When First Love Is Unrequited Evelina Pod,2015-09-20 We all want to fill the world with silly love songs, and, to paraphrase Paul McCartney, there is nothing wrong with that. Unfortunately, the course of love rarely runs smooth, and sometimes it just doesn't run at all. When we run up against a situation where we have feelings of tenderness for someone or even entertain feelings of longing toward them, it is our dearest wish for that person to return those feelings... Here Is A Preview Of What You'll Learn... When and why we fall in love If first love is unrequited Connection with object of love When will it End? Next steps (c) 2015 All Rights Reserved ! Comedy Quotes from the Movies Larry Langman,Paul Gold,2001-05-29 Clever repartee, double entendres, punch lines and many other variations of humor have been a staple of movie dialogue since the advent of talkies. Collected here are over 4,000 of the best comedic lines from the movies. The compilers of this book have tried to bring together some of the funniest, wittiest and most outrageous snatches of dialogue on film over a sixty year time period. For each entry the authors set the quotation in context, provide the name of the actor or actress, the name of the movie and the year of release. The quotations are arranged by a broad range of categories, such as politics, food and eating, gambling, and many others. A title index and a name index follow the body of the book..

Tom Stoppard's Plays Nigel Purse,2016-11-01 In Tom Stoppard's Plays: Patterns of Plenitude and Parsimony Nigel Purse assesses the complete canon of Tom Stoppard's works on a thematic basis. He explains that, amongst the plenitude of chaotic comedy, wordplay and intellectual ping-pong of Stoppard's plays, the principle of parsimony that is Occam's razor lies at the heart of his works. He identifies key patterns in theme - ethics and duality - and method - Stoppard's stage debates and his dramatic vehicles - as well as in theatrical devices. Quoting extensively from all Stoppard's published works, many of his interviews and also unpublished material Nigel Purse arrives at a comprehensive and unique appraisal of

Stoppard's plays.

The Diary of Nannie Haskins Williams Minoa D. Uffelman, Ellen Kanervo, Eleanor Williams, Smith Phyllis, 2025-12-08 In 1863, while living in Clarksville, Tennessee, Martha Ann Haskins, known to friends and family as Nannie, began a diary. *The Diary of Nannie Haskins Williams: A Southern Woman's Story of Rebellion and Reconstruction, 1863-1890* provides valuable insights into the conditions in occupied Middle Tennessee. A young, elite Confederate sympathizer, Nannie was on the cusp of adulthood with the expectation of becoming a mistress in a slaveholding society. The war ended this prospect, and her life was forever changed. Though this is the first time the diaries have been published in full, they are well known among Civil War scholars, and a voice-over from the wartime diary was used repeatedly in Ken Burns's famous PBS program *The Civil War*. Sixteen-year-old Nannie had to come to terms with Union occupation very early in the war. Amid school assignments, young friendship, social events, worries about her marital prospects, and tension with her mother, Nannie's entries also mixed information about battles, neighbors wounded in combat, U.S. Colored troops, and lawlessness in the surrounding countryside. Providing rare detail about daily life in an occupied city, Nannie's diary poignantly recounts how she and those around her continued to fight long after the war was over—not in battles, but to maintain their lives in a war-torn community. Though numerous women's Civil War diaries exist, Nannie's is unique in that she also recounts her postwar life and the unexpected financial struggles she and her family experienced in the post-Reconstruction South. Nannie's diary may record only one woman's experience, but she represents a generation of young women born into a society based on slavery but who faced mature adulthood in an entirely new world of decreasing farm values, increasing industrialization, and young women entering the workforce. Civil War scholars and students alike will learn much from this firsthand account of coming-of-age during the Civil War. Minoa D. Uffelman is an associate professor of history at Austin Peay State University. Ellen Kanervo is professor emerita of communications at Austin Peay State University. Phyllis Smith is retired from the U.S. Army and currently teaches high school science in Montgomery County, Tennessee. Eleanor Williams is the Montgomery County, Tennessee, historian.

Broken Song Barry Hill,2002 An important, timely and compelling biography of a man possessed by two cultures, whose life in translation led to the creation of one of the great books of the world - and the accusation that he finally betrayed what was sacred.'A group of men, their heads and bodies shaking rhythmically, chanting with the enthusiasm that made them forget age & weakness & becoming young again in spirit, glowing fires ... a windbreak of boughs, a moon dripping through fleeing clouds, the rising and falling of the chant melody, like the breathing that gives us life, - what an unforgettable scene!'Thus wrote T.G.H. Strehlow in 1935, as he started out on his life work translating for his great book, SONGS OF CENTRAL AUSTRALIA, which OVERLAND called 'the great source book of the poetic lore of the region ... a huge, marvellous, astonishing gift of a book - a gem, a jewel in the lotus.'Prize-winning poet and historian Barry Hill, with exclusive access to Strehlow's diaries, has written a major work about the troubled man who grew up on the Hermannsburg mission, became the first Patrol Officer of Central Australia, called himself the 'last of the Aranda', and compulsively collected secret-sacred objects and images. BROKEN SONG straddles a century of Australian history, from the race wars on the frontier to the modern era of Aboriginal land rights, tracking Strehlow's creative and tragic life in translation.
