This is an early classic study in doctrinal development by one of the foremost exegetes of the late 19th/early 20th century.

The Holy Spirit R. A. Torrey, 2017-08-20 R. A. Torrey was an American evangelist, a Bible scholar, and successor to D. L. Moody. A graduate of Yale, he was ordained to the ministry in 1878. In the opening chapter, Torrey describes the purpose of his book. "We begin herewith a series of studies of the person and work of the Holy Spirit. We shall begin this series by considering what the Bible has to say about the Holy Spirit as a person. It is impossible to rightly understand the work of the Holy Spirit, or to get into right relation with the Holy Spirit Himself and thus know His blessed work in our own souls, without first coming to know the Holy Spirit as a person. One of the most fruitful sources of error and misconception, of unwholesome enthusiasm and false fire and fanaticism, in the treatment of this whole subject, is from trying to know the work of the Holy Spirit before we first come to know the Holy Spirit Himself."

Understanding the Work of the Holy Spirit in the Life of the Church Dan Johnson, 2016-03-11 The baptism of the Holy Spirit at the moment of salvation is the basis for (1) the believer's position in Christ as justified in right standing before God and (2) the believer's participation in the Lord's penal sacrifice whereby God's justice is satisfied. Apart from this singular baptism, the righteousness of Christ could never be applied to the believer and God could not be both just and the justifier of the ungodly. (Romans 3:26) Dan Johnson is a minister of the gospel of the Lord Jesus Christ. He is a graduate of Welch Bible College in Tennessee. He resides in Michigan with Lena, his wife of 25 years. They serve the body of Christ through the ministry of the Woodhaven Freewill Baptist Church under the leadership of Pastor Loyd Locklear.

The Spirit and the Church Stanley M. Burgess, 1984 In *The Holy Spirit: Ancient Christian Traditions* (formerly titled *The Spirit and the Church: Antiquity*), the first in a series of three volumes devoted to the history of Christian pneumatology, Stanley M. Burgess recounts Christian efforts from the end of the first century to the end of the fifth century AD to understand the divine Third Person. The Christian centuries have witnessed a tension sometimes waxing, sometimes waning, but always present between the spirit of order and the spirit of prophecy. In the ancient church, representatives of institutional order, in an effort to keep the development of Spirit doctrine within a recognizable tradition, muffled the immediacy of religious experience. Prophetic elements came to be viewed with distrust and remained in the institutional church only at the cost of severe internal tension. In this work, the author recognizes the wealth of Spirit theology and activity in both traditions, and the need for modern Christians to gain a deeper and wider vision of the workings of the Holy

Spirit in history and in our own generation.

The Holy Spirit is invoked in scripture, sermons, and bible studies, but do we really know how to recognize the Spirit's presence and activity in the world? What does it mean that the Holy Spirit is at work among us? How and where do we read the signs of the power of the Holy Spirit in our lives and the world? One of this country's most dynamic teachers of the New Testament, Amos Yong offers this incisive look at what the apostles have to say. Beginning with Luke, the most illuminating Gospel writer on the topic, Yong offers a series of meditations on Luke and Acts to show how the winds of the Spirit blew in the lives of Jesus, his disciples, and the earliest Christians--all so that we can see and participate in the work of the Spirit today.
