

Dare You To Hate Me

Joseph Sheridan Le Fanu

Dare You to Hate Me B. Celeste, 2023-04 From the fan-favorite author of *Underneath the Sycamore Tree* comes the first in a raw, real romance series following the lives of the Lindon U football players and the complicated girls who change their lives forever. When Ivy asked her best friend to run away with her at sixteen, she knew he'd say no. He had football, an amazing family, and a happy home to go back to every day. So the night Ivy snuck out of his bedroom window after hugging him goodbye, she accepted she'd probably never see him again. Then they both wound up at Lindon University four years later. Ivy is barely picking up the pieces of her life when the boy whose initials she used to doodle hearts around approaches her at work. Aiden Griffith. Lindon U's star tight end. Still as attractive. Still as dedicated. With rumors of him being drafted to the NFL coming to fruition, Ivy knows it's only a matter of time before they have to say goodbye again. But he can't seem to let her go, no matter what she says, and she doesn't think she wants him to.

Toxic Parents Susan Forward, 2002-01-02 Are you the child of toxic parents? When you were a child... • Did your parents tell you you were bad or worthless? • Did your parents use physical pain to discipline you? • Did you have to take care of your parents because of their problems? • Were you often frightened of your parents? • Did your parents do anything to you that had to be kept secret? Now that you're an adult... • Do your parents still treat you as if you were a child? • Do you have intense emotional or physical reactions after spending time with your parents? • Do your parents control you with threats or guilt? Do they manipulate you with money? • Do you feel that no matter what you do, it's never good enough for your parents? In this remarkable self-help guide, Dr. Susan Forward draws on case histories and the real-life voices of adult children of toxic parents to help you free yourself from the frustrating patterns of your relationship with your parents — and discover a new world of self-confidence, inner strength, and emotional independence.

The Traitor Thomas Jr. Dixon, 2022-06-03 In *The Traitor*, Thomas Jr. Dixon crafts a gripping narrative that explores themes of loyalty, betrayal, and the complexities of moral choice within the context of the post-Civil War South. Dixon's literary style weaves together rich character development and vibrant regional descriptions, immersing readers in a tumultuous era marked by social upheaval and shifting allegiances. The novel reflects the anxieties of its time, particularly regarding race relations and national identity, offering a poignant commentary on the consequences of treachery in both

personal and collective realms. Thomas Jr. Dixon, a prominent Southern writer and playwright, drew from his own experiences and the historical turbulence surrounding Reconstruction to inform his work. His fascination with the Reconstruction era's societal tensions and the role of honor and loyalty in the Southern psyche profoundly influenced his writing. Dixon's background as a public figure and his interests in Southern pride and the impact of war inform the thematic depth present in *The Traitor*. For readers interested in historical fiction that masterfully intertwines personal narratives with broader societal conflicts, *The Traitor* is a must-read. Dixon's nuanced portrayal of human emotions amidst historical turmoil invites readers to reflect on timeless questions of loyalty and the moral complexities of choice, ensuring the novel resonates across generations.

Kissing Asphalt Delicia Niami,2023-09-14 Resilience isn't inherited. It's a hard-fought skill forged by our ability to pick up the broken pieces of our past and remake them into something new. Meet four-year-old Delicia, a poor but carefree child who is about to have her world shattered. Along with her seven-year-old brother Nile, she is kidnapped from her Los Angeles home by her estranged father and taken to Iraq, a foreign world she has never known. This is just the beginning of a string of traumas, hardships, and assaults Delicia will endure throughout her tumultuous childhood. Now an adult living back in California, Delicia Niami bravely recounts how she survived the unimaginable in her debut memoir. *Kissing Asphalt*, the first in her memoir trilogy, *ResilientAF*, grapples with the power of resilience, acceptance, and self-love. She revisits her terrifying past with vulnerability, compassion, and the honesty of a true survivor. Hold hands with Delicia as she faces her childhood scars and learns how to confront her fears, accept her true value and identity, and embrace her unique gifts. It's a multi-decade roller coaster ride that is the beginning of her liberation, propelling her to live an inspired life and embrace her full human potential—a human potential she knows lives inside everyone, no matter what life has thrown at us. For anyone who has struggled with childhood trauma, Delicia's unflinching journey through darkness and back to light will resonate. She has decided to share her story publicly in hopes that it will serve as a guide to the many who have suffered in silence and continue to struggle against the daunting weight imposed by childhood trauma.
