

Wish You Were Here Let

Anthony Trollope

Wish You Were Here Stewart O'Nan, 2007-12-01 A family gathers at their vacation cottage for the last time: "Riveting...the perfect summer-by-the-lake read."—Chicago Tribune A New York Times Notable Book A Chicago Tribune Favorite Book of the Year A year after the death of her husband, Emily Maxwell gathers her family by Lake Chautauqua in western New York for what will be a last vacation at their summer cottage. Joining is her sister-in-law, who silently mourns the sale of the lake house, and a long-lost love. Emily's firebrand daughter, a recovering alcoholic recently separated from her husband, brings her children from Detroit. Emily's son, who has quit his job and mortgaged his future to pursue his art, comes accompanied by his children and his wife, who is secretly heartened to be visiting the house for the last time. Memories of past summers resurface, old rivalries flare up, and love is rekindled and born anew, resulting in a timeless novel drawn, as the best writing often is, from the ebbs and flow of daily life. "A sprawling, generously written saga that imparts exceptional insights into the human heart."—Charlotte Observer "Brilliantly mesmerizing."—Los Angeles Times "Succeeds beautifully...showcases some of the finest character studies a contemporary reader could ask for."—The Boston Globe

Wish You Were Here Barbara Shoup, 2011-09-08 Jackson Watt's senior year should have been a blast. Then Jax's best friend Brady runs away without telling anyone. His mom gets remarried, which means a new family, a new house, and a new role as well-adjusted stepbrother. Not until a life-changing road trip to Graceland does Jax learn to accept the past year—and what it means to grow up.

Wish You Were Here Rita Mae Brown, 2004-03-30 Curiosity just might be the death of Mrs. Murphy--and her human companion, Mary Minor Harry Haristeen. Small towns are like families: Everyone lives very close together. . .and everyone keeps secrets. Crozet, Virginia, is a typical small town-until its secrets explode into murder. Crozet's thirty-something post-mistress, Mary Minor Harry Haristeen, has a tiger cat (Mrs. Murphy) and a Welsh Corgi (Tucker), a pending divorce, and a bad habit of reading postcards not addressed to her. When Crozet's citizens start turning up murdered, Harry remembers that each received a card with a tombstone on the front and the message Wish you were here on the back. Intent on protecting their human friend, Mrs. Murphy and Tucker begin to scent out clues. Meanwhile, Harry is conducting her own investigation, unaware her pets are one step ahead of her. If only Mrs. Murphy could alert her somehow, Harry could uncover the culprit before the murder occurs--and before Harry finds herself on the killer's mailing list.

Wish You Were Here Renée Carlino,2017-08-15 You know when you're looking at someone and you can't help but smile at how oblivious they are to their own charm? That's what was happening to me, and it was making me feel...happy. Euphoric. Something indescribable. It was like we already knew each other, like we had met in a previous life. Memories that didn't exist began exploding in my mind like fireworks.--
