Who Really Are The Rainbow People? P. Dalton Simms, 2022-09-02 This book is awesomely inspiring. It graces the heart, soul, mind, and body. Anyone who is privileged to encounter a copy of this book will surely be captivated with its contents and will not be able to put it down once the book is open. It will spellbind you. You will read from cover to cover as the memorable taste it will leave in your mouth will urge you to shout awesome! I can assure that it will become an household item and required reading. Anyone will hurry to get their own copy it is impossible to beat.

The Real Victim Amanda West, 2025-11-25 She killed him in self-defense. Or did she plan it all along? When victim advocate Claire Donovan stabs her abusive ex-boyfriend to death, the evidence seems clear: a woman defending herself against a violent man who forced his way into her home. But as Detective Marissa Reese investigates, troubling questions emerge. The burner phone. The twenty-three minute gap before Claire called 911. The meticulous notes about self-defense law written weeks before Derek died. Perfect for fans of Gillian Flynn, Ruth Ware, and legal thrillers with morally complex protagonists. Inside these pages, you'll find a gripping courtroom drama that asks impossible questions: Can you be both victim and villain? Does preparation make self-defense into murder? And when survival requires violence, who is the real victim? What readers are saying: Kept me up all night—couldn't put it down! The twist I never saw coming Finally, a thriller that doesn't give easy answers THE REAL VICTIM delivers: A propulsive plot that twists with every revelation Complex characters who resist simple judgment Authentic portrayal of domestic violence and legal proceedings Sustained psychological tension that builds to a stunning climax An ending that will haunt you long after the final page Claire's story forces you to question everything you think you know about victims, abusers, and the line between justice and murder. By the final page, you'll be asking yourself: would I have done the same? Scroll up and grab your copy now—if you dare to question who deserves your sympathy.

Entangled (Spellbound Trilogy #1) Nikki Jefford, 2012-02-19 Hiding her powers was never a problem for seventeen-year-old Graylee Perez. Not until her diabolical twin sister decided to go on a rampage that could expose them all or get someone hurt. To add to the aggravation, coven reject Raj McKenna catches Gray performing a complex spell and is convinced they would make a powerful couple. He can delude himself all he wants. Gray has sworn off dating warlocks, especially delinquents who play with fire. But even Gray's mysterious death won't deter Raj, not after Gray is brought back from the

great beyond. Only she's not truly back. Her body's still six feet under and she's on borrowed time. There are forces threatening Gray's existence and a powerful wizard willing to help . . . for a price. Gray doesn't know who to trust or how long she has left before she vanishes for good, but she's determined to stick around no matter what the cost.

Death Valley Gold Rush Ted Faye, 2022-10 From the mid-19th century to the 1930s, no place in America was more feared or mysterious than the stretch of desert on the California-Nevada border known as Death Valley. While today Death Valley National Park is seen as a place of natural beauty and scenic wonders, there were once rumors of vaporous gases so toxic that birds flying overhead would drop dead instantly. One of the first Americans to encounter this dreaded land was William Lewis Manly, who left his Wisconsin home for California's 1849 Gold Rush and who heroically saved those lost pioneers who would give Death Valley its name. Other pioneers in the early 20th century were Frank Shorty Harris, who made Death Valley's biggest gold strike; the Hoyt brothers, who, in 1908, struck it rich in a place called Skidoo; and in the 1920s, a con man named C.C. Julian, who used the valley's reputation to scam naive investors. There was a time when the entire country seemed to be consumed with news and tales of the Death Valley Gold Rush. Ted Faye is a documentary filmmaker, exhibit curator, and historical researcher on stories and people of the Death Valley region. Faye has worked with tourism boards on both the state and local levels to develop materials that tell the stories of their communities. He was a historian at US Borax, and many images from this book are from the Borax collection at Death Valley National Park.

Negative Girl Libby Cudmore, 2024-09-10 For fans of Cottonmouths by Kelly J. Ford comes Negative Girl: an evocative, moody, neo-noir thriller that explores obsession and people dying across America's forgotten spaces. Martin Wade lived hard in his youth, but unlike many of his former bandmates and roadie friends, he didn't die young. Instead he hit the recovery path, cleaned up his life, and became a private investigator in a dying city in upstate New York. When his heavily tattooed and scarred assistant Valerie sets up an appointment with a young woman who needs help keeping her biological father away from her, none of the three realize that the father is Martin's old bandmate, still using, and on a destructive path that will soon be headed straight for Martin's clean life. As Martin struggles, Valerie becomes increasingly obsessed with their new client's life.
