The Complete Book of 2010s Broadway Musicals Dan Dietz,2020-09-10 This volume contains detailed information about every musical that opened on Broadway from 2010 through the end of 2019. This book discusses the decade's major successes, notorious failures, and musicals that closed during their pre-Broadway tryouts. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues.

Movie Musicals on Record ,1989-06-26 This discography provides a comprehensive listing of the songs from motion picture musicals, and the singers who performed them on commercially available albums. Covering the period from *The Jazz Singer* in 1927 to *Three Amigos* in 1987, and including 666 albums and 6,500 song titles, the book is a companion volume to Lynch's *Broadway on Record* (Greenwood Press, 1987), arranged in a similar format. While the scope is primarily American, albums of some foreign films that became popular in this country have been included. The entries are listed alphabetically by film title with the name of the company that produced it and the year it was first released. Remakes of musical films are listed chronologically, and the original label and number are given, as well as information on the most recent reissue. This thoroughly researched reference offers easy access to a wealth of information on the subject of recorded songs from motion picture musicals and assists the user in identifying many little-known facts, such as the names of the title-song singers, names of singers who dubbed the voices of the stars, and additional composers and lyricists where there were several contributors to the film's score. Also provided is a complete guide to recording availability and type, and major composer, lyricists, and musical conductor credits are given, with an alphabetical list of cast members who sing on the recording. An exhaustive source for students and scholars of film history, film music, and popular culture, this book will be a valuable addition to all university and public libraries.

Catalog of Copyright Entries, Third Series ,1966 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim (the name of the copyright claimant as given in the application for registration, the copyright date, the copyright registration number, etc.).

Granger's Index to Poetry and Recitations, 1929

White Light/White Heat Richie Unterberger, 2009-06 A comprehensive history of the influential cult band draws on dozens of new interviews and previously undiscovered archive sources, tracing their initial lack of success before they inspired and were championed by such artists as David Bowie. Original.

I'd Rather Be The Devil Stephen Calt, 1994-08-21 Skip James (1902-1969) was one of the greatest Mississippi bluesmen, and perhaps the most creative and idiosyncratic of all blues musicians. His 1931 performances of Devil Got My Woman, I'm So Glad, and 22-20 Blues are masterpieces that transcend the genre. *I'd Rather Be the Devil* is the first biography ever written of James--and one of the few accounts of the dangerous and disreputable life of a professional blues musician. Drawing largely on hundreds of hours of conversations with James himself, Stephen Calt paints a dark and unforgettable portrait of a man untroubled by his own murderous inclinations, a man who achieved one moment of transcendent greatness in a life haunted by failure. And in doing so, Calt offers new insights into the nature of the blues, the world in which it thrived, and its fate when that world vanished. Book jacket.

A Supplement to Granger's Index (1919-1928). Edith Granger, 1929

Two Novellas and a Short Story Jeremy L Hunter, 2024-10-07 *Two Novellas and a Short Story* (Cartoonis Logicus) is a collection of satirical stories that are in turn whimsical, depraved, humorous, horrifying, political, anti-political, all-too-human, and startlingly alien. The focus is on mimicking assumptions about important things ranging from politics to the several thousand-year-old question of how one should live one's life (or if one should) and adding surprising elements of nonsense in order to subvert our most common intuitions about these subjects. The author's deadpan delivery leaves readers unsure whether they're reading a cartoon or living in one.

Cowboy Lyrics Robert Van Carr, 1908

I'd Rather Be Me Than Be with You North Shore, Write Run, 2018-09-09 A simple sentimental journal for fans of the Broadway musical *Mean Girls*. *** This book alternates 4 LINED pages for writing and 2 BLANK pages for sketching/drawing throughout the interior - Size 5.2 x 0.2 x 8 with 110-pages total. *** Not only does it make a great coffee table book, but its pages can be used as a travel log, diary of milestones, a record of special memories, a place for random sketches and diagrams, a very long bucket list, a notebook for tips and tricks, or all of the above. Make the gift even more special by writing a note or two of your own and tucking a little cash or gift certificate into the folds. Related terms: high school cliques, mean girls, popular girls, attractive girls, cheerleaders, rich girls, affluent girls, alpha girls, grool, skeez, social suicide. On the BACK COVER: Off-Broadway Musical and Motion Picture: *Mean Girls* --- A quote taken from the lyrics of the song *I'd Rather be Me*, sung by Janis just after Regina gets her revenge on Cady by distributing pages of her *Burn Book* around the school. The story, written and produced by Tina Fey, is about a teenager named Cady who was home-schooled in Africa by

her zoologist parents. When her family moves to the suburbs of Illinois, she learns that high school can be another type of wildlife altogether with its cliques, Queen Bees and Wannabes (Rosalind Wiseman's 2002 non-fiction). Mean Girls, book by Tina Fey, music by Jeff Richmond, lyrics by Nell Benjamin.
