Cuentos y Leyendas Zapotecas II Ismael López Domínguez,2004

Nacho López Nacho López,2008 A frank chronicler of postwar Mexico's political contradictions, Nacho López (1923-1986) published the most critical images of his time, in photo essays for magazines such as Hoy, Mañana and Siempre! He photographed the streets of Mexico City, its pool halls, pulque bars and the grim Lecumberri prison, with an almost classical eye; all of his pictures are rigorously composed and contain no extraneous matter, addressing only the necessary and the telling. To achieve this concision, López would often construct scenarios, such as arranging for an actress to stroll past groups of men in the street and provoke their approval. López's photos also have the special quality of appearing to eliminate temporal conditions, so that their subjects are seized more in space than time. In this manner, López captured the corrupt as they fell from grace and the disenfranchised as they defied their poverty with camaraderie and improvised entertainments. This latest issue of Luna Córnea is a full-length monograph on López, exploring all aspects of his oeuvre, including his work on architecture, dance and anthropology. Nacho López's work is little known outside of Mexico today: Luna Córnea redresses that oversight.

11 Razones para ser celeste Planeta México,2018-01-15 No cualquiera puede ser celeste, para eso hay que rifarse

como los grandes, no basta con ponerse la camiseta, hay que llevarla siempre con orgullo, en las buenas y en las malas. Para ser cementero se tiene que vivir con la pasión que ha caracterizado a uno de los más grandes de México: el Cruz Azul, ese equipo de los que no se doblan, de los que resisten y no se achican, sin importar las condiciones. Contra tres mudanzas de estadio, incontables finales de liga con resultado amargo y constantes críticas llenas de ardor, la Máquina sigue andando. Tal vez el Azul no es el equipo de las grandes victorias, pero es, indiscutiblemente, el equipo de las grandes historias. En estas páginas está la historia de los que trabajan en equipo, de los que no se rinden nunca, de los que han caído para demostrar que se necesitan agallas para levantarse. Aquí están las once razones por las que no se puede negar el amor a la camiseta celeste. Con prólogo de Carlos Hermosillo

The Three Pigs Bobbi Salinas-Norman,1998 This retold, non-violent version of The Three Pigs takes place in the Southwest. Miguel, the cleverest of the pigs, sees through the wolf's artificially sugared tricks, and ultimately destroys the wolf's power to deceive others. The story exposes how those in positions of power are often less strong and frightening than we are sometimes led to believe.
