

Los Recuerdos Del Porvenir

Elena Garro

Los recuerdos del porvenir Elena Garro, 2019-09-13 Una obra maestra, un punto y aparte en la literatura mexicana. Escrita con una prosa dotada de deslumbrantes poderes sensoriales, *Los recuerdos del porvenir* marcó el luminoso arranque en la trayectoria de Elena Garro. El pueblo de Ixtepec es quien cuenta en estas páginas una sucesión de episodios en los que se mezclan la crueldad y la fe, la pasión y el odio, la mentira y la perfidia, con la mirada propia de los grandes relatos fantásticos, a través de un amplio reparto de personajes de las distintas capas sociales, desde las prostitutas y los campesinos hasta las antiguas familias y los religiosos. Ixtepec se ubica en la tierra caliente del corazón de México, en un sitio que es todos y es ninguno, pues se trata del pueblo imaginario en que Elena Garro ambientó su representación de los convulsos años posrevolucionarios de un México en el que la injusticia del despojo de tierras, el racismo y la violencia contra las mujeres eran, como lo son hoy, un asunto de todos los días. Fábula poderosa de las heridas históricas de un país y una época, *Los recuerdos del porvenir* está llamada a ocupar, finalmente, su sitio como un clásico indiscutible de la literatura hispanoamericana.

Los recuerdos del porvenir / Recollections of Things to Come Elena Garro, 2019-12-17 La obra emblemática de una de nuestras escritoras canónicas, acompañada de un dossier crítico. Ixtepec es un pequeño poblado que ha sobrevivido los embates de la violenta presencia de las tropas de los ejércitos revolucionarios enfrentados en una lucha fratricida y sin tregua. Sus pobladores, desencantados porque la “revolución” no les llevó justicia ni progreso, llevan una vida anodina y nostálgica que se fractura otra vez ante un nuevo conflicto armado, la Guerra Cristera, que promete próximas desgracias. Las autoridades han designado al general Francisco Rosas para que se haga cargo de mantener el orden y haga cumplir las disposiciones que el gobierno central disponga, en especial lo relativo al cese del culto religioso. Las vidas del general Rosas, así como las de sus colaboradores más cercanos y las de sus amantes, las de las prostitutas, beatas, perros callejeros, locos y de los miembros más conocidos de las familias pudientes de Ixtepec, se verán mezcladas y llevadas a un destino trágico, donde no tienen cabida ni la ilusión ni el amor. Esta obra, considerada por muchos dentro de la corriente del realismo mágico, sustenta la fuerza de la narración en recursos poéticos que, lejos de confundir, potencian la trama; contada a través de varias voces, nos muestra un complejo entramado de planos narrativos entretejidos por la voz pétrea y sombría de los pobladores de Ixtepec, dejando al descubierto sus más íntimos y oscuros deseos. ENGLISH DESCRIPTION The emblematic

work of one of Mexico's canonical writers, accompanied by a critical analysis. Ixtepec is a small village that has survived the battering of the violent presence of revolutionary troops pitted against each other in a ceaseless, fratricidal fight. Its residents, disillusioned because the "revolution" brought them neither justice nor progress, lead dull, nostalgic lives that are fractured again in the face of a new armed conflict, the Cristero War, which promises further misfortune. The authorities have charged Francisco Rosas with maintaining order and carrying out the wishes of the central government, especially those relating to ending religious worship. The lives of General Rosas, his closest collaborators, and his lovers, along with the lives of the prostitutes, clergy, street dogs, madmen, and most well-known members of Ixtepec's powerful families become intertwined and led to a tragic destiny, where there is no room for dreams or love. This work, considered by many to be in the vein of magic realism, supports the strength of its storytelling with poetic devices which merely enhance the plot. Told through various voices, this novel shows us a complex web of narrative planes that are interwoven through the stony, somber voices of Ixtepec's residents, exposing their darkest, most intimate desires.

Etude de "Los recuerdos del porvenir" d'Elena Garro Francesca Varnerot, 2001

Angeles Mastretta Jane Elizabeth Lavery, 2005 The first major study on the works of the Mexican novelist, Angeles Mastretta, demonstrating the rich complexity and range of the author's fiction and essays. The Mexican novelist, Angeles Mastretta [b. 1949], has only recently received serious critical attention largely because her work has been seen as 'popular' and therefore inappropriate for academic study. This first major work to be published on Mastretta seeks to demonstrate the rich complexity and range of the author's fiction and essays. In the tradition of Post-Boom Latin American women's writing, Mastretta's texts are motivated by a desire to speak primarily of the silenced experiences and voices of women. Two of her novels, referential and testimonial in style, can be placed within the Mexican Revolutionary Novel tradition and explore the Revolutionary period and its consequences in the light of female experiences and perspectives. The hitherto unexplored themes of female sexuality and bodily erotics in Mastretta's texts are also considered in this volume. Her feminist works avoid facile simplifications: heterogeneous and dialogical, they interweave the historical and the fictional, the everyday and the fantastic. The originality of Mastretta's writing lies in its elusive postmodern ambiguities: shimmering surfaces are often interrupted by unexpected depths and proliferating meanings cannot be fully circumscribed by critical analysis. Jane Elizabeth Lavery lectures in Latin American Studies at the University of Kent.

A Different Reality Anita K. Stoll, 1990 This anthology of materials by and about Elena Garro includes translations of two of her one-act plays and several essays that explore her theatrical and narrative pieces. Also presented are a personal interview and a chronology of her life by her own account.

Mothers and Daughters in Post-revolutionary Mexican Literature Teresa M. Hurley, 2003 The antithesis of the madre abnegada is the mujer mala, the whore, a notion the author also questions by revealing the complexity of the mother-

daughter relationship, through which women may perpetuate their own oppression.--Jacket.

Señas particulares, escritora Fabienne Bradu, Fabienne Sylvia Bradu Cromier, 1987-01-01 La obra literaria de siete escritoras mexicanas contemporáneas: Elena Garro, Inés Arredondo, Josefina Vicens, Julieta Campos, Rosario Castellanos, María Luisa Puga y Luisa Josefina Hernández, es analizada por Fabienne Bradu tras una detenida lectura de sus obras, en una reflexión que declara apartarse de los tópicos con los que generalmente se aborda la literatura escrita por mujeres.

Sobre los recuerdos del porvenir de Elena Garro Juan Amael Vizzuett Olvera, 1998

Elena Garro: Los recuerdos sin porvenir Laura Ramos, 2023-03-08 Retratos de dolor, rabia y añoranza de los últimos años de una escritora inolvidable. Pasan los años y la figura de Elena Garro crece por su grandeza literaria, por sus personajes apasionados y llenos de ternura inscritos en historias memorables con enorme carga histórica y existencial; por su inigualable mirada al deseo, al dolor, al abismo. Gracias a los estudiosos de la literatura hispanoamericana sabemos de su vida, sus amores, sus reclamos... y gracias a Laura Ramos sabemos cómo vivió los últimos años, cómo soportó la soledad y el olvido con su hija Helena Paz, cómo recordaban y conjuraban estas mujeres coléricas, furiosas, lastimadas, luminosas, ensoñadoras, llenas de lumbre y ternura. Elena Garro: los recuerdos sin porvenir es una obra única por su acercamiento frontal a la escritora y su hija por una editora que convivió con ellas los últimos años de su vida. Recorre las horas de penuria y rencor de estas mujeres, los momentos lamentables de hambre y vicio, el asedio de la enfermedad, el alcohol, la violencia doméstica y sus amados gatos: testigos de esta tragedia que sólo atemperaba la contemplación del cielo de México, las postales de París, las fotografías de Madrid, los anhelos de Buenos Aires. Entrar en estas páginas nos permite conocer detalles íntimos de Elena Garro y sus evocaciones de Bioy Casares, Rufino y Olga Tamayo, Pablo Picasso, Ernst Jünger y el eternamente amado/odiado Octavio Paz. Laura Ramos no juzga ni condena, sólo comparte su maravillosa experiencia con la escritora magistral y sus intentos por ayudarla a sobrellevar el pantano donde vivió sus últimos tiempos; el libro es una aportación a la biografía de Elena Garro, condenada con su hija a ser un personaje maldito y perseguido, las páginas descubren vivencias totalmente inéditas de la escritora, una voz candorosa y furibunda que dejó siempre su sangre ardiente, rebelde y amorosa en cada uno de sus actos y sus escritos.

The Early Fiction of Elena Garro and the "Boom" Harriet Divoky Nittoli, 1996

Historia y realismo mágico en "Los recuerdos del porvenir" de Elena Garro Hélène Charlot, 2002

Historia mínima. La cultura mexicana en el siglo XX Carlos Monsiváis, 2010-02-09 En esta obra póstuma, Carlos Monsiváis, con su estilo y erudición únicos, recorre un siglo de la vida cultural de México, si bien, como él mismo confiesa, ésta es una tarea inacabable a la que además se suma la brevedad de la obra, que le obliga a cerrar su crónica en la década de 1980, dejando fuera los movimientos y creadores de los dos últimos decenios del siglo XX. Su recorrido parte de la época del modernismo y pasa por todas las manifestaciones culturales que se desarrollan a lo largo de las siguientes décadas, como

la narrativa de la Revolución, el muralismo, la cultura en los años veinte, los Contemporáneos, la poesía de la generación del 50 hasta llegar al año de la ruptura que representa 1968 y las manifestaciones culturales que de él se desprenden.

Dictionary of Mexican Literature Eladio Cortés,1992-11-24 This volume features approximately 600 entries that represent the major writers, literary schools, and cultural movements in the history of Mexican literature. A collaborative effort by American, Mexican, and Hispanic scholars, the text contains bibliographical, biographical, and critical material--placing each work cited within its cultural and historical framework. Intended to enrich the English-speaking public's appreciation of the rich diversity of Mexican literature, works are selected on the basis of their contribution toward an understanding of this unique artistry. The dictionary contains entries keyed by author and works, the length of each entry determined by the relative significance of the writer or movement being discussed. Each biographical entry identifies the author's literary contribution by including facts about his or her life and works, a chronological list of works, a supplementary bibliography, and, when appropriate, critical notes. Authors are listed alphabetically and cross-referenced both within the text and the index to facilitate easy access to information. Selected bibliographical entries are also listed alphabetically by author and include both the original title and English translation, publisher, date and place of publication, and number of pages.
