I could not put this book down and have told all of my friends to get a copy to read. I can't wait for the rest of the series!!! It was a fun refreshing take on magic and creatures. The characters are so captivating. I am glad to see a magic related series that is more female based and has more of the Supernatural feel to it.- L. Coffing Added to my collection of urban fantasy beautifully written – Tevin I've read other things by this author, but this one stands head and shoulders above the others! Fast paced, fascinating characters, twists and turns, loved it all and am so happy I could dive right into the second. Keep them coming - don't want to go into withdrawals! – Tami Cowles This is a well-structured and exciting tale, with a magical system that any Fantasy lover would die for. This inspiring first novel shows a promising start to a series and kept a firm grasp on my attention throughout. Trials of Magic makes for an addictive read. Many times, I even found myself shouting at the characters, praying either for their safety or for them to succeed in their endeavors. A true work of fiction with great artistic flair. There is a lot of heart embedded within these pages. Trials of magic is a five-star read and a real credit to Mr. Thomas Carpenter. – Dax Munro TRA

I've always enjoyed coming-of-age novels and this one is fantastic. It is Well written, well plotted, and gripping. The characters and plot do not let you go. -PRBC I thoroughly enjoyed reading this book. The characters are all interesting, I couldn't predict what would happen (which I LOVE), and I can hardly wait to find out what happens next. (I also appreciate that I want more, but that the book actually ended very well, and not in a cliffhanger.) Thomas Carpenter is a new favorite author for me! - Skipperdo Loved this new book. It's amazing how real Carpenter makes this world and all the people in it. - Sharon Brigham Spratt Animalians I really love how quickly you fall head over heels for the Animalian Hall. - Yorkiemom The Animalians series is easily one of the most enjoyable reads I have had in the past year. Filled with a relatable heroine, strong character building and equal doses of magic and action, the series starts strong and only gets better. - amazon customer This is an excellent series. Fun and amazing characters with each a great separate plot. - Zippy Inger This is one of the most amazing, spellbound series I have read in a long time. Loads of action, adventure, suspense and supernatural creatures. A must read series!- Liza van der Pluym Gamemakers- Fast paced and spot on descriptions will keep you turning pages well into the night. If you adore Jordan and Martin, Thomas Carpenter and his Hundred Halls series are MUST READS as sci-fantasy of today! - Lynda C. If you want lots of interesting action and characters, this book has it. - J Krug LitRPG has become very formulaic as a genre. The warped Forest steps beyond those norms and explores character development and world exploration/design in excellent ways. - Scott Reimers Stone singers I have treasured each and every one of the Hundred Halls stories. Tom Carpenter has a unique style of writing which is always brilliantly researched, detailed for easy visualization and reads like you have a master storyteller in your head. - Lynda C It's a well written, enthralling read that grabs you from the get go. The world building is incredible, the storyline, action packed and fast paced and the characters intriguing. Thrust into a world of soul swapping, magic, music, secrets and so much more, this had me on the edge of my seat and I could not put it down. - Debbie Like all the other hundred hall series this one does not disappoint. Very unique scenarios and most unsuspecting plots. Fall in love with Minerva and follow her on her path of survival. - Liza van der Pluym

What Happens Next? Gail de Vos, 2012-06-26 This fascinating book uncovers the history behind urban legends and explains how the contemporary iterations of familiar fictional tales provide a window into the modern concerns—and digital advancements—of our society. What do ghost hunting, legend tripping, and legendary monsters have in common with email hoaxes, chain letters, and horror movies? In this follow-up to *Libraries Unlimited's Tales, Rumors, and Gossip: Exploring Contemporary Folk Literature in Grades 7-12*, author Gail de Vos revisits popular urban legends, and examines the impact of media—online, social, and broadcast—on their current iterations. *What Happens Next? Contemporary Urban Legends and Popular Culture* traces the evolution of contemporary legends from the tradition of oral storytelling to the sharing of stories on the Internet and TV. The author examines if the popularity of contemporary legends in the media has changed the form, role, and integrity of familiar legends. In addition to revisiting some of the legends highlighted in her first book, de Vos shares new tales in circulation which she sees as a direct result of technological advancements.
