**He Knows Her Name** Kelly McCorkle Parkison,2016-05-03 There are an estimated 20 million orphans in the country of India. Thanks to Kelly and Scott Parkison, that number has decreased by one. Having promised to never return to India after her experience on the reality show The Amazing Race, Kelly never dreamed she would one day be a mother to a beautiful Indian girl named Lyla. This is the amazing and true story of how God uses the most unlikely circumstances for His greater purpose. Calling the Parkison's adoption story a rollercoaster ride of emotion would be an understatement. After almost every major decision in the Parkison's adoption process, God put a twist in their carefully laid plans only to lead them to greater opportunities. Faced with an overwhelming amount of fundraising, mountains of adoption paperwork, an unexpected pregnancy, a medical issue to patch with their new daughter, and the adjustment of bringing their child into a new culture, the Parkisons clung to God through their whirlwind adoption of Lyla. Their heartwarming story is a beautiful testament to the gift of adoption on this earth and the love of God for all of us as His children.

**The Name Book** Dorothy Astoria,2008-11 A comprehensive book of 12,000 names, including their meanings, origins, and spiritual significance, with a supporting Scripture for each.

*Gnostic Secrets of the Naassenes* Mark H. Gaffney,2004-04-19 Reveals the hidden meaning of the Grail and a secret Christian doctrine for achieving higher consciousness • Shows that Gnosticism is not a derivative of Christianity but the revelation of the true message of Jesus • Describes the ancient relationship between water and spirit • Explains the doctrine of immanence taught by Jesus at the Last Supper • Features the translated source text from The Refutation of All Heresies by Bishop Hippolytus, the only existing record of the Naassene Sermon In the third century C.E., the Catholic Bishop Hippolytus composed A Refutation of All Heresies in which his chief target was the Gnostic sect the Naassenes, whose writings included a recounting of Jesus' actual teachings at the Last Supper. Contrary to Church attacks, the Naassenes were not a heretical derivative of Christianity but the authentic foundation and purveyor of Christ's message. In fact, much of what passes as Christianity has nothing to do with the original teachings of its founder. The message recorded in the Naassene Sermon was intended for an inner circle of disciples who were prepared for advanced initiation into Jesus' wisdom teachings. The Grail discussed therein was not an actual chalice but a symbol of the indwelling of the divine. The teachings involved the awakening of spirit and included practices aimed at restoring the soul's lost connection with God. Immanence, in the true

sense intended by Jesus, thus allows for spiritual attainment in this life by ordinary individuals without the intermediary of Church or priest. This was the real meaning of the Last Supper and why the Naassenes believed that Jesus was the fulfillment of all the Mystery traditions.
