The Initiation Nikki Sloane,2019-05-28 No one knows how new members are selected to the board of Hale Banking and Holding. But there are rumors of a sordid rite of initiation. Whispers how one woman and nine men disappear into a boardroom. This time, that woman will be me. The Hale family owns everything--the eighth largest bank in the world, everyone in our town, even the mortgage on my parents' mansion. And now Royce Hale wants to own me. He is charming. Seductive. Ruthless. But above all, he's the prince of lies. My body may tighten with white-hot desire under his penetrating gaze, but I refuse to enjoy it. I'll make a deal with the devil to save my family and sell myself to the Hales. But Royce will never own my heart.

Encyclopedia of American Jewish History Stephen H. Norwood,Eunice G. Pollack,2007-08-28 Written by the most prominent scholars in American Jewish history, this encyclopedia illuminates the varied experiences of America's Jews and their impact on American society and culture over three and a half centuries. American Jews have profoundly shaped, and been shaped by, American culture. Yet American history texts have largely ignored the Jewish experience. The Encyclopedia of American Jewish History corrects that omission. In essays and short entries written by 125 of the world's leading scholars of American Jewish history and culture, this encyclopedia explores both religious and secular aspects of American Jewish life. It examines the European background and immigration of American Jews and their impact on the professions and academic disciplines, mass culture and the arts, literature and theater, and labor and radical movements. It explores Zionism, antisemitism, responses to the Holocaust, the branches of Judaism, and Jews' relations with other groups, including Christians, Muslims, and African Americans. The encyclopedia covers the Jewish press and education, Jewish organizations, and Jews' participation in America's wars. In two comprehensive volumes, Encyclopedia of American Jewish History makes 350 years of American Jewish experience accessible to scholars, all levels of students, and the reading public.

Television Drama Series Programming Larry James Gianakos,1983 For more than a decade, Gianakos' comprehensive chronicles of American television dramatic programming have been considered classic references. Following a descriptive and critical review for each period, an exhaustive Days and Times section includes detailed listings for all dramatic specials. Program sections for all seasons provide writer and director credits. This is the fourth volume in the 6-volume series.

The Arts in the West Since 1945 Arthur Marwick, 2002 The 'Arts' hold a revered and respected place within modern Western society - but what exactly defines 'culture'; what gives it this enigmatic status; what influences its composition and propagation; what controls and limitations is it subject to; and what can it achieve within our world? Arthur Marwick tackles these issues head on, with a both detailed and eclectic account of the 'Arts' in the West since the Second World War. He looks at the full range of possible candidates for the category of 'Art', from both elite and popular cultures: from high literature to pulp fiction, from art-house cinema to soap-opera, Art Music to Rock and Pop. This book looks at the fascinating diversity of twentieth-century art in the context of the social, technological, and political events, movements, and developments that have shaped our history - such as the holocaust, the television, feminism. Marwick examines how these factors have affected the cultural output of Western society since 1945, and in turn how art has fed back its own agenda and priorities into this society.

TV Finales FAQ Stephen Tropiano, Holly Van Buren, 2015-11-01 (FAQ). TV Finales FAQ is the first book devoted exclusively to television's most memorable series finales. From Mary Richards' heartfelt goodbye to the WJM-TV newsroom in the classic finale of The Mary Tyler Moore Show to the puzzling conclusion of the enigmatic adventure series, Lost, to the tumultuous final hours in the life of Breaking Bad's Walter White, TV Finales FAQ takes an up close, insightful, and entertaining look at the most memorable final episodes of television's most popular prime time, daytime, and late night series. Crafting the final episode to a long-running television series can be challenging for producers and writers who want to remain faithful to the show's characters and history, yet, at the same time, satisfy the high expectations of its loyal fan base. TV Finales FAQ offers television viewers the inside story on the creation, broadcast, and aftermath of the most famous (and infamous) final episodes of over 50 television series from the 1960s through the present day. The book features such shows as Dexter, Roseanne, Will & Grace, X-Files, The Sopranos, and some classic talk and late-night programs such as The Oprah Winfrey Show and The Tonight Show Starring Johnny Carson, and many others.
