The 'Ism' Dilemma George I. Bailey, 2020-11-09 My wife and I have been born again saved Christians for over 20 years. We do have a non-denominational church home and we study The Holy Bible together regularly at home. We have a blended family with 3 adult children and 2 grandchildren. I have worked for 20 years in electric operations and transportation. I have a Bachelor's Degree in Psychology and am currently pursuing a Master's Degree in Christian Apologetics. The book is primarily about relationship issues that result from illegitimate people groupings in modern day society. The book has an overwhelming focus on the spiritual impact on people, when pride based problems are not properly addressed with a biblical

relationship with Jesus Christ. I have personally struggled with many of the people grouping issues discussed in this book; pride has been one such stumbling block for me. Creating this book has in part been a personal journey for me, helping me to heal some of the wounds inflicted upon me by others, as well as heal wounds I've caused others. It is my sincere hope and prayer that your journey through this book will heal you and your loved ones, as it has done for me and my family. With God's help, Christians and Non-Christians alike can all benefit from the experiences, tools, and methods in this book by improving themselves spiritually, and by improving the quality of their relationships with others

Forgiveness Greatest Quotes - Quick, Short, Medium Or Long Quotes. Find the Perfect Forgiveness Quotations for All Occasions - Spicing Up Letters, Spe Kelly Booker,2016-02-04 This book is the outcome of an idea, and the idea is very simple. It is that the best way to understand the dramatic transformation any idea can bring and to successfully bring ideas across, is to think of them as profound insights and moments of clarity often disguised as wit, captured in one single Quote. Ideas and products and messages and behaviors spread faster when they carry your message in a single line or paragraph: a Quote. To feel the impact a Quote can have, here are three Forgiveness Quotes from this book: 'Forgiveness is the fragrance that the violet sheds on the heel that has crushed it. - Mark Twain' 'Forgive, forget. Bear with the faults of others as you would have them bear with yours. - Phillips Brooks' 'The heart of a mother is a deep abyss at the bottom of which you will always find forgiveness. - Honore de Balzac' Three characteristics-one, contagiousness; two, the fact that little words can have big effects; and three, that insight happens not gradually but at one dramatic moment, using the right profound words-are the same three principles that define how an idea takes off, or a product goes viral. Of the three, the third, profound, trait... is the most important, because it is the principle that makes sense of the first two and that permits the greatest insight into why some ideas stick, some changes last, some words leave an impression, and others don't. This book will give you the opportunity to find that right Quote that can change it all.
