## Harriet Martineau

**The Ball at Versailles** Danielle Steel, 2023-11-21 NEW YORK TIMES BESTSELLER • Four American debutantes attend a renowned Paris cotillion in Danielle Steel's captivating new novel. It's the summer of 1959 and the Palace of Versailles is hosting an event that will make history. It is an exclusive dusk-to-dawn ball in which a select group of American and French debutantes will be presented to international society and royalty. Four young women, all with something to prove, receive what some see as the invitation of a lifetime. Amelia Alexander, who hopes to eventually attend law school, hesitates to participate in what she sees as an archaic and privileged tradition. But her indomitable widowed mother, Jane, who's struggled financially and sacrificed for a career, encourages her to attend. Jane would do anything for Amelia to have the chance at a happily ever after. Felicity Smith is equally uncertain about the ball. Although her family is prominent in the Dallas social scene, Felicity prefers to keep to herself, avoiding the older sister who torments her. But to get out of her sister's shadow, Felicity decides to accept. If it's a success, the tables will have turned at last. For Caroline Taylor, the beautiful ingénue and daughter of Hollywood legends, the ball is an irresistible opportunity. But an unexpected heartbreak just before she leaves for France gets things off to a bad start. Then there's Samantha Walker, an art history major with an overprotective father. Her excitement about the invitation is overshadowed by the emotional and physical effects of a past tragedy that still haunts her. For all these young women, Paris and one transcendent night will change their lives forever. Bestselling author Danielle Steel extends an invitation to all, in *The Ball at Versailles*.

**The Ball at Versailles** Danielle Steel, 2023-11-23 A special invitation. A night to remember . . . The Ball at Versailles is a sparkling, captivating tale of four young women and one life-changing night, from the billion-copy bestselling author Danielle Steel. 1958. The Palace of Versailles is hosting an event that will go down in history. It is a glamorous dusk-to-dawn ball, where a select group of debutantes will be presented to international society and royalty. And for four young women, all with something to prove, it is an event they will never forget. Amelia Alexander is the daughter of a hard-working, single mother who sacrifices everything to ensure that Amelia can take every opportunity for a better life. Caroline Taylor is pursuing a passionate affair with an up-and-coming movie star ten years her senior. But does he love her, or is his interest because of her famous father? Nuclear physics student, Felicity Smith, is uninterested in fashion and socializing, but she attends the ball to please her parents and to step out of the shadow of her sister. And Samantha Walker is the beloved, over-protected

daughter of a wealthy businessman, her excitement about the invitation overshadowed by a past tragedy that still haunts her. An exclusive invitation, a trip to Paris, and one spectacular, show stopping night will change these young women's lives forever . . .

Marie-Antoinette and Count Fersen Evelyn Farr,2014-04-01 A new edition draws on fresh evidence from archive sources—including decoded secret correspondence—to peel back the layers of misinformation obscuring the Queen's great love affair and to reveal its impact on the destiny of the French Royal Family The tragic life of Marie-Antoinette, last Queen of France, has assumed almost mythical proportions. A victim of political intrigue, she was known as the Austrian whore and accused of every imaginable sexual and political crime. Yet after the French Revolution she was reinvented as a martyr, and the image of the woman behind the propaganda grew even more distorted. Daughter of the Austrian Empress Maria Theresa, Marie-Antoinette was married at the age of 15 to the heir to the French throne. The vivacious Archduchess had charm and intelligence, while the Dauphin, crowned Louis XVI in 1774, was boorish, gauche, and unable to consummate their marriage. Rebuffed by him, the young girl engaged in a hectic social life and looked elsewhere for love. This book charts her transformation from reckless teenager to dignified yet misunderstood Queen and maps out in detail her enduring relationship with Axel von Fersen. Their liaison, based on deep affection and mutual passion, began long before revolutionary storm clouds gathered over France. Although known to insiders at court, her love for the chivalrous and handsome Swedish Count

was suppressed in the many attempts to manipulate the Queen's image.

**The Bals Publics at the Paris Opéra in the Eighteenth Century** Richard Templar Semmens,2004 The range of possibilities for what was termed a ball in eighteenth-century France was quite considerable. At one extreme were the carefully regulated bals parés at the other were the elaborately staged bals masqués. Alternatively, a bal could also be an entirely impromptu affair. Throughout this colorful range of possibilities, the repertoire of dance styles and types was generally shared: danses figures, new as well as old, for couples; and group dances, among which the contredanse reigned supreme. There was another kind of ball, however, that has not yet been examined systematically by scholars. The bals publics held at the opera house in Paris were initiated not long after Louis XIV's death in 1715, and remained popular until the fall of the ancienne régime. This book explores the advent and early development of the bal public through 1763, when a fire destroyed the home of the Académie Royale de Musique (the 'Opera'). The bal public was unlike any other kind of ball, although, as with bals masqués, those in attendance were masked. This study aims, in part, to explore how the bal public might have influenced social dancing more generally. By 1744, there was a dramatic shift in social modeling from the royal balls at Versailles (and elsewhere) to the public balls at the Opera.

*After the Ball* Patricia Beard,2021-06-02 Set in 1905, against a backdrop of magnificence, excess and corrupting glamour, After the Ball's themes are stunningly fresh: greed and chicanery, flawed love between fathers and sons, and contradictory American attitudes about wealth. Glamorous, cultured and ambitious - but fatally young and naïve - James Hazen Hyde was twenty-three when he inherited the majority shares in the billion-dollar Equitable Life Assurance Society in 1899. Five years later, at the pinnacle of social and financial success, he made a fatal miscalculation, and set in motion the first great Wall Street scandal of the twentieth century. On the last night of January 1905, Hyde gave one of the most fabulous balls of the Gilded Age. Falsely accused of charging the party to his company, he was sucked into a maelstrom of allegations of corporate malfeasance that involved the era's most famous financiers and industrialists. "Wonderfully foreboding...exactly on pitch...a textured and compelling tragedy"—USA Today

They have free access to share, print and post images for personal use.

**Playboy Princes** Peter Beer, 2016-07-20 A fascinating dual biography proves that controversial Royal Family members are not necessarily only a feature of late 20th- or 21st-century life Edward VII (1841-1910) and his grandson Edward VIII (1894-1972) were born in different eras, but it is illuminating to compare the early and middle years of the two Princes of Wales as kings in waiting and discover how their youth informed their years on the British throne. The privileges of rank aside, they were heirs to an unenviable role, and this study presents a unique portrait of strained apprenticeships for which there was no satisfactory precedent. Theirs was an upbringing dictated by dogmatic prescription and the heavy weight of obligation. As they pursued their lives according to their distinct personalities, they were never relieved of parental strictures, especially with regard to Queen Victoria and her eldest son, who filled the void with shallow interests, a profligate style of living, and the delights of Parisian nightlife. Inevitably the two princes were consigned to filling much of their time with insubstantial engagements not best suited to their characters and which reveal a common vulnerability. In the case of the future Edward VIII, he took a jaundiced view of matters of state and preferred dance floors, riding to hounds, and the ministrations of lovers. This book is the story of the heirs' progress that provides often unexpected perspectives on two public figures better known through the history of their respective reigns. For readers in this era, the similar position of Prince Charles ensures that this survey is as timely as well as a surprisingly entertaining read.
