Jack L. Chalker

Not Your Ex's Hexes April Asher, 2023-02-07 In April Asher's next Supernatural Singles novel, *Not Your Ex's Hexes*, a one-night-stand between a willful witch and a broody half-demon conjures an adventure that wouldn't be complete without several magical mishaps. For her entire life, Rose Maxwell trained to become the next Prima on the Supernatural Council. Now that she's stepped down, it's time for this witch to focus on herself. And not think about her impulsive one-night stand with Damian Adams, a half-Demon Veterinarian who she can't get out of her head. Neither of them is looking for a relationship. But when Rose is sentenced to community service at Damian's animal sanctuary it becomes impossible for them to ignore their sparking attraction. A friends-with-benefits, no feelings, no strings arrangement works perfectly for them both. After a sequence of dead-end jobs, it's not until Rose tangos with two snarly demons that she thinks she's finally found her path. However, this puts Damian back on the periphery of a world he thought he left behind. He doesn't approve of Rose becoming a Hunter, but if there's one thing he's learned about the stubborn witch, it was telling her not to do something was one sure-fire way to make sure she did. Working—and sleeping—together awakens feelings Damian never knew he had...and shouldn't have. Because thanks to his ex's hex, if he falls in love, he'll not only lose his heart—but his humanity.

The Ex Hex Killian McRae, 2018-06-03 When enemies become lovers and lovers become... No, wait! That's too cliché. If you can't slay them, join them! Right, but kind of chintzy, no? Oh, I know! Don't sleep with demons or priest, and especially not priests who become demons, and especially not demons who happen to be your ex. Everyone knows that love is blind, but even Riona Dade knows it's supposed to be with a mortal. That's true even if you are a witch with the ability to magically slay the scum of Hell. But when you find out your ex-boyfriend was a demon, you should probably take your lesson about falling for the wrong guy. Probably. It's a great theory, anyway. But if there's one thing Riona can do well, it's picking the wrong guy. With the help of Greek Gods, archangels, and her fellow Pure Souls, Riona faces down challenge after challenge, both to her heart and to her head. Seems the reluctant witch plays a key part in a prophecy, one that has her pitted against the Devil at every turn. The Devil isn't quite what he used to be, though, and by the time Riona is through, neither one of them will be the same again. *The Ex Hex* includes all five installments of this hilarious paranormal romance series, a rollickingly humorous tale of love, lust, magic, and a demon who loves Zima. This collection contains: *The Motion of the Potion* (All My Exes Die From Hexes, #1) *Once You Go Demon* (All My Exes Die From Hexes, #2) *Hex Goddess* (All My Exes Die From Hexes, #3) *When*
