Suzy Likes to Look at Balls Bimisi Tayanita, Matt Williams, 2016-12-01 Suzy likes to look at balls and if you play a sport, chances are before too long she'll take a look at yours. This book she wrote for you and me just to clue us in, on all the balls that Suzy's seen and where those balls have been. *Suzy Likes to Look at Balls* is the first of five books that make up *Reach Around Books Season One*.

No Kids Allowed Michelle Ann Abate, 2020-10-13 Children's literature isn't just for children anymore. This original study explores the varied forms and roles of children's literature—when it's written for adults. What do Adam Mansbach's *Go the F**k to Sleep* and Barbara Park's *MA! There's Nothing to Do Here!* have in common? These large-format picture books are decidedly intended for parents rather than children. In *No Kids Allowed*, Michelle Ann Abate examines a constellation of books that form a paradoxical new genre: children's literature for adults. Distinguishing these books from YA and middle-grade fiction that appeals to adult readers, Abate argues that there is something unique about this phenomenon. Principally defined by its form and audience, children's literature, Abate demonstrates, engages with more than mere nostalgia when recast for grown-up readers. Abate examines how board books, coloring books, bedtime stories, and series detective fiction written and published specifically for adults question the boundaries of genre and challenge the assumption that adulthood and childhood are mutually exclusive.

Bad Sex Leon de Kock, 2011-08-26 Growing up in the '60s and '70s in the tough streets of Mayfair, Joburg, Sammy Baptista learnt how to use his fists. But life will teach him that fists cannot defend you against everything. When he scores a plum job and catches the fancy of his sexy boss, Sammy thinks he has landed with his backside in the butter. A steamy love affair ensues, but Sabina, like others before her, has Sammy by the balls. In vigorous conversations with his shrink, he cuts away layers of 'bad sex': between fathers and mothers; men and women; and men and men. Tracing Sammy's boyhood to its vulnerable core, rooting for him in this frank and enlightening novel, Leon de Kock breaks new ground to tell the often ignored, raw story of many men.

Come fly with me Eduard Meinema, 2024-02-06 Suzy Stone is a flight attendant. After the death of her husband three years ago, she devoted herself to her work. The more flights the better. This way she could cope with the loss of her great

School of Ladies - The Debutantes Ennie Smith,2018-01-01 Six girls and a ball where they can sparkle and shine like princesses. A story of a seventeen-year-old girl named Emma Derkin and five other girls, who just like every young girl back then, wanted to find the best possible husband at the debutante ball. The events unfold during the Victorian era in a girls' school dormitory. We are privy to follow the girls as they painstakingly prepare for the ball, as well as to watch the relationships that are formed between the girls. And, of course, the main event, the coming out ball, for which everyone has been getting ready. But love is unpredictable, and fate never fashions things the way we imagine it. This book is not just meant primarily for young girls and fans of Jane Austen novels, but the topic is equally enjoyable for every adult woman.
