The Sisterhood Dorothy Allred Solomon,2025-10-16 Many hold a deep fascination with Mormonism but erroneously think of it as a secret religion that celebrates polygamy and confinement. Most outsiders regard Latter-day Saint women as submissive and pitiable. In *The Sisterhood*, award-winning author Dorothy Allred Solomon takes us inside the lives of women of the faith. She focuses on the roles of Mormon women in the nineteenth, twentieth, and twenty-first centuries, including fascinating personal stories about family, children, and husbands. Fatima Jinnah M. Reza Pirbhai,2017-05-27 Although fifty years have passed since the death of Fatima Jinnah - author, activist and stateswoman known in Pakistan as the 'mother of the nation' - this is the first scholarly biography to tackle her life in full. Her background and contribution to Muslim nationalism under the British Raj, as well as her various efforts to consolidate the state, including a run for president in 1964, are told through previously untapped archival sources. Examining her life in the context of scholarship on South Asia and on women in Islam, Pirbhai assesses Fatima Jinnah's role through the theoretical lens of the colonial 'new woman'. This is essential reading for all those interested in modern South Asian and Islamic history, particularly the themes of gender and colonialism, the roots of Muslim nationalism and the early challenges facing the Pakistani state, as shown through the extraordinary lived experience of its most influential female activist.
