Luke Gilkerson, Trisha Gilkerson

The Talk Luke Gilkerson, 2014-07-28 When it comes to the matter of teaching kids about sex, Christian parents are often confused about what to say and when to say it. The Talk is a series of 7 studies, all anchored in the Scriptures, that helps parents to talk meaningfully with children about sexuality. The Talk was written for parents to read with children ages 6 to 10 years old. The study supplies elementary-age children with foundational truths about sexuality at a level they can understand.

Raising Wise Kids in a Sexually Broken World Laurie Krieg, 2026-01-13 This book is a gift to all parents trying to navigate the complexity of raising children in today's world. ... I wish I could make this book required reading for every parent. - Christine Caine, founder of A21 and Propel Women How can you raise your children to not just to survive but to thrive in a world filled with complex and confusing conversations about gender, sexuality, and relationships? Navigating the birds and bees is challenging enough for parents. Kids today are faced with all sorts of complex issues, and often at a very early age. When is it too early to talk about sex? How can we begin to view the gender conversation? How do we help our kids not to approach the world fearfully but to walk into it confidently--even in the world's most controversial spaces? Laurie and Matt Krieg believe that, as a Christian parent, you can approach sexual topics with confidence and grace by laying a solid gospel-centered foundation from early childhood onward. Raising Wise Kids in a Sexually Broken World offers you theological guidance, parenting principles, and age-appropriate insights for addressing complex issues in healthy ways: issues like marriage and singleness, God's design for sex, same-sex attraction and sexual orientation, gender identity, sexual abuse, and pornography. In Raising Wise Kids in a Sexually Broken World, you'll learn to: Present God's purpose for both marriage and singleness Explain God's design for sex with clarity Discuss gender identity from a biblical perspective Protect your children from sexual abuse Prevent porn addiction Promote online safeguards Raising Wise Kids in a Sexually Broken World is a timely and essential resource for today's Christian parents. Rather than retreating in fear, you can respond to the brokenness of the world with the goodness, truth, and beauty of the gospel and help your kids to do the same. Cast a gospel vision for your kids so that no matter how they experience sexual brokenness within them or around them, they have the tools they need to choose the way of Jesus no matter what.

5 Things Every Parent Needs to Know about Their Kids and Sex Anne Marie Miller, 2016-05-17 Real Help for the Toughest Talks Most parents dread talking about sex with their children. Anne Marie Miller loves giving the talk. As she has

shared her personal story and talked about God's gift of sex with almost half a million young people, she's noticed some disturbing patterns: · Google is how kids learn about sex · Kids are learning about sex and viewing pornography earlier than parents think · The sexually abused often don't tell anyone for fear of getting in trouble · Sexual messages are being consumed daily through mainstream and social media · Most parents think their child is the exception Instead of sweeping this topic under the rug, Miller wants to change the narrative. In this immensely practical and well-researched book, she equips parents to have meaningful and age-appropriate conversations with their children about sex, pornography, and sexual abuse. She advises parents on how to keep the lines of communication open so that their children know they can trust them with their fears, struggles, and mistakes. Most important, she offers hope to worried parents that their children can grow up with a healthy biblical view of sex as a gift from God.

Beyond Birds and Bees Bonnie J. Rough, 2018-08-21 A provocative inquiry into how we teach our children about bodies, sex, relationships and equality -- with revelatory, practical takeaways from the author's research and eye-opening observations from the world-famous Dutch approach Award-winning author Bonnie J. Rough never expected to write a book about sex, but life handed her a revelation too vital to ignore. As an American parent grappling with concerns about raising children in a society steeped in stereotypes and sexual shame, she couldn't quite picture how to teach the facts of life with a fearless, easygoing, positive attitude. Then a job change relocated her family to Amsterdam, where she soon witnessed the relaxed and egalitarian sexual attitudes of the Dutch. There, she discovered, children learn from babyhood that bodies are normal, the world's best sex ed begins in kindergarten, cooties are a foreign concept, puberty is no big surprise, and questions about sex are welcome at the dinner table. In *Beyond Birds and Bees*, Rough reveals how although normalizing human sexuality may sound risky, doing so actually prevents unintended consequences, leads to better health and success for our children, and lays the foundation for a future of gender equality. Exploring how the Dutch example translates to American life, Rough highlights a growing wave of ambitious American parents, educators, and influencers poised to transform sex ed -- and our society -- for the better, and shows how families everywhere can give a modern lift to the birds and bees. Down to earth and up to the minute with our profound new cultural conversations about gender, sex, power, autonomy, diversity, and consent, Rough's careful research and engaging storytelling illuminate a forward path for a groundbreaking generation of Americans who want clear examples and actionable steps for how to support children's sexual development -- and overall wellbeing -- from birth onward at home, in schools, and across our evolving culture.

Relationships Luke Gilkerson, Trisha Gilkerson, 2016-08-30 Relationships was written for parents to read with their kids ages 11-14 years old. This study will help prepare your teen for sexual temptations that they are sure to encounter and give them a greater understanding of biblical sexuality. As Christian parents, it is of utmost importance that we're guiding our teens through the sometimes overwhelming sexual desires and temptations they experience. Relationships is a series of 11 Bible studies that provide a foundational understanding of how to navigate sexual temptations and desires in a godly manner.

Changes Luke Gilkerson, Trisha Gilkerson, 2015-10-16 Acne. Pubic hair. Breasts. Squeaky voices. Menstruation. Nocturnal emissions. Make no mistake, puberty can feel like an awkward time in a child's life. But with the right perspective, children can be taught to anticipate puberty as a blessing. Changes is a series of 7 studies, anchored in the Scriptures, that helps parents talk meaningfully with children about the mental, emotional, and physical changes puberty brings. Changes was written for parents to read with children ages 8 to 12 years old. The study supplies children with a Bible-based understanding of puberty in a language they can understand.

Parenting Brett Ullman, 2020-07-31 After more than two decades and over two thousand presentations, my interactions with parents reveal that although most want to learn and parent their best, they feel ill-equipped. Kids don't come with manuals. The goal of this book is to equip and empower you as a parent, grandparent, or youth leader to help kids navigate all aspects of life in the current culture. How do we sift through the unending philosophies on parenting and be intentional in how we choose what's best for our family? The number of voices is overwhelming. This book distills the essential elements of parenting so you can apply them in your own home. It approaches parenting from a Christian perspective and is filled with practical advice that is applicable to everyone. As we explore the foundations of parenting, we will look at: Parenting. What are the stages of parenting? What is the current state of parenting? What is the purpose of parenting? Parenting styles. What are they and which ones should I be using? What might I need to alter about my current parenting style? Progression of parenting. What are the skills our children need to learn? Time. What does quality time and being present with my kids look like? Communication. How can I gain better communication skills so that I can more effectively connect with my kids? Discipline. How do I effectively discipline my children? Family discipleship. Why is our worldview important, and how we can raise kids with a Christian worldview? Mental Health. How do we address issues like anxiety, panic attacks, and depression? Engaging the Culture. How do we empower our kids to engage the culture around us without compromising their faith? Media. How can we help our kids navigate technology? Sexuality. How do we direct our kids towards healthy sexuality? Pornography. What is the prevalence of pornography and how do we address its impact on our kids? Dating. How do we best

avoid pitfalls in dating? Finances and education. How can we help our children make sound financial and education choices? Drugs and alcohol. What tools are available to assist in drug-proofing our kids? Loneliness. How do we prevent disconnection in our kids and help them to create community?

The Talk Luke Gilkerson Introduction

In today's digital age, the availability of The Talk Luke Gilkerson books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now

access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Talk Luke Gilkerson books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Talk Luke Gilkerson books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Talk Luke Gilkerson versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Talk Luke Gilkerson books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Talk Luke Gilkerson books and manuals,

several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Talk Luke Gilkerson books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Talk Luke Gilkerson books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and

various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Talk Luke Gilkerson books and manuals for download and embark on your journey of knowledge?
