Summary of Donna Partow's *Becoming the Woman God Wants Me to Be* Everest Media, 2022-07-24T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The Amplified Bible translates the word for noble as capable, intelligent, and virtuous. A woman of noble character is not easy to find anymore. You can have full confidence in God no matter what season of life you're in right now. #2 Your personal vision statement is to use your creativity and enthusiasm to support and inspire others to freely express their talents in a harmonious and loving way. It's simple, but it takes time to develop. #3 I invite the Holy Spirit, as my counselor, to show me a solitary place where I can get my priorities straight. I will consider this place and time his official invitation to call me there, morning by morning. #4 The Proverbs 31 woman got up early and spent time with God, which gave her confidence. You should make time to meet with God and invest in your relationship with him.
