BOB MARLEY'S 282 LINES OF TRANCE Akṣapāda, BOB MARLEY'S 282 LINES OF TRANCE A short stroll through the long and inspiring life and contributions of pop icon Bob Marley. The singer and his popularization of Jamaican heritage along with inventing his own style of lyrical expression has left him well and immortal. He walks the hall of fame as one of the pioneers of reggae. His songs attain a spiritual dimension in his later career being an amalgam of eastern and western rituals. The songs have a transient nature which is not experienced often in other musicians of his time. This book contains the impulsive quotes from this music maestro of the reggae...

Hanging on the Ledge of Life Sonny Lyall, 2024-03-28 Out of the ranks of the middle class, wise honest leaders will rise. Truckers, labourers, bikers, night club bouncers, football players and soldiers. Read this book to see how such people who once lived by a code can make North America great again by embracing new careers in religion and or politics.

The Happy Friday Email continued... Linda Lapointe, 2015-07-22 Emails! We all get bombarded with them, all the time, right? How many of them do you routinely get that will make you smile? You will find that this book is a compilation of 52 emails that were sent out, one for every Friday in the year that will surely brighten your day! Each email covers a different topic and includes a song link that was related to the themed email for that week. These emails are amazing, engrossing, sometimes dropdead funny, while others are absorbing, with quirky insights. Regardless of the topic, they are definitely an addictive read. Most people can probably relate to the author's stories and life-altering questions, as well as her vulnerability and honesty in dealing with many diverse subjects - everything from finding love, to family struggles, to work-related stress, and to the trials and tribulations of friendship. The author has a strong belief that there is a beautiful gift to be received from every experience. The trick is to find ways to celebrate and enjoy life every day. The topics covered in this book will help you do that! Remember that on Fridays: the week is almost over, so it's time to kick back and have some fun! Life may not be the party we hoped for, but while we're here, we should DANCE and remember to laugh often. This is what this book is about - celebrating life!

Between Sand and Sea Dan Feltham, 2024-09-20 To be sure, many men have accomplished much more in a two-year time span than this author, but probably not many so diverse as to what is recorded here. This memoir covers Dan's adventures in 1976 through 1978 while in his mid 40s. The title stems from his multiple sailboat races, including the exciting 1976 Transpacific yacht race to Hawaii, and his hot busy sandy years in Saudi Arabia working for IBM Corporation. He served as an expat at the giant ARAMCO oil company helping to manage their complex data processing needs. The book includes some Middle Eastern history, information about Islam and the Qur'an, plus a few trips to surrounding countries such as Kashmir, India, central Iran, France, and Northern Europe. A few love affairs are mentioned without too many details.

The Words and Music of Bob Marley David V. Moskowitz, 2007-02-28 Throughout his life and perhaps even more since his death in 1981 at the age of 36, Bob Marley's music has demonstrated a unique ability to combine with almost any cultural setting, no matter how different the elements might at first appear. Through his adaptable, yet enduring musical messages, he represents an especially articulate type of singer-songwriter. Marley released a large quantity of introspective, autobiographical material at the height of his success and it is thus only in a work such as this—in which the artist is investigated through his recorded output—that one can understand who this great man truly was and what he hoped to achieve through his life and music.
