Poker Winners Are Different: Alan N. Schoonmaker,2010-04-19 What Makes Winners Win? Every serious poker player knows there's a big difference between playing well and winning: Winners successfully master specific attitudes and habits. What Do I Need To Win? It's right in your hands. Poker guru Dr. Alan N. Schoonmaker explains the key skills that enable winners to bring in the money. With his expert guidance you can master them, too. You'll learn to: • Manage risk and information • Develop better discipline • Improve your decision-making processes • Focus on the right issues • Choose the information you give others • Control your reactions to feelings • Act decisively By mastering the behaviors and skills that Schoonmaker teaches, you'll be able to play more confidently--and win more often. Alan N. Schoonmaker, Ph.D, is the author of Your Worst Poker Enemy, Your Best Poker Friend, and the top-selling The Psychology of Poker; he is also a columnist for Card Player magazine. He received his Ph.D. in psychology from UC Berkeley, and has conducted research and taught at UCLA, Carnegie-Mellon, and Belguim's Catholic University of Louvain. He lives in Las Vegas.

Winners & Losers Jill Le Clair,1992 Winners and Losers: Sport & Physical Activity in the 90s is an introduction to the role of sports and recreation activity in Canadian society in the 1990s. Students will find this book interesting. It presupposes only an interest in sport and then takes the student through the issues in Canadian sport today. It is written at a level that is accessible to students who have never taken a course in this area. Winners and Losers includes material on the federal and provincial organization of Canadian sport, culture and competition, women and minorities, the business and economics of sport, and the use of performance-enhancing drugs. A recurring theme is the role of women, minorities and persons with disabilities and the pressing need to redefine sport and recreation to ensure equal access for all. Included are 50 profiles of

important Canadian sports figures, many based on personal interviews with the author. There are approximately 300 boxed inserts and 120 photographs. For the student's benefit, key words are highlighted throughout the text. The book also contains tables, charts, figures, and descriptions of important sports facts. At the end of each chapter are review questions, key terms and concepts, and essay questions.
