Steffen Blatt,2003-01-20 Essay from the year 2000 in the subject Politics - Topic: Peace and Conflict, Security, grade: 71% (Distinction), Monash University Melbourne (School for Social and Political Inquiry), course: The Vietnam War, language: English, abstract: Oliver Stone is probably one of the most controversial film directors in Hollywood. To what extent do they represent the truth about the realities of the war and how are they influenced by the director's own experiences as a GI in Vietnam? First I will give a brief Biography of Oliver Stone, followed by a chronological discussion of the envisaged films with reference to the questions presented above. Due to the large nature of this topic, I will only broaching some of the numerous aspects and interpretations of the films. [...]
