

Wacht Am Rhein Text

Stephen Green

Die Wacht am Rhein: das deutsche Volks- und Soldatenlied des Jahres 1870 Max Schneckenburger, 1871

Die Nonna Rudolf Baumbach, 1915

Reluctant Meister Stephen Green, 2014-11-15 The Euro crisis has served as a stark reminder of the fundamental importance of Germany to the larger European project. But the image of Germany as the dominant power in Europe is at odds with much of its recent history. *Reluctant Meister* is a wide-ranging study of Germany from the Holy Roman Empire through the Second and Third Reichs, and it asks not only how such a mature and developed culture could have descended into the barbarism of Nazism but how it then rebuilt itself within a generation to become an economic powerhouse. Perhaps most important, Stephen Green examines to what extent Germany will come to dominate its relationship with its neighbors in the European Union, and what that will mean.

Josephine Lang Harald Krebs, Sharon Krebs, 2007-01-04 Josephine Lang (1815-80) was one of the most gifted, respected, prolific, and widely published song composers of the nineteenth century, yet her life and works have remained virtually unknown. Now, this carefully researched, compelling, and poignant study recognizes the composer for her remarkable accomplishments. Based on years of study of unpublished letters, musical autographs, reviews, and the autobiographical poetry of Lang's husband, Reinhold Köstlin, the biographical portions of the book offer a stunning portrait of the composer as a woman and an artist. In-depth musical analyses interwoven with the biography will be illuminating to scholars and to musicians of all skill levels. The analyses reveal Lang's sensitivity to her chosen poetic texts, as well as the validity of her claim that her songs were her diary; the authors demonstrate that many of the songs are directly connected to the events of Lang's life. The analyses are illustrated by an abundance of musical examples, including a number of complete songs. A companion website, featuring 30 songs by Lang recorded by the authors, complements the text.
