## DJ Losen

Chanson Peter Hawkins, 2017-09-29 En France, tout finit par des chansons' is the well-known phrase which sums up the importance of chanson for the French. A song tradition that goes back to the Middle Ages and troubadours of the twelfth and thirteenth centuries, chanson is part of the texture of everyday life in France - a part of the national identity and a barometer of popular taste. In this first study of chanson in English, Peter Hawkins examines the background to the genre and the difficulties in defining what is and what is not chanson. The focus then moves to the development of the singer-songwriter of chanson from 1880 to the present day. This period saw the emergence of national icons from Aristide Bruant at the end of the nineteenth century through to internationally recognized musicians such as Jacques Brel and Serge Gainsbourg. Each of these figures used chanson to express the particular moral dilemmas, tragic situations and moments of euphoria particular to themselves and their times. The book provides bibliographies, discographies and details of video recordings for each of the singer-songwriters that it discusses. It is both an essential reference guide to the genre and a useful case history of the adaptation of an ancient form to the demands of the modern mass media.

**Onkere** Dr. Blanchard Onanga Ndjila, 2019-05-30 Onkere: An African Boy's Story of Struggle, Resilience, and Determination discusses how a young French-speaking African boy from a low-income family named Onkere came to fall in love with the English language and American culture as a whole and how regardless of the incredible setbacks thrown at him to prevent him from realizing his objective, he never gave up on his dream. The book further explores the trouble he went through from Africa to get a scholarship and go to France to pursue his studies. Once in France, as an international student, he overcame special requirements to be allowed to be part of an exchange program to go to America and improve his knowledge of the English language. Once in America, he had to overcome cultural misunderstandings to survive. In the midst of all these twists and turns, the main character ends up holding a doctorate in the field of English and American studies, getting married, having children, becoming an important personality not only for his country but also for the entire world, and working at the United Nations.

**Francis Cabrel, un homme vrai** Sandro Cassati, 2015-09-30 Cela fait déjà quarante ans que Francis Cabrel promène son talent sur les scènes françaises. Quarante ans qu'il entretient une belle histoire d'amour avec un public qui en a fait l'un des chanteurs les plus populaires : plus de 20 millions de disques vendus et des tubes devenus de grands classiques, comme

Je l'aime à mourir, Petite Marie, L'encre de tes yeux, C'est écrit, etc. Malgré une carrière exceptionnelle, Cabrel est un homme rare qui cultive la discrétion. Cette biographie raconte un artiste qui n'a jamais renié ses convictions et nous fait partager l'intimité d'un homme authentique, profondément amoureux de la nature. Cabrel prouve que, même loin des paillettes du star-system on peut devenir, et rester, un artiste majeur. Un homme vrai.

Cabrel - Une vie en chansons Thomas Chaline, 2020-09-24 Alors que Francis Cabrel sort un nouvel album à l'automne 2020, ce livre dévoile les secrets de création de l'artiste à travers une quarantaine de chansons de son répertoire. À l'aide de nombreuses anecdotes, l'auteur livre une immersion dans l'univers de l'und des plus gros vendeurs de disques en France. « Petite Marie », « Je l'aime à mourir », « La corrida », « La dame de Haute- Savoie »... Depuis plus de quarante ans, Francis Cabrel est l'auteur d'une oeuvre singulière et authentique. Incarnant un genre musical à lui seul dans la chanson française, sa poésie est une référence populaire touchant plusieurs générations. En 13 albums et 25 millions d'exemplaires vendus à travers le monde, l'artiste est devenu rapidement incontournable grâce à une identité marquée par un accent prononcé et sa guitare folk. Francis Cabrel est aussi un artiste préoccupé par l'évolution de la société. Ainsi, il n'hésite pas à utiliser sa plume pour tenter d'éveiller les consciences. Son répertoire contient aujourd'hui de nombreuses chansons universelles comme : « La corrida », « Tout le monde y pense », « Il faudra leur dire » ou encore « Je t'aimais, je t'aime et je t'aimerai ». Dans cet ouvrage de référence, Thomas Chaline propose de plonger dans les secrets de création du chanteur et de découvrir la véritable histoire de ses chansons, qui sont autant de repères qui jalonnent la vie de Francis Cabrel.

Cabrel, les chemins de traverse Alain Wodrascka, 2015-03-18 Inspiré par Bob Dylan et Leonard Cohen, Francis Cabrel, né à Agen en 1953, chante depuis quarante ans l'attachement à la terre des ancêtres, l'amour éternel, l'injustice sociale, l'écologie... Son retour aux sources d'inspiration des chanteurs artisans, sa défense des valeurs humanistes essentielles, qui dans sa voix exhalent les parfums des vents du Sud, lui ont valu un succès phénoménal et le statut de poète-musicien. Pourtant, sa notoriété – l'album Samedi soir sur la terre (1994) demeure à ce jour le plus vendu en France –, est inversement proportionnelle à ce que l'on sait de l'homme. En effet, si ses chansons sont gravées dans l'inconscient collectif – « Je l'aime à mourir », « L'encre de tes yeux », « Sarbacane » – chacun ignore le visage intime de cet artiste discret, dissimulé derrière sa légende. Cette biographie, nourrie de nombreux témoignages de proches et collaborateurs, explore toutes les facettes de l'homme, du chanteur, et du citoyen engagé.
