**George St. Clair**

**Noah and Sons** Michael Christian Bell,2013-06-14 When Noah began constructing the Ark nobody knows what people thought or said to him. It must have seemed strange because it never rained in Noah's world; that means no floods. Noah advertised that God was going to destroy the world with a catastrophic flood. It took him and his three sons one hundred and twenty years to complete the ship; fortunately people lived longer in those times because of the pristine and healthy environment. The problem was humanity; the people were wicked, violent and corrupt. Even though a major flood warning alarm rang loud and long the people were unbelieving and indifferent to God; only eight persons survived the Great Flood. "Look life carries on as normal and that guy Noah has worked on that Ark for... well, I can't remember when he started, but it seems like a hundred years already. Gosh how does he afford it? Anyway, I am getting married next year and then we plan to move to the opposite side of the continent so I probably won't get to see him finish the boat; but it's impressive; no doubt about that. Oh look, I can't believe God will send a flood; besides God hasn't communicated with humans since Adam's time."

Pink Ribbon Bible NRSV, The (Italian Leath, Pink) Harper Bibles,Tracie Metzger,2009-09-01 Breast cancer has a new face: women under the age of 40. More than 11,000 young women will be diagnosed with breast cancer in the next year, while more than 250,000 American women under the age of 40 are already living with this disease. Young women are unaware that they are at risk for breast cancer, and those that have been diagnosed often feel isolated and alone. THE PINK RIBBON BIBLE will raise awareness of and funds for breast cancer among young women. \$1.00 of the proceeds from each consumer purchase will go to support Pink Ribbon Girls, a nonprofit organization that connects young breast cancer survivors, as well as provides support, education, and awareness for early detection to help young women live beyond breast cancer. A blow-in insert will include a special message from Tracie Metzger, co-founder of Pink Ribbon Girls and spokesperson for this product. Tracie Metzger was 30 years old when she was diagnosed and had two children ages three and eleven months. In the midst of six months of chemotherapy and a double mastectomy with reconstruction, Tracie went into menopause for a year at age 31. Not long after that, Tracie came out of menopause and was blessed with a daughter whom she named Hope, after all that she'd been through, followed by a son 16 months later. Pink Ribbon Girls was founded in October 2001 when Tracie Metzger and Dawn Harvey realized there was no specific group for young women dealing with breast cancer. Through this nonprofit, nationwide organization (with members in 44 states), young women are offered education and awareness for early detection, support, and an outlet to express fears. The topics of discussion at group meetings include, dating, caring for young children while undergoing treatment and fitness and nutrition. Pink Ribbon Girls has a national, searchable database, providing a way for them to connect with other young women with similar demographics and life circumstances. As the spokesperson for THE PINK RIBBON BIBLE , Tracie also spends her time focusing on educating the public and raising awareness about young women with breast cancer through public speaking. This limited edition NRSV Go-Anywhere™ Compact Thinline Bible is the most portable edition of the NRSV available today. At less than one inch thick, this compact edition combines the portability you'd expect in a compact Bible with the readability of a larger Bible. Perfect for personal use or to encourage someone who has been affected by breast cancer.
