Monster Frank E. Peretti, 2011-10-10 The suspense is bone-chilling when you realize the monsters are real . . . Miles away from the hectic city, Reed and Rebecca hike into the beautiful Northwester woods. They are surrounded by gorgeous mountains, waterfalls, and hundreds of acres of unspoiled wilderness. During their first night camping, an unearthly wail pierces the calm of the forest. Then something emerges from the dense woods. Everything that follows is a blur to Reed—except the unforgettable image of a huge creature carrying his wife into the darkness. Enter into deep wilderness where the rules of civilization no longer apply. A world where strange shadows lurk. Where creatures long attributed to overactive imaginations and nightmares are the hunters . . . and people are the hunted. New York Times bestseller Full length, standalone novel Includes discussion questions for book clubs

The Frank Peretti Collection Frank E. Peretti, 2015-06-16 Now available in one volume—three thrillers from Frank Peretti! *The Oath* An ancient sin. A long forgotten oath. A town with a deadly secret. Something evil is at work in Hyde River, an isolated mining town in the mountains of the Pacific Northwest. Under the cover of darkness, a predator strikes without warning—taking life in the most chilling and savage fashion. The community of Hyde River watches in terror as residents suddenly vanish. Yet, the more locals are pressed for information, the more they close ranks, sworn to secrecy by their forefathers' hidden sins. Only when Hyde River's secrets are exposed is the true extent of the danger fully revealed. What the town discovers is something far more deadly than anything they'd imagined. Something that doesn't just stalk its victims, but has the power to turn hearts black with decay as it slowly fills their souls with darkness. *The Visitation* The sleepy, eastern Washington wheat town of Antioch has become a gateway for the supernatural—from sightings of angels and a weeping crucifix to a self-proclaimed prophet with an astounding message. The national media and the curious all flock to the little town—a great boon for local business but not for Travis Jordan. The burned-out former pastor has been trying to hide his past in Antioch. Now the whole world is headed to his backyard to find the Messiah, and in the process, every spiritual assumption he has ever held will be challenged. The startling secret behind this visitation ultimately pushes one man into a supernatural confrontation that has eternal consequences. *Monster* Some monsters are real. The Morals of Monster Stories Leslie Ormandy, 2017-08-14 The simplicity of children's picture books--stories told with illustrations and a few well chosen words or none at all--makes them powerful tools for teaching morals and personal integrity. Children follow the story and see the characters' behaviors on the page and interpret them in the context of their own lives. But unlike many picture books, most children's lives don't feature monsters. This collection of new essays explores the societally sanctioned behaviors imparted to children through the use of monsters and supernatural characters. Topics include monsters as instructors, the normalization of strangers or the other, fostering gender norms, and therapeutic monsters, among others.

The Encyclopedia of Christian Literature George Thomas Kurian, James D. Smith III, 2010-04-16 The written word is one of the defining elements of Christian experience. As vigorous in the 1st century as it is in the 21st, Christian literature has had a significant function in history, and teachers and students need to be reminded of this powerful literary legacy. Covering 2,000 years, The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books. In addition to an overview of the Christian literature, this two-volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio-bibliographical essays describing the principal writers and their works. These essays examine the evolution of Christian thought as reflected in the literature of every age. The companion volume also features bibliographies, an index, a timeline of Christian Literature, and a list of the greatest Christian authors. The encyclopedia will appeal not only to scholars and Christian evangelicals, but students and teachers in seminaries and theological schools, as well as to the growing body of Christian readers and bibliophiles.

The Wounded Spirit Frank Peretti, 2000-11-13 If you've ever been there, you've never forgotten. The feeling is as haunting and familiar as the smell of a junior high school locker room. It's the feeling of being undersized ... or oversized ... or klutzy ... or less than beautiful. Of being a nerd ... or a geek ... or just, somehow, different. It's knowing you are vulnerable- and someone is ready and willing to take full advantage of your weakness by making your life miserable. It's the fraternity you never wanted to join-the fellowship of the wounded spirit. And bestselling novelist Frank Peretti is a member, too. This book is the haunting true story of pain Frank Peretti never forgot but never, until recently, shared with the world. It's the story of growing up with a medical condition that left him disfigured. A series of surgeries and the slow miracle of answered prayer took care of the deformity, but not the underdeveloped frame or the excruciating reality of being different. And it was for these petty crimes that Peretti was prosecuted every day at school-especially in gym class, but also in the halls, on the school grounds, even in his own neighborhood. No wonder he found himself relating to movie monsters who were hated but also feared-and who eventually exacted a bloody revenge on their tormentors! In Peretti's case, deliverance eventually came-through time, through prayer, through a teacher's caring intervention, and his own willingness to seek help. But he has never forgotten what life was like at the bottom of the junior high foodchain. And from the reservoir of those agonizing memories he sends a compelling message to victims, to bullies, and to authorities who have the power to intervene-that it's never OK for the strong to abuse the weak. And that we allow such abuse at the expense of our souls ... and our very civilization. Especially in the wake of the massacre at Columbine High School-perpetuated by two troubled but also tormented outsiders--this message takes on haunting resonance. Frank Peretti believes we cannot afford to overlook the continuing reality of wounded spirits, not only in our schools, but in our homes, churches, and workplaces. His approach is both tender and tough as he issues a ringing call for a change in attitude. It's a call for all of us to stop thinking of abuse as normal, even among

kids. It's a call for the strong to stand up and protect the weak, not prey upon them. It's a call for those in authority to pay attention to the violence being done to the vulnerable in the midst of our everyday lives and to take action to help. Most of all, it's a call for bullies and victims alike (many of us are both) to seek the healing and forgiveness offered in Jesus Christ. For that healing is really the heart of this book-the only reality that can break the natural cycle of victimization and abuse. Only in Christ, Peretti reminds, is there hope for the wounded spirits-but that hope is powerful enough to change everything.

Then a self-proclaimed prophet mysteriously appears with an astounding message. The national media and the curious flock to the little town--a great boon for local business, but not for Travis Jordan. The burned-out former pastor has been trying to hide his past in Antioch. Then someone--no, something--emerges from the dense woods and begins pursuing them. Everything that follows is a blur to Reed--except for the unforgettable image of a huge creature carrying his wife into the darkness. Dependant on the efforts of a

small town and a band of friends, Reed knows they have little time to find Beck. Even more important, he soon realizes that they aren't the only ones doing the hunting. Something much faster, more relentless--and definitely not human--has begun to hunt them. Frank Peretti is at the top of his game in this New York Times best-selling novel of survival of the fittest.
