**Help Me Remember** Corinne Michaels, 2022-06-07 New York Times bestselling author Corinne Michaels brings you a new small-town, brother's best friend romance. In one second, my life disappeared. My past. My memories. My future. The only certainty I have from the last three years is that my older brother is dead, and I am the only eyewitness. In order to protect the case, the lawyers demand that no one give me any information about my life . . . I must remember on my own. My only help comes from my brother's best friend and world-renowned investigative reporter, Spencer Cross. He has no idea how many nights I've spent dreaming of his name-and his body-next to mine. Now we're a team and our goal is to recover my memories and retrace my past. But each day we spend together, he's looking at me as more than his friend's little sister and I find it harder to want my old life back. Instead I'm wishing for a new one-with him. His kiss feels like home. His arms make me feel safe, and I never want this to end. As my memories return, forcing me to face my future, everything falls apart... especially when I find an engagement ring hidden in my apartment. I have no idea who gave it to me, or what it means about my past. I may have asked Spencer to help me remember, but now I wish I could forget.

**All Too Well (Standard Edition)** Corinne Michaels, 2025-04-29 From New York Times bestselling author Corinne Michaels comes the first book in the Ember Falls series. For as long as I can remember, Lachlan West has been my brother's best friend and the love of my life. Trouble is, he kissed me four years ago and then never spoke to me again. I was doing great pretending he doesn't exist until I was assigned to write an article about former college athletes and I learn that the sexy single-dad is my first interview. Determined to wow my editor with an amazing sportsball piece. (Have I mentioned I know nothing about sports?) I head to Ember Falls, ready to face my fears--and the man I love. The grumpy quarterback turned fireman wants nothing to do with me or my article. Yet, somehow I persuade him to let me follow him around for a few weeks, and even if he said yes just to get rid of me, I'll take it. But the longer I stay in his small town, the more complicated our story gets. The boundaries we set fall to the ground--along with our clothes. He holds me like I matter, touches me like I'm cherished and kisses me like he loves me. We both know I have to leave Ember Falls, and he'll never follow--I only wish I could write a different ending to our story.

**Come Back for Me - Special Edition** Corinne Michaels, 2021-12 From New York Times Bestselling author Corinne

Michaels comes a new emotional and riveting standalone love story. One night, eight years ago, she gave me peace. No names. No promises. Just two broken people, desperate to quiet their pain and grief. In the morning, she was gone and had taken my solace with her. I left for the military that day, vowing never to return to Pennsylvania. When my father dies, I'm forced to go home to bury him. At least I'll finally be rid of his farm, which is grown over and tangled with memories I've fought to forget. And that's when I find her. She's even more beautiful than I remember and has the most adorable kid I've ever seen. Years have passed, but my feelings are the same, and this time I refuse to let her go. They say you can't bury the past, and they're right. Because when long-ago secrets are exposed, rocking us both to the core, I have no choice but to watch her walk away again. . .
