*From Unconsciousness to Consciousness* Osho, 2023-09-16 After one thousand, three hundred and fifteen days of silence, it feels as if I am coming to you from a totally different world. In fact it is so. The world of words, language, concepts, and the world of silence are so diametrically opposite to each other, they don't meet anywhere. They can't meet by their very nature. Silence means a state of wordlessness; and to speak now, it is as if to learn language again from ABC. But this is not a new experience for me; it has happened before too.

The Other Within Daniel Deardorff, 2022-11-08 Reveals myth and "otherness" as keys to restoring self, nature, and society • Shows how myths contain medicine to restore wholeness amidst trauma, exile, sudden life change, disability, illness, death, or grief • Synthesizes lessons from shamanic practice, quantum physics, alchemy, soul poetry, wildness, social justice, and the author's lived experience • Discloses the blessings of outsiderhood and the gifts and insights gained and contributed to culture by those who are marginalized and outcast There is an "other" that lives within each of us, an exiled part that carries wisdom needed for ourselves and the culture at large. Having survived disabling polio as an infant, Daniel Deardorff knows the oppressions of exclusion and outsiderhood. He guides readers on an initiatory journey through ancient myth, literature, and personal revelation to discover our own true identity. These 10,000-year-old stories contain sacred medicine with insights that release imagination and restore wholeness amid trauma, exile, climate chaos, disability, illness, death, and grief. Illustrating how archetypal figures of the Other--the Trickster, Daimon, Not-I, etc.--hold paradox, Deardorff teaches us to reframe disparities of self/other, civilization/ wilderness, form/deformity and transform the experience of being outcast. Synthesizing lessons from shamanic practice, quantum physics, alchemy, social justice, and his own lived experience, Deardorff affirms the disruptive and transgressive forces that break through dogma, conventionality, and prejudice. He discloses blessings of outsiderhood and gifts to culture by those who are marginalized. Through mythmaking (mythopoesis), the experience of Otherness--cultural, racial, religious, sexual, physiognomic--becomes one of empowerment, a catalyst for human liberation.

*Dragon Blood: The Complete Series* Avril Sabine,2016-06-18 \*\*\*This is a bundled edition of the following five stories.\*\*\*

Genre: Young Adult Urban Fantasy. Word Count: 281,113 When dragons have the ability to shapeshift, anyone could be one. Even the boy sitting next to you. Dragon Blood 1: Pliethin Word Count: 57263 Sixteen-year-old Amber's life, that was once completely normal, is dramatically changed when she is forced to move to a small Queensland town west of Brisbane. Suddenly dragons are no longer creatures of myth. Amber becomes caught up in their world of clans, survival of the fittest, ancient traditions, dangerous enemies and dragon warriors. Dragon Blood 2: Wyvern Word Count: 57087 Amber struggles to keep up with the constantly changing alliances amongst dragons and is worried Ronan, an ancient dragon, might not keep his end of the bargain they made. Life is filled with secrets and sometimes Amber just wants to get away from it all, which makes her jump at the chance to visit dragon lands. Her excitement over the visit is ruined when she learns someone wants her dead. And they're willing to pay her weight in gold to make their wish come true. Dragon Blood 3: Surety Word Count: 55355 Amber learns that her family has a more interesting past than even she could have imagined. That past is now creating problems for her. Negotiations, attacks by an unknown enemy and her mother discovering some of her secrets causes even more complications. The only thing that hasn't changed is that someone wants her dead. She needs to find out who it is before they can succeed and she doesn't get the chance to live long enough to figure out how to solve all her other problems. Dragon Blood 4: Knight Word Count: 56052 Amber is starting to feel that her list of enemies is growing longer by the minute. Those she cares about are threatened and during a surprise attack she fears one of her people is killed. Her life is spinning out of control, there are too many people she desperately wants to keep safe, but she can't be with all of them at once. There's only one of her and so many of them. It's tearing her apart. Dragon Blood 5: Mage Word Count: 55356 Amber wants to take back control of her life. She's fed up with assassins, death threats, unrealistic expectations, nightmares and secrets. The secrets most of all. Especially Ronan's secrets and in particular his secret that she knows will scare the hell out of her and will probably never let her have another moment of peace. Maybe some secrets shouldn't be told. These stories were written by an Australian author using Australian spelling. Keywords: teen/young adult, magic, action, adventure, romance,

strong female character, Queensland Australia, dragon shapeshifters, survival of the fittest.
