Anlass einer soziographischen Studie nehmen, treffen sie auf eine weitgehend isolierte Gemeinschaft, deren Mitglieder zu über 75% arbeitslos sind.² „Die Arbeitslosen von Marienthal“ beschreibt also die Auswirkungen ausgeprägter Massenarbeitslosigkeit gepaart mit kaum entwickelten Sozialsystemen und unter nahezu vollständigem Ausschluss äußerer Faktoren. Ziel dieser Arbeit ist es die Ergebnisse dieser Studie insbesondere auf ihre Bedeutung für Familie auch in der Gegenwart hin zu untersuchen. Dazu werden in einem ersten Schritt die in Marienthal gemachten Beobachtungen, zwecks besserer Bearbeitbarkeit, nach ihren ökonomischen, psychologischen und sozialen Dimension kategorisiert und noch einmal kurz zusammengefasst. Dem schließt sich eine Analyse der für Familie bedeutsamen Aspekte unter Verwendung verschiedener soziologischer Theorien an. In einem dritten und letzten Schritt wird dann der Versuch unternommen die so gewonnenen Erkenntnisse über die Auswirkungen von Arbeitslosigkeit auf die Gegenwart zu übertragen. 1 Vgl. Jahoda, Marie/Lazarsfeld, Paul F./Zeisel, Hans: Die Arbeitslosen von Marienthal, Frankfurt (a.M.) 1975, S.32ff. 2 Vgl. ebd., S. 39.

Applications of Mathematics in Models, Artificial Neural Networks and Arts Vittorio Capecchi, Massimo Buscema, Pierluigi Contucci, Bruno D'Amore, 2010-08-03 The book shows a very original organization addressing in a non traditional way, but with a systematic approach, to who has an interest in using mathematics in the social sciences. The book is divided in four parts: (a) a historical part, written by Vittorio Capecchi which helps us understand the changes in the relationship between mathematics and sociology by analyzing the mathematical models of Paul F. Lazarsfeld, the model of simulation and artificial societies, models of artificial neural network and considering all the changes in scientific paradigms considered; (b) a part coordinated by Pier Luigi Contucci on mathematical models that consider the relationship between the mathematical models that come from physics and linguistics to arrive at the study of society and those which are born within sociology and economics; (c) a part coordinated by Massimo Buscema analyzing models of artificial neural networks; (d) a part coordinated by Bruno D'Amore which considers the relationship between mathematics and art. The title of the book Mathematics and Society was chosen because the mathematical applications exposed in the book allow you to address two major issues: (a) the general theme of technological innovation and quality of life (among the essays are on display mathematical applications to the problems of combating pollution and crime, applications to mathematical problems of

immigration, mathematical applications to the problems of medical diagnosis, etc.) (b) the general theme of technical innovation and creativity, for example the art and mathematics section which connects to the theme of creative cities. The book is very original because it is not addressed only to those who are passionate about mathematical applications in social science but also to those who, in different societies, are: (a) involved in technological innovation to improve the quality of life; (b) involved in the wider distribution of technological innovation in different areas of creativity (as in the project Creative Cities Network of UNESCO).

Das arbeitslose Subjekt Wiebke Wiede, 2023-08-14 Das Buch befasst sich mit der Geschichte der Massenarbeitslosigkeit in Westeuropa seit den 1970er Jahren am Beispiel der Bundesrepublik Deutschland und Großbritanniens. Es problematisiert die Wechselwirkungen von ökonomischen Zwängen, politisch-rechtlichen Regulierungen und den Handlungen und Vorstellungen von Arbeitslosen. Aus deren Perspektive zeichnet Wiebke Wiede die sozialen Zumutungen und sozialen Effekte von Arbeitslosigkeit nach. Die Studie liefert einen grundlegenden Beitrag zur zeithistorischen Erforschung von Deindustrialisierung und Subjektivierung »nach dem Boom«.

The Oxford Handbook of Qualitative Research Patricia Leavy, 2020 The Oxford Handbook of Qualitative Research, Second Edition presents a comprehensive, interdisciplinary overview of the field of qualitative research. Divided into eight parts, the forty chapters address key topics in the field such as approaches to qualitative research (philosophical perspectives), narrative inquiry, field research, and interview methods, text, arts-based, and internet methods, analysis and interpretation of findings, and representation and evaluation. The handbook is intended for students of all levels, faculty, and researchers across the disciplines, and the contributors represent some of the most influential and innovative researchers as well as emerging scholars. This handbook provides a broad introduction to the field of qualitative research to those with little to no background in the subject, while providing substantive contributions to the field that will be of interest to even the most experienced researchers. It serves as a user-friendly teaching tool suitable for a range of undergraduate or graduate courses, as well as individuals working on their thesis or other research projects. With a focus on methodological instruction, the incorporation of real-world examples and practical applications, and ample coverage of writing and representation, this volume offers everything readers need to undertake their own qualitative studies.

Die Arbeitslosen von Marienthal. Ein soziographischer Versuch über die Wirkung langandauernder Arbeitslosigkeit Marie Jahoda, Paul F. Lazarsfeld, Hans Zeisel, 1975

Arbeitslosigkeit und Gesundheit. Welche gesundheitlichen Folgen entstehen durch Arbeitslosigkeit? Jonas Müller, 2020-11-11 Studienarbeit aus dem Jahr 2017 im Fachbereich Gesundheit - Public Health, Note: 1,7, Hochschule für Wirtschaft und Recht Berlin, Sprache: Deutsch, Abstract: Ziel dieser Hausarbeit ist es, die gesundheitlichen Folgen im Hinblick auf die psychische und physische Gesundheit von Arbeitslosen herauszuarbeiten. Dazu werden Erkenntnisse der

differentiellen Arbeitslosenforschung anhand der Gemeinstudie „Die Arbeitslosen von Marienthal“ erläutert. Anschließend wird im dritten Kapitel die gesundheitliche Situation von Arbeitslosen untersucht, was zugleich das Hauptaugenmerk dieser Arbeit darstellt. Das letzte Kapitel befasst sich mit der Gesundheitsförderung von Arbeitslosen. Wer gesund ist und arbeiten will, hat in der Welt nichts zu fürchten, das sagte einst Lessing. Doch heutzutage ist das leider nicht die Wirklichkeit, denn viele arbeitswillige Menschen sind erwerbslos. Gilt deshalb die Relation „arbeitslos – Gesundheit los – chancenlos?“ Erwerbstätigkeit sichert unseren finanziellen Lebensunterhalt. Darüber hinaus hat sie auch psychosoziale Aspekte und wirkt sich auf unser Wohlbefinden und Zufriedenheit aus. Ein Wegfall dieses bedeutsamen Funktionselements bewirkt weitreichende Folgen. Denn ein Verlust des Arbeitsplatzes geht nicht nur mit finanziellen Folgen einher, sondern weitaus größere Auswirkungen auf den psychischen und physischen Gesundheitszustand der Betroffenen hat.

Die Arbeitslosen Von Marienthal Introduction

In today's digital age, the availability of Die Arbeitslosen Von Marienthal books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Die Arbeitslosen Von Marienthal books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Die Arbeitslosen Von Marienthal books and manuals for download is the cost-saving aspect. Traditional books and

manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Die Arbeitslosen Von Marienthal versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Die Arbeitslosen Von Marienthal books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Die Arbeitslosen Von Marienthal books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature

enthusiasts. Another popular platform for Die Arbeitslosen Von Marienthal books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Die Arbeitslosen Von Marienthal books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Die Arbeitslosen Von Marienthal books and

manuals for download and embark on your journey of knowledge?

FAQs About Die Arbeitslosen Von Marienthal Books

What is a Die Arbeitslosen Von Marienthal PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Die Arbeitslosen Von Marienthal PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Die Arbeitslosen Von Marienthal PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Die Arbeitslosen Von Marienthal PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other

PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Die Arbeitslosen Von Marienthal PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
