He Could Not Contain Her: Kathleen McCartan, 2014-09-23 First and foremost, this book gives you a glimpse into one creative (some say genius) bipolar mind, which I have had for a little over twelve years. Beyond that, using a Sacred Feminine, Holy Spirit, Breath and Wind of God perspective, as well as an educational/creative perspective, and a Course in Miracles perspective, I attempt to create a total world reversal of thought on all issues related to the world/humans, why we were here, and what's to come of us. This book reverses so-called normal human thinking about almost everything, including what is life and what is death; what the real story of Lucifer and Mary Magdalene, John the Baptist, and Jesus really is; and what the actual laws of the universe really are, what's actually normal and abnormal; (the answer will surprise you); what humans are actually like as a species; what the current state of our world actually is; and what humans mean to Christ/John the Baptist (Christ/Alter Ego Christ) in reality and in the great scheme of things. It will be no surprise that I determine that to save the world (and yes it can be done), love is the only question and love is the only answer. The only problem is that most people on Earth aren't really listening, despite the fact that we live in an almost-dead world, mentally, emotionally, and spiritually. The spiritual light of the world is very dim, if it's even shining at all anymore. Humans must wake up now, today. This book is about starting a creative/spiritual/educational revolution in America and letting it spread throughout the whole world. This book takes a forward-looking approach to the future and gives readers a glimpse into upcoming events.

The Open Door Patricia Forbes, 2004-10 Is there anybody who hasn't wished for a tool kit to navigate the troubled waters of daily life? Many struggle to heal from grief over lost loved ones, to make peace with who we really are, to battle the disease of addiction, the mountainous path of raising children and tame the fear of aging. *The Open Door*, written by Patricia Forbes, is just such a book. Patricia shares her painful journey through the death of two of her children, her efforts to reach a plateau of peace and trust once again. Patricia shares from the deep well of suffering, her journey, leading her through her own Open Door into the sunlight. From the floating anxiety that accompanies life's unexpected tragedies, the surfacing of courage and strength that sustain her are spelled out. She leads us in a time line from birth to old age, presenting us tools to deal with life in all its aspects. She paints pictures of her growth with vivid imagination, drawing upon observations of nature's healing power. Her absolute belief in a compassionate God shines forth, a light to guide us all. Readers do not need to read this book from start to finish to receive its powerful benefits. They can choose the essay that will meet their need by

looking at the Table of Contents. This is a personalized invitation to look into our own everyday lives for the blessings that hide in the usual, the daily occurrences that beg to be seen in a deeper light.
