The Wolf Mom J. C. CORLISS, 2025-04-19 Synopsis for *The Wolf Mom* 1941. America is reeling from the attack on Pearl Harbor. Doris lives with her head in the clouds. Movies and books are her only escape from the hard truth that she's in her 30s, has never been in love, has never had any real adventures of her own, and still lives with her cantankerous, alcoholic mother, Maggie. Everything changes the night Harry-an old acquaintance and now a U.S. postman, shows up on her doorstep, bloodied from a wild animal attack on his mail route. Doris quickly tends to his wounds, quickly falls hard for him, then quickly loses her virginity to him that same night... totally unaware his blood is infected with wolf monster DNA. By morning, Harry is gone, and Doris is madly in love-and suddenly very sick. Maggie rushes her to Bella, a mysterious gypsy healer, who drops a bomb: Doris isn't just pregnant-she might give birth to a wolf baby. Doris, Maggie, and Bella must track down Harry before the next Wolf Moon and give him a gypsy potion to stop Doris, Harry, and their baby from transforming into full-blown wolf monsters forever. A very dark comedy ...with fangs!

The Princess Bride Reed Cartwright, 2020-04-08 The film is an enactment of a book read to a sick boy from Chicago, who is initially dismissive of the story, by his grandfather, with occasional interruptions of the scenes in this frame story. A beautiful young woman named Buttercup lives on a farm in the fictional country of Florin. Whenever she instructs the farmhand Westley, he complies and answers, As you wish. She eventually realizes that he truly means I love you and that she loves him in return. He leaves to seek his fortune so they can marry, but his ship is attacked by the Dread Pirate Roberts, who is infamous for never leaving survivors, and Westley is believed dead. Five years later, Buttercup is forced into marriage to Prince Humperdinck, heir to the throne of Florin. Before the wedding, she is kidnapped by three outlaws: a short Sicilian boss named Vizzini, a giant from Greenland named Fezzik, and a Spanish fencing master named Inigo Montoya, who seeks revenge against a six-fingered man who killed his father. The outlaws are pursued separately by a masked man in black and Prince Humperdinck with a complement of soldiers. The man in black catches up to the outlaws at the top of the Cliffs of Insanity. He defeats Inigo in a duel and knocks him unconscious, chokes Fezzik until he passes out, and kills Vizzini by tricking him into drinking from a cup containing poison. He takes Buttercup prisoner and they flee, stopping to rest at the edge of a gorge. When Buttercup correctly guesses that he is the Dread Pirate Roberts she becomes enraged at him for killing Westley. When Buttercup sees Humperdinck and his men appearing, she shoves Roberts down a hill and wishes death upon him. As he tumbles down, he shouts, As you wish! Realizing Roberts is Westley, she throws herself into the gorge after him and they are reunited. Westley explains the Dread Pirate Roberts is actually a title passed on by subsequent holders: he had taken the title so the previous Roberts could retire. They pass through the dangerous Fire Swamp, which is inhabited by rodents of unusual size (ROUS), but are captured as they leave by Humperdinck and his sadistic vizier Count Rugen, who is revealed to be Inigo's father's killer. Buttercup agrees to return with Humperdinck in exchange for Westley's release, but

Humperdinck secretly orders Rugen to lock Westley in his torture chamber, the Pit of Despair. When Buttercup expresses unhappiness at marrying Humperdinck, he promises to search for Westley. However, his real plan is to start a war with the neighboring country of Gunder by killing Buttercup and framing Gunder for her death (he had hired Vizzini to kill her for that same purpose). Meanwhile, Inigo and Fezzik reunite when Humperdinck orders the thieves arrested in the nearby forest, and Fezzik tells Inigo about Rugen. Inigo decides that they need Westley's help to get into the castle. Buttercup berates Humperdinck after learning that he has not tried to find Westley; enraged, Humperdinck imprisons Buttercup in her chambers, and tortures Westley to death. Inigo and Fezzik follow the cries of anguish through the forest. They find Westley's body and bring him to a folk healer, Miracle Max, whom Humperdinck has recently fired. He discovers that Westley is only mostly dead due to being sustained by his love for Buttercup, and revives him to a state of heavy paralysis.

The Good Shepherd Eric Roth, 2006 Here is the official scriptbook of the acclaimed movie about the birth of the CIA by Eric Roth, the screenwriter of *Forrest Gump* and *Munich*—an epic drama directed by Robert De Niro and starring Matt Damon, Angelina Jolie, Alec Baldwin, Billy Crudup, William Hurt, Joe Pesci, John Turturro, and Robert De Niro. Roth frames his story with key events in the CIA's history, beginning the screenplay at the height of the Office of Strategic Services (the precursor of the CIA) during World War II and closing the timeline with the CIA's failure to accomplish its crucial mission at the Bay of Pigs in 1961. Roth's script, which took more than twelve years to get produced, examines the lives of the men who formed our nation's modern-day intelligence service. I was intrigued with what morals people have and what they're willing to sacrifice, Roth reports. As I delved into it, I wanted to know more about what kind of lives these guys lived. What was his family life like, and what was life like with his children? What were his dreams for them?

The Power of Isabel - My Cat in the Palms Melanie Dixon, 2025-05 Time will never erase our nine lives together. No matter what time in history, the Earth keeps on rotating and time moves forward. There has never been a time where the past could be changed, or time travel could occur. After Isabel the cat passes away, her owner Ann has an epic decision to make. However, before she can commit the deed, Isabel returns to her in an unexpected way. After Isabel saves her human, she throws them into an initially heart-warming time loop of nine lives, but for how long? Every time Ann or Isabel touches a palm tree, they travel to the next destination. They are companions throughout the millennia, from cave dwellers, to ancient Egyptian times, to Victorian times, and to the groovy 1970s. But Ann and Isabel are unaware of their nine lives in each of these time frames. These journeys start to impact time itself, until Ann meets Isabel's mother on the bridge one day. And then she comes to the realization that she is not who she thought, and that the disintegrating Earth is all her fault. How one small cat could control time is unknown, and purrhaps it shall never be known. As the Earth is severely impacted by the twist in space and time, it's now time to call the cat to the rescue. The printed script book includes more content: A text-based story in TV movie script format, poetry, illustrations, photographs, and a short article about how The Power of Isabel brought her new cat, Isabella, to her. Also includes a suggested music playlist.
